

'Junction Manor' Almost Completed

—Battalion Staff Photo

The new athletic dormitory is nearing completion with an open house planned Aug. 28. Estimated cost of the structure will be over a half-million dollars. Facilities include a swimming pool under construction, carpeting throughout and air-conditioning.

Dewey Seeks Re-Election To Legislature

State Representative B. H. Dewey, Jr., 40-year-old Bryan attorney, announces his candidacy for reelection to the Office of State Representative, 44th District, Brazos County, Texas, subject to the action of the Democratic Primary, July 26, 1958.

The Bryan attorney is seeking his fourth elective term to the Legislature, having served as the Representative of Brazos County in the 53rd, 54th and 55th Legislatures.

Dewey has lived in Bryan since October 1930 at 106 S. Congress Ave., where he still resides with his parents, Mr. and Mrs. B. H. Dewey, Sr. Dewey attended high school in Bryan, graduated from Texas A&M in 1938 with a BS Degree, majoring in Accounting, and in 1941 he received his L.L.B. Degree from the University of Texas and was admitted to the practice of law the same year.

During WW II Dewey served in the Air Force and Infantry for 41 months, including overseas service in the Philippine Islands. He has been active in the Democratic Party, serving as Precinct Chairman, election judge, and Secretary of the Brazos County Democratic Executive Committee, and he attended the Democratic National Convention in Philadelphia, Pa. in 1948 as alternate delegate from the 6th Congressional District.

He has served three terms on the Appropriation, District Congressional and Legislative and Privileges, Suffrage and Election Committees. He also served on the Conservation and Reclamation, Rules and Inter-state Cooperative Committees and was on the Conference Committee in 1957 that wrote the Current 2.09 Billion Dollar Appropriation Bill for the State of Texas and was for social security for state employees and 40 hour week.

He is running for reelection on his record in the Legislature. His platform in addition to his record includes support for REA, farm-to-market roads, irrigation from 200 acre water feet ponds without permits, annual sessions and annual salaries, against a general sales tax or state income tax and for tax on natural resources, for judicial redistricting, old age assistance, election code changes and for continuing improvements of public schools and higher education.

The candidate is a member of Bryan Lions Club, First Presbyterian Church, Chamber of Commerce, Friends of Library, American Legion, V.F.W., Brazos County A&M Club, Brazos State and American Bar Associations.

He deeply appreciates the opportunity and responsibility of representing 50,000 people of Brazos County in the State Legislature. And he earnestly solicits the influence and support of every man and woman in Brazos County, Texas.

Paid Political Adv.

Data Processing Building Gets System Approval

Authorization for a data processing building at A&M, allocation of \$188,000 for its construction and appropriation of \$12,000 for plans and preliminary expenses for the center, received approval from the A&M Board of Directors.

Directors approved plans Wednesday for a \$200,000 data processing center, and agreed to accept the offer of International Business Machine Corp. to exchange the present data processing center's major piece of high-speed calculating equipment for an improved model. IBM will furnish the college with a 704 high speed computer, to replace an existing IBM-650 and a 701 that had been proposed for the data processing center.

Expansion of the electronic computer center at A&M into one of the largest in the South, was recently proposed and approved by the board. The board, in February of this year, authorized acceptance from IBM of a 701 computer, to expand existing high-speed computing equipment. The action today authorizes the college to enter an agreement with IBM for a 704 computer, which can replace the two largest pieces of electronic computing equipment planned for the data center.
