

# The Little League Corner

By KIM JOHNS

The White Sox and the challenging Red Sox each got off to a one-run, two-hit first inning last Friday afternoon, in what falsely promised to be a close game. But the Red Sox ran off with an 11-4 victory after posting three, three-run innings while the White Sox only managed to bring in three more runs. Randy Hall was the winning hurler, throwing four strike-outs, walking only two batters and allowing six base hits. This rounded out the Red Sox' third straight victory.

The Orioles held the Senators to three runs in the first two innings of the second Friday game. Then lightning struck the struggling Orioles in the form of nine runs for the Senators off four base hits. The Senators scored three more runs, two of these off Darrell Gossett's double, while the Orioles made two runs in the third inning, one off a double by third baseman Jay Pethers, who was the leading hitter for the night with two base hits from three times at bat.

Monday afternoon promised plenty of excitement for both players and fans. Three teams the Senators, White Sox and the Red Sox were tied for first place with four wins and two losses apiece.

In the first game, the Senators pushed the Red Sox out of the first place slot with a 7-3 victory. The Red Sox got off to a fast start in the first inning, when Randy Hall knocked a home-run

# Improvements Now Underway In Dormitories

Work began this week on the improvement and repair of several of the college dormitories, according to W. Howard Badgett, manager of the Physical Plants.

This is part of the annual improvement and repair plan of the college, in which several dormitories are improved or repaired each summer. Last year Dorm 2 received an extensive interior refinishing and the installation of new furniture.

More new furniture has been purchased this year. Some 800 new metal and fiber glass study tables and chairs have been purchased from the American Desk Company of Temple at a cost of some \$45,200. These were installed in Bizzell and Mitchell halls and in Dorm 14.

According to Badgett, more new tables and chairs will be bought as money becomes available. This is part of a general improvement plan which is programmed over the next five or six years.
