Tessie Visitors

Five Tessies attended yell practice last night to invite all Aggies to attend a pre-Corps Trip Dance in Denton this weekend. The group from left to right included: Sallie Puddy, Beverley Blount, Sandra Siefers, Millie Rowland and Susan Maxwell.

Corps Cadet Adds Up \$1,287 Toward Chest

By BILL REED
Battalion News Editor

The first leg of the 1958 Campus Chest drive progressed in good fashion Saturday morning in the Cadet Corps area as \$1,287.32 was donated by Corps students, according to Don Rummel, Campus Chest chairman.

Everything was "fairly pleasing" to Rummel and John Thomas, Student Senate president.

All Corps units were contacted with the exception of about 10 squadrons and companies.

"One outfit which we did not collect from during the one-hour period from 8 to 9 Saturday morning gave us an I.O.U. equal to 'a dollar per Aggie,'" Rummel said.

Last year only \$1,875 was collected by the chest committee from the entire student body. The goal was \$7,000.

Besides having several units yet to contribute, the Civilian Students, married students and Day students have yet to be contacted.

During commander's time Saturday, each unit commander appointed one man to mingle with the men in his outfit to give them an opportunity to contribute to the chest which is designed to help Aggies buddies in need of financial aid.

After this money was gathered into one lump sum, the unit representative turned the donations over to the group or battalion sergeant major, who in turn transferred it to the wing or regiment level.

Members of the chest committee then went around and picked up the contributions and proceeded to count it, finally coming up with the final count.

Civilian students will be given a chance to donate to the cause today, according to Charles Graham, Civilian committee chairman.

"We have made plans to contact every Civilian and married student enrolled at A&M and we hope to get our 'dollar per Aggie,'" he said.

Students living in College View and Project House area will get their chance to give to the fund Nov. 11, Graham said.

Freshmen Wear Spurs As SMU Clash Nears

By LEWIS REDDELL
Battalion News Editor

"I've Got Spurs That Jingle-Jangle-Jingle," is No. 1 on the freshman hit-parade this week as is evident with the new addition to the uniform being worn by the Class of '62.

The fish are having their turn

at wearing the traditional "fish" spurs, worn each year before the A&M-Southern Methodist University football game.

Wearing spurs has been a tradition at A&M for over 33 years, with the idea starting around 1925, according to P. L. (Pinky) Downs, official greeter for the college.

"Since every Aggie wanted to ride and tame the SMU mustang, Peruna, they thought spurs were necessary," Downs said.

The disadvantage of wearing the spurs is the monotony involved in putting them on and taking them off whenever leaving or entering a building. The fish are required to wear them outside, but must shed them anytime they enter any building on the campus. Few freshmen are sad when game-time comes and the spurs can be put away, although many keep the articles for mementos of their freshman days.

Most of the spurs are made of simple materials, such as coat hangers, bottle caps, wax and shoe polish cans and tape, although some are more elaborate, sporting miniature flags.

Although it is usually a freshman privilege to wear spurs, members of the Class of '59 set a new precedent in 1956 when they donned the spurs for a week along with the freshman class. The sophomores wore spurs as punishment for an incident which occurred at a ball game the week before.

A&M Campus Has 1,741 Visitors

Some 1,741 visitors were on the A&M campus during October.

P. L. Downs Jr., official greeter for the college, said the visitors attended short courses, conferences and other scheduled events.

Total number of visitors from June through October was 8,527.

TWU Students Invite Aggies To Friday Ball

An invitation to all Aggies to visit Texas Women's University and attend a pre-Corps Trip dance, was given by a delegation of five Tessies at yell practice last night.

The five included: Millie Rowland, '58 Aggie Sweetheart; Susan Maxwell, president of the TWU Student Council; Beverley Blount, president of the Student Finance Council; Sallie Puddy, junior class beauty; and Sandra Siefers, vice president of the freshman class.

Miss Maxwell introduced the girls to the group, each in turn issuing invitations for all Aggies to attend the dance in Denton Friday night.

All Aggies who don't have dates were invited to Denton by Miss Puddy, who said, "This dance is the best opportunity to bring our two schools together."

Miss Blount told the group, "We want the Aggies to do two things this weekend, come to TWU and beat SMU."

Miss Siefers issued a special invitation to all freshmen to attend the dance.

Miss Rowland said, "I hope you will be as pleased with me as I am honored to be your Aggie Sweetheart."

Pretty Judy Edwards, vocalist from the University of Arkansas, is pictured above singing one of her popular ballads at Friday night's Cafe Rue Pinale.

United Chest Drive To Be Launched In College Station

Brochures, listing all information on the College Station United Chest Drive, will be distributed Nov. 10.

Attempt will be made to get a brochure into every home and business in College Station and every department of the A&M Campus.

"We are distributing forms and information in a way that should get results quickly," said Gibb Gilchrist, general chairman for the drive. "We earnestly request your full cooperation to that end."

