- |   |                              |
|---|------------------------------|
| 1 cup finely crushed graham crackers    | ½ cup boiling water          |
| 2 tablespoons sugar                     | ½ cup cold water             |

| 1 package lemon chiffon pie filling mix | 2 tablespoons lemon juice    |

Stir together graham cracker crumbs and 2 tablespoons sugar. Add melted butter and mix well. Press onto bottom and sides of a baking pan. Place pie filling mix in a large deep mixing bowl. Add boiling water and mix thoroughly.

Add cold water, lemon rind and juice and beat vigorously until mixture is very foamy—about 1 minute. Add ½ cup sugar and beat until filling stands in peaks—this will take 1 to 3 minutes. Turn into pan with graham-cracker crumb mixture in it. Chill until set—1 to 2 hours.

## DOUBLE PINEAPPLE CAKE

- |                              |                         |

## His First Steps...

He stands with his legs quivering ever so slightly, ready to put forth first one foot... and then the other.

This is a great moment, and it might be frightening if it were not for the strong, steady clasp of his mother's hand. She is there to guide him... to catch him if he falls.

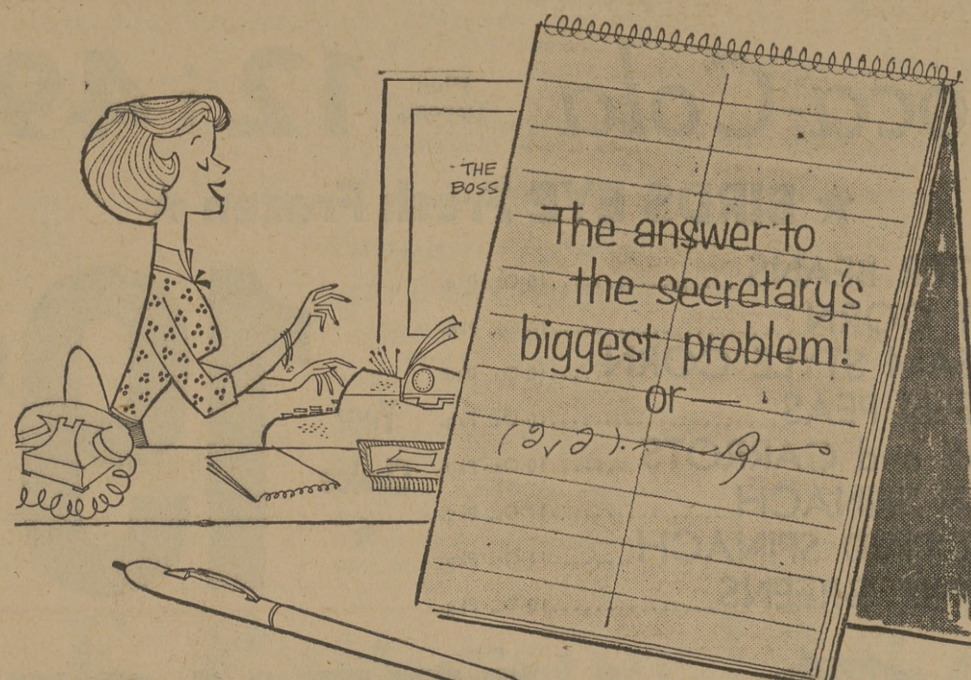

But the time will come when he'll have to let go of his mother's hand, and go forth on his own. Even then, he will need guidance. His mother is taking care of that, too. Already, he attends church with his parents on Sundays and slowly but surely he will begin to learn the meaning of faith. Children must be taught to take spiritual as well as physical steps. The Church stands ready to teach them.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plus is go to church regularly and read your Bible daily.

It's easy for the girl who knows shorthand to get a good job with good pay nowadays. But with lunches and shoes and shower presents so expensive, it's harder than ever for her to save.

That's why so many working girls are investing in Savings Bonds on the Payroll Savings Plan. Once you tell your pay office how much you want to save each payday, you can relax and know that your saving is being done for you. Automatically your money will go into safe and sure U. S. Series E Savings Bonds.

And now every U. S. Series E Bond bought since February 1, 1957 pays a new, higher interest — 3 1/4% when held to maturity! It matures faster, too, in only 8 years and 11 months. And redemption values are higher, especially in the earlier years.

Is your boss a handsome bachelor? Is he considerate? Have a sense of humor? If so, marry him quick. If not, it makes good sense to invest your hard-earned dollars in Savings Bonds. Then you can make a lot of good things come your way. Like a trip to Europe. Or a car of your own. (And if a man happens along, too — so much the better. You'll need extra money then for things like feminine frills and frying pans.)

So start investing today in Savings Bonds — either on the Payroll Savings Plan where you work or regularly where you bank.
