

### Insurance Group to Hear Speaker

John Longley, executive vice president of the Texas Central Life Insurance Co. of Bryan, will speak on "A Career for You in Insurance" to the recently-organized student Insurance Society Monday night at 7:30 in Room 202 of the Business Administration Building.

The society was organized with two goals in mind: to familiarize students interested in insurance with the insurance field and to further their knowledge of insurance by having discussions and hearing speakers from different insurance companies.

James McKnight is president. Other officers include Doug Jenks, vice president; Larry McVay, secretary and treasurer. Al

Yantis, publicity chairman; and Jim Reed, assistant publicity chairman.

Arthur Emery and Jack Rains will represent the group on the Arts and Sciences Council.

Henry F. Lyles, instructor of insurance in the Division of Business Administration, is faculty sponsor. Other faculty members working with the group are Dr. Robert Stevenson and Dr. David Fitch.

Add a slice of raw bacon to green beans as they cook. Remove the boiled bacon when the beans are finished cooking; the delicious flavor of the bacon in the beans is all you want in this dish.

### Petroleum Man Speaks Monday

Henry H. Meredith, Jr., division petroleum engineer of the Humble Oil Co. in Tyler, will give an illustrated presentation on "The Engineer in the Petroleum Industry," Monday, in Room 205 of the New Engineering Building at 7:30 p.m.

The speech is primarily for the Industrial Engineering Society, but members of other professional societies are invited.

Meredith, a 1939 graduate of Texas Tech and a member of Tau Beta Phi, has worked for Beaumont Iron Works Co., Remington Arms Co. and instructed at Texas Tech.

### First Baptist Sets Loyalty Dinner

Tuesday, Oct. 28, will be the night of the all-church and Sunday school family dinner for the First Baptist Church of College Station.

Since the church does not have the facilities for the anticipated 350 members and guests, the dinner will be held in the Recreation Hall of the A & M Presbyterian Church.

There will be no charge, no offering, no solicitation. However, reservations will be necessary. The dinner will be the inspirational climax for the promotional aspect of the church's "Forward Program" of church finance. The emphasis will be on fellowship, information, inspiration and action.

Children eight and under will be invited to a children's party at the Baptist church. Those nine and over will be invited to the dinner.

### LET THE LORD DECIDE

Salt Lake City (UP)—Should doctors make supreme efforts to prolong the lives of hopelessly ill elderly patients?

"My advice would not be to move heaven and earth to keep a dying man alive, but let him go when the Good Lord sends for him," says Dr. Walter C. Alvarez, noted medical writer. He spoke at a symposium here.

Try a mixture of turpentine and ammonia for hard dry paint spots on clothing; soak a while then wash out the turps with warm sudsy water.

## Baptists Plan All-Out Effort

In the next five weeks the College Station First Baptist Church will make an all-out effort to lay the foundation for the greatest year of advance in its history, said Rev. R. D. Longshore, pastor of the church, yesterday.

The church is using the new Forward Program of Church Finance of Southern Baptists to provide a sound economic basis for growth in every organization, he said.

Theme for the drive is "Exalt Him."

**THE CHURCH FOR ALL**  
ALL FOR THE CHURCH  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, modern democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
