

Ag's Don Jones Bowls Outstanding 264 In MSC Bowling Committee Competition

A torrid 264 by Don Jones of the Squadron 14 led bowlers in the MSC Bowling Committee League Monday night. He coupled 188 and 212 games to lead in series play with 664.

Jones, a freshman from Odessa, will lead the A&M bowling team against the University of Houston in a five-game series match scheduled for 3 p.m. Saturday in the MSC Bowling Lanes. His 194 season average leads the next highest Aggie bowler, Larry Dantzer, by 10 pins.

Other members of the Aggie Bowling team are Bob Brown, 190; Ken Savage, 180; and Tony Servello, 178.

"Houston promises to be the toughest team we have faced this year," Jones said. Houston last year won the Southwest Conference Invitational Bowling tournament which will be hosted this year by A&M.

A plaque has been awarded to Jones by the American Bowling Congress for his outstanding game and series. The plaque is reserved for bowlers who have a 250 or better game accompanied by a 650 or better series.

John Geiger, manager of the MSC lanes, is the only other bowler at A&M to have received this same award.

The plaque belonging to Jones, who is publicity chairman of the MSC Bowling Committee, can be seen at the desk of the MSC Lanes.

Best one-game record for ball-carrying by a Harvard football player was turned in by Hal Moffie when he averaged 13.5 yards on 11 tries against Yale in 1948.

There are 90,000 4-H Clubs for youngsters in the United States and its possessions.

Aggies Host Steers, Cougars In Triangular Meet Saturday

The Texas Aggies open the 1959 track season Saturday afternoon, playing host to the Houston Cougars and the Texas Longhorns in a triangular meet in Kyle Field.

Running events begin at 2:30 p.m. with the varsity 440-yard relay. Freshman events will be held intermittently between varsity clashes with field events beginning 30 minutes earlier at 1:45.

Texas, featuring such performers as sprinters Eddie Southern, Hollis Gaine and Wally Wilson along with distance ace Joe Villereal, is expected to be the class of the meet. However, the Cougars may prove able to make the Steers work for the title.

Southern, 1956 Olympic star, is not entered in the middle distance events, but will give aid to Texas in the sprints and the relays. He will also participate in one of his specialties, the 120-yard high hurdles. Southern has tied for three Southwest Conference records—the 100, 220 and 440-yard dashes—and holds the 120 yard high hurdles record outright at 14.3.

Boasting a wealth of depth, the Longhorns have Gaine, Wilson and Alspaugh, who together with Southern compose the Texas sprint relay team, to give much added strength. The Texas sprint relay team claims the SWC record in a blistering 40.0.

In the mile relay, Southern, Wilson, Gaine and Drew Dunlap will attempt to better the SWC record time of 3:11.6 established by the Longhorns last year.

Joe Villereal, who also joins the Texas group of record holders for running the mile last year in 4:10.5, should be the best of the distance men. He will compete in the 2-mile event.

However, Villereal will have the Cougars' Jerry Smartt to tangle with in the run. The Houston distance star set the meet record last year in Austin with an excellent 9:35.2.

The Cougars also sport a formidable troupe of sprinters in Andy Anderson, Stan Levenson, Charley Gary and Jack Parrington. But they are not expected to be up to the Texans' standards.

The Farmers will feature Ernie Uribe in the sprints and cross-country star Freddy Dulock in the distance events. The Aggies have Uribe, Bobby Clark, Ronny Kirkpatrick and Harvey Cash entered in the 100-yard dash, and relays, along with Clark and Robert Connoway in the 220. In the middle distance events, Cash, Kirkpatrick and William Palmer will compete in the 440-yard dash and Charles Hajovsky in the 880. Uribe will face Southern in the 120 and 220 hurdle events.

NCAA Colleges Battle For Tournney Positions

NEW YORK (AP)—One of eight vacant places in the third NCAA College Division Basketball Tournament will be filled today and at least one more Saturday. Within a few more days the entire 32-team tournney probably will be filled.

The NCAA Services Bureau Thursday named 14 teams that already have been selected along with Willamette of Oregon.

The Mason Dixon Conference Tournament, the winner of which automatically qualifies for the NCAA eastern regional playoff, ends Saturday. American University and Baltimore lead the conference.

The Middle Atlantic States Conference and Tri-State League champions also are automatic qualifiers for the east regional. Both probably will be decided by play-offs Monday.

The NCAA Service Bureau Thursday listed Southwest Missouri, South Dakota State, Knox Ill., Sacramento State and North Carolina A&T as conference winners who qualify automatically for the college division tournament.

Swartout Quits Longhorns For High School Position

AUSTIN (AP)—Jack Swartout, assistant football coach at the University of Texas the past two seasons, has resigned to accept a new post as head football coach at Olympia, Wash., High School, the university said yesterday.

Swartout was an assistant under Darrell Royal at the University of Washington for one season before following Royal to Texas. The vacancy created by Swartout's departure will be filled by Bill Ellington, Tascosa (Amarillo) High School coach.

"I've always considered the Olympia job one of the best in the state," said Swartout. "I hate to leave the university, but I consider the move best for me and my family."

Swartout is a native of Prosser, Wash., where he was a football, basketball and baseball standout in the late 30s. He is a graduate of the University of Montana.

"After being together three years and working together as coaches work, Jack's leaving is a disappointment to the whole staff, but we are very happy for him," Royal said. "Olympia is lucky to get him."

Swartout will continue on the UT staff until mid-April.

HOW THAT RING GETS AROUND!

THE TAREYTON RING MARKS THE REAL THING!

A FAR REACHING ADVANCE IN FILTER SMOKING!

From Me. to Mo. and clear out to Calif., New Dual Filter Tareytons have quickly become the big smoke on American campuses.

Why so? It's because the unique Dual Filter does more than just give you high filtration. It actually selects and balances the flavor elements in the smoke to bring out the best in fine tobacco taste. Try Tareytons today—in the bright, new pack!

THE REAL THING IN MILDNESS... IN FINE TOBACCO TASTE!

NEW DUAL FILTER Tareyton

Product of The American Tobacco Company "Tareyton is our motto name" (© A. T. Co.)

Here's why Tareyton's Dual Filter filters as no single filter can:

1. It combines the efficient filtering action of a pure white outer filter...
2. with the additional filtering action of ACTIVATED CHARCOAL in a unique inner filter. The extraordinary purifying ability of Activated Charcoal is widely known to science. It has been definitely proved that it makes the smoke of a cigarette milder and smoother.
