

Cadets Defeat Mustangs, 4-0; Face Red Raider Nine Today

By TUCKER SUTHERLAND

A low, hard drive over the right-field fence in the eighth inning by Bo Paradowski raised the score to 4-0 and nailed the coffin lid down on the SMU Mustangs Saturday, moving the Cadets into a tie with the losers for second place.

The Ag first baseman stepped to the plate four times, hit twice, scored twice and blasted in three runs in nine rampaging innings for him. This, plus near perfect baseball, gave the Cadets their sixth conference win.

Wayne Schaper, junior right-hander, went all the way for the Farmers giving up only seven scattered hits. This was the first time Coach Bell has given the lanky pitcher a chance to start, and the hurler proved his ability by allowing only one man to reach third and just three to touch second.

Pitcher Marvin King replaced Mustang starter Carl Schlemeyer after Schlemeyer developed a sore arm in the first inning. King started off in the bottom of the second

inning with a cold arm and before he could hit his stride the Farmers tapped him for three runs.

King hit his form in the last of the fourth inning, striking out two of the batters facing him and sending three men down swinging in the last of the fifth.

The pitcher's duel continued the rest of the game, but Schaper made use of near perfect fielding by his teammates throughout the afternoon to post the win.

One of the outstanding plays of the day was by Cadet Rightfielder Jim Smotherman. The senior co-captain made a running dive for a line drive into right center off the bat of Edgar Ward. Ward was around first before Smotherman crawled out of the dust with the ball.

The infield came up with a sparkling double play, set up by a grounder to Ag third baseman J. B. Carroll. Carroll threw to second baseman Dink Patterson for one out and Patterson fired the ball

to Paradowski at first for two.

The outfield took over again in the top of the ninth when Dickie Thomas made a running, one-handed catch in center field to rob Jerry Wolff of a potential hit.

Only a small crowd of A&M students turned out on the sunny afternoon for the important clash. The win gave A&M and SMU both 6-3 records, two games behind the leading Texas Longhorns.

This week the Aggies play three

games, starting with a non-conference tilt against Texas Tech today in Kyle Field at 3 p. m.

Coach Beau Bell will have Toby Newton, senior lefthander on the mound against the Red Raiders. Newton has a 2-1 conference mark and is a co-captain.

Friday and Saturday the Ags go to bat in the conference race against the TCU Frogs in Kyle Field. The Cadets beat the Froggies in their first meeting April 1.

Ags Drubbed in Tennis, Golf

The Aggie Golf and Tennis teams met defeat during the last few days with TCU downing the golfers 4-2 yesterday, and the tennis squad falling to a strong Texas Tech squad 5-1, Friday.

In the Kansas Relays, Lawrence, Kan., the Farmers scored points on Emmett Smallwood's third in the decathlon and Charles Merka's fourth place effort in the high jump.

Smallwood took first in the 100-meter and 400-meter dashes in his ten-event contest, and in the high and low hurdles. The senior Ag also placed second in the broad jump, his specialty in the SWC, but failed to finish high enough in the other events to win the endurance contest.

The ace sprinter had a 5,800 point total, enough points to have won the event last year. The decathlon is a ten-event contest and places its emphasis on the strength and durability of the contestants.

SPORT SLANTS

By BOB WEEKLEY

Practice ended yesterday under gloomy skies and crashing lightning, and like the weather, spring drills are nearing completion with the same dismal foreboding.

The Ags, like their '57 counterparts, lack depth in the line. The brunt of next season's clashes will be placed on the shoulders of such stalwarts as Tracey, Beck, Trimble, Goehring and Smith.

Bright spots in the backfield can be found in the power running of LeBeouf, the blocking of Gay and the passing ability of Milstead. Dudley, if he comes through, should be the team's break-away man.

Reserve depth is no problem in the backfield with Few, Fontenot, Hall and Sanders men of proven ability. At the present moment the backs shape up like this: Passing and Kicking, good. Running, average. Pass receiving, poor. Defense, good.

The question mark is the line. Many of the coaches have been heard to say that there are only three or four "good" football players on the squad now. There is a lot of potential and the coaches are still seeking it.
