"If You Are Interested in Your Child's Eyes — READ THIS!"

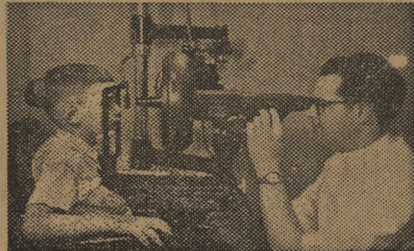

by Dr. N. Jay Rogers, Optometrist and Director of TSO

BE SURE YOUR SCHOOL-AGED CHILD HAS NO VISUAL PROBLEM... LET US GIVE HIM A CAREFUL, SCIENTIFIC EYE EXAMINATION NOW

When your child's eyes are examined at Texas State Optical...

1. The interior of each eye is examined for possible disease or defect.
2. The front of the eye is measured to determine if Astigmatism is present.
3. The muscles of the eye are tested for possible imbalance.
4. If nearsightedness or farsightedness is present, the amount of it will be determined.

If glasses are NOT NEEDED, you pay only \$3.00 for the examination.
