The Church is the greatest factor on earth for the building of character and good citizenship. It is a storchouse of spiritual values. Without a strong Church,

neither democracy nor civilization can survive. There are four sound reasons why every person should attend services

regularly and support the Church. The are: (1) For his own sake. (2) For his

community and nation. (4) For the sake of the Church itself, which needs his

moral and material support. Plan to go to church regularly and read your Bible