Zone captains will be announced Wednesday, and they will begin picking up checks Thursday. Second visits of zone captains will be Nov. 13.

"We believe that we can accomplish our objective of completing the campaign within two weeks," said Gilchrist.

Goal for the drive, set for Nov. 1-15, is \$18,727.

Miss Carol Cozart Reigns Over AF Ball Second Time

Carol Cozart, for the second time in four years, became Air Force Sweetheart Friday night at the annual Air Force Ball held in Sbis Hall.

Miss Cozart, a pert blond from Dallas, went through the same procedure she participated in at the 1955 Air Force Ball and again charmed the judges with her winning smile to receive the 1958 crown.

And proudly looking on, just as he did when a freshman, was Vic Lucas, Squadron 9 commanding

Bitter Campaign In Hands of Voters

WASHINGTON (AP)—The angry words of a bitter campaign faded today and it is left up to the voters: will they gratify the sky high hopes of the Democrats, or surprise the experts with a Republican triumph? More than 76 million men and women are eligible to vote today and about 48 million are expected to.

Their votes will decide which party will control Congress for the next two years—and by how much—and they'll choose the men who'll govern 32 states.

Their votes may indicate, too, how blow the winds for the 1960 presidential campaign.

A 48-million voter turnout would be a record for a non-presidential election year.

The Democrats grew so confident of sweeping gains that one of their top strategists, Sen. George Smathers of Florida, talked somberly of the duties that devolve on those in a place of great power.

Republicans made no sweeping claims. They talked hopefully, though, of startling upsets they said were in the making, something like the upset former President Harry Truman administered to overconfident Republicans in 1948.

In this 1958 campaign, Truman admonished his party not to grow too confident, but in the end he too threw restraint to the winds. He predicted the biggest Democratic landslide since 1932 when the Franklin D. Roosevelt years began.

Truman, 74, was the most vigorous of the top Democratic campaigners. Vice President Nixon, 45, carried the ball hardest for the Republicans. However, President Eisenhower, 68, got in some surprisingly hard blows himself.

Honor Code Discussed at A&S Meeting

The Arts and Sciences Council last night appointed committees to study honor codes in operation at other universities in the nation and to look into possibilities of beginning a Phi Beta Kappa honorary fraternity at A&M.

The council, because of its purpose of helping academics at A&M, decided to look into the honor after discussion from the floor. Grady Barr, president, said he hoped any findings might be used by the Honor Code Council already active on the campus.

Frank Buchanan was appointed chairman of the committee, while James Barlow, Jerry Young and Jay Hirsch were designated as his assistants.

Harley McAdams was appointed chairman of a committee to study organization of a Phi Beta Kappa fraternity on the campus. Also appointed to the committee were J. Doyle Stewart and John Morris.

George H. Schlesselman, Acting Dean of the School of Arts and Sciences, told the group that members of the administration were in the process of revamping the student activity point system, and should dreveal a new criteria soon.

Agriculture Group Initiates Students

Twenty-four undergraduates in the School of Agriculture were initiated into the Texas Alpha Chapter of Alpha Zeta, national agricultural honor fraternity, at the formal initiation ceremonies held in the Dairy-Biochemistry building at 7:30 last night.

John G. Thomas, chancellor of the Texas Alpha Chapter, presided over the ceremonies. He was assisted by Kent Potts, and Hagan Lippke, scribes; Curtis Van Zandt, treasurer; and Robert Gooch, chronicler.

The initiates were welcomed into the fraternity by the Chapter's Faculty Advisor, Dr. Murray Brown, Department of Dairy Science, and Dr. G. T. King, Department of Animal Husbandry.

New members of the Texas Alpha Chapter are: Robert P. Baugh, Charles M. Bell, Henry E. Blazek III, Henry J. Bonorden, James A. Carberry, Corbett D. Crabtree II, Kirby P. Cunningham, Frederick J. Duderstadt, Eugene P. Foerster, William B. Gay III, Raymond V. Hart Jr., Edward W. Hill, John H. Keith, Lovell W. Kuykendall, Jerry C. McDaniell, Norman L. Mahrenholz, Allen A. Marburger, Alton M. Moellering, George W. Ohlendorf, Boyd S. Procter, Jack W. Rapp, Johnny Watts, Donald E. Whitt and Elmer E. Willard.

U. N. to Form Disarmament Commission

UNITED NATIONS, N. Y.—In a rare display of unanimity the United Nations voted Monday night to set up an 81-nation disarmament commission for 1959. The move to end the long-standing stalemate on U. N. disarmament negotiations came in the 81-nation political committee, where the United States and the Soviet Union reached agreement on operating rules for the enlarged commission.

Voting Light In Cuban Election

HAVANA—Voting under the protection of Batista government guns was light in Cuba's presidential election.

The rebels of Fidel Castro had called for a vote boycott and threatened violence to voters and death to candidates.

Many intimidated or apathetic thousands of the nation's 2,870,000 eligible voters stayed away from the polls.
