The Little League Corner

By KIM JOHNS

College Station little leaguers took a week's rest this week from baseball to observe Boy Scout Week as the season's play reached the halfway mark.

The White Sox are still in first place with a record of seven wins and two defeats, but the Senators are close behind with six victories against three defeats.

The Red Sox are next with a record of 5-4 and the Orioles are in fourth place with a 0-9 record.

Bobby Houze of the White Sox is the leading hitter with 13 hits in 24 trips to the plate for a .542 average. He also has 9 RBI's—second only to teammate Jim Bevans who has 16 in that department.

Jay Pewthers of the Orioles is second in the batting race with a .455 average. The Red Sox's Joe Joyer is in third place with .488 and Bevans and Sonny Benividez of the White Sox hold down fourth and fifth place with .423 and .379 averages, respectively.

Rounding out the top twelve hitters are John Krenitsky, Orioles; Russell Hanna, Senators; Bob Elkins and Hubert Hearne, Red Sox;

Joe Powell and Duke Butler, White Sox; and Rodney Greer, Orioles.

Two games were played last Friday afternoon. The Senators went on a hitting spree as they handled Oriole pitchers with ease and took a 22-1 victory. Jim Mills was the winning pitcher and Mark Hayes was the loser.

In the other game, the league-leading White Sox showed why they hold that position as they defeated the Red Sox, 6-4.

David Dammerall led White Sox hitting attack with a two-run homer early in the game. Bobby Houze, the White Sox's league-leading-hitter, also drove in two runs with a long triple to right field.

Among Those Who Know the Candidates Best

It's
JOE GREENHILL

3 to 1
FOR THE
TEXAS SUPREME COURT

A statewide poll of the legal profession, conducted by the State Bar of Texas, shows the vote to be:

JOE GREENHILL 5,844 votes

His Opponent 1,727 votes

This is the overwhelming verdict of members of the candidates' own profession after carefully weighing their qualifications and experience, studying their record and considering their judicial temperament and personal integrity.

Public Health Work Told Lions

Work done by the recently-organized Department of Public Health in the School of Veterinary Medicine was outlined to College Station Lions by Dr. Fred Jaggi, head of the department.

Although only organized as a separate department in 1957, Jaggi told the group the department had existed in one form or another

since 1937 when it was part of the old Department of Veterinary Hygiene.

The Lions will operate a booth at the annual College Station July 4 celebration and will also assist in operating the booth at the open house and air show at Easterwood Field Sunday.
