## City Dads O.K. Proposed Zone Change

College Station City Council members, in a special public hearing last night on a proposed zoning change, voted to authorize City Attorney C. E. Dillon to draw up an ordinance putting the change into effect.

The city dads will vote on the proposed ordinance at the regular council meeting next Monday night.

No citizens were present to protest or agree with the change which affects the area from Jersey Street south to the city limits between the two railroad lines.

If passed, the ordinance will provide for the changing of the zoning regulations to permit any business house as well as gasoline storage tanks and bulk stations, lumber and material storage areas, craft and custom-work shops and warehouse and storage depots. The buildings must be of corrugated sheet iron, masonry or other suitable building materials.

No other business was discussed at the formal called meeting.

## Two Face Counts In Four Counties

By JOE BUSER  
Battalion Editor

Two Aggie seniors and an ex-sophomore, charged with at least five counts of burglary in four counties, were released Monday on \$1,000 bond from the Jefferson County Jail in Beaumont.

Released on bond after being charged with felony theft in Beaumont for the December burglary of a sporting goods store were Robert M. Peevey, 22-year-old C Engineer senior from Robison, and Alvin Joel French, 21-year-old Civilian senior from Beaumont. Also held in connection with the burglaries were William E. Bertrand, a 20-year-old Beaumont Civilian student during the 1956-'57, '57-'58 terms, and Sidney N. Clubb, 19-year-old Beaumont youth.

Charges were also filed on the pair of A&M students in Falls, Madison and Brazos counties, according to Deputy Sheriff Howard Lee of the Brazos County Sheriff's Department.

French was indefinitely suspended from A&M Oct. 10 for violation of paragraph 14 of College Regulations. "Punishment for other violations of the Basic Policy, College Regulations or the Criminal Code of the State of Texas shall be commensurate with the gravity of the offense."

No action has been taken by the School of Military Sciences in regard to Peevey's continuance with A&M pending a personal hearing with the accused Aggie.

Both men gave statements to officers about the burglaries. Russ Bridges, deputy sheriff from Beaumont, said last night.

Apprehension of the two A&M students came after Bertrand and Clubb were picked up en route to Houston from Beaumont with a stolen trailer loaded with "trussed" cattle, according to Beaumont authorities. They said the two youths implicated the Aggies on several other crimes, leading to their pickup by Bryan officers.

The pair of students were held in Bryan overnight before being turned over to the Jefferson County authorities.

# Aggie Senior's Wife Dies After Operation

Funeral services were held in Bryan Sunday afternoon for Mrs. Alice Jayne Anderson, 27, of B-13-A College View, wife of Dorlan Lee (Chick) Anderson, '59, and mother of two small sons.

Mrs. Anderson died Saturday at 12:45 a.m. in St. Joseph's Hospital after she had undergone a kidney operation Thursday afternoon.

A registered nurse working as a laboratory technician with Dr. L. R. Richardson in the biological chemistry and nutrition department of the Texas Extension Service at A&M, Mrs. Anderson was born in Bryan on Jan. 19, 1931. She lived in the area all her life.

Her two young sons, Teddy, 3, and John Kim, 2, are in the care of her parents, Mr. and Mrs. J. B. Sample of Bryan. Sample is employed by the Agricultural Information Office at A&M.

Anderson, a Navy veteran who served aboard an aircraft carrier in the Korean War, was present at his 8 a.m. class Monday morning. He is an industrial engineering major.

Mrs. Anderson carried no insurance at the time of her death and hospital and funeral bills are tremendous. In order to help pay some of the bills, a group of Anderson's friends in the College View housing unit are planning a house-to-house donation drive in College View Wednesday night.

In addition, A&M Student Senate's Campus Chest has taken initial steps to contribute funds to the family. Don Rummel, chairman of the Student Welfare Committee, said the Chest would give \$300 to the cause. The Chest, set up to aid students financially in time of emergencies, has a bank

balance of \$382.7, according to Rummel.

Funeral services were held in Hillier Funeral Chapel with the Rev. R. D. Longshore, pastor of the First Baptist Church in College Station, of which Mrs. Anderson was a member, officiating. He was assisted by the Rev. R. L. Brown, pastor emeritus of the church, and the Rev. W. C. Beasley, pastor of Bryan's Emmanuel Baptist Church. Burial was in Bickham Cemetery.

Other survivors include two sisters, Mrs. T. A. Shipley of Grand Prairie, and Miss Mary Ann Sample of Houston.
