

Ag Field and Track Squads Ready for Border Olympics

Coach Charley Thomas' field and track squad, feeling a lot better after its second place finish in a triannual meet Saturday, don their traveling togs Friday and move to the Border Olympics in Laredo.

The Aggies will field a squad of 25 men against more than 1,100 athletes who will be on hand Saturday to compete in this top border track meet.

Star-studded Texas and East Texas State are favored to repeat with championships of the university and college classes. Ten schools have entered the university class—Texas, SMU, ACC, Rice, North Texas, Houston, Texas Tech, TCU, A&M, Baylor and New Mexico.

A&M's chances for copping any first places are pretty slim. Possible winners could be Charles Vance and Jerry Davis in the pole vault. Both Ags hit 13.6 feet in the triangular meet Saturday and could go on to greater heights.

Another possible first could come when Ernest Uribe takes to the 220-yard low hurdles. Uribe placed first in the lone meet this year with a time of 25.2.

Records are expected to fall right and left when the university class moves out onto the track.

Eddie Southern, Wally Wilson and Bruce Parker of Texas lend the favored list. Southern has run a 100-yard dash at 9.8 this year and that was into a 1 1/2 m.p.h. wind. Wilson has knocked down a 48-3, 440-yard dash while Parker has sailed the javelin 213.8 feet.

Dale Mosley of Rice could set a new record in the broad jump, Don Stewart of SMU in the high jump and Joe Villareal of Texas in the mile and half mile.

Aggies planning to make the trip are Henry Bonorden, shot and discus; Jim Brewer, javelin; Don Carver, two miles; Harvey Cash, 440-yard dash and both relays; Bob Clark, low hurdles and pole

vault. Robert Connaway, 440-yard dash; Herry Davis, pole vault; Lee Daniels, hurdles; Donnie Douglas, pole vault; Fred Dulock, two miles; Olin Garrison, hurdles; C. J. Hajovsky, 880 and mile relay; Owen Hill, discus and shot put; Jimmie King, two miles.

Ronnie Kirkpatrick, 440-yard dash and both relays; Newton Lamb, javelin; John Long, javelin; Frank Madura, high jump; Charlie Merka, high jump; Billy Parlmer, 440 and mile relay; Donald Tax, broad jump; Urbie, hurdles and 440 relay; Vance, pole vault; and Ronald Whiteley, low hurdles.

Down the Alley

Larry Dantzer, a top bowler on the A&M bowling team, sends the ball skimming down the alley in the Memorial Student Center lanes. The Aggie team is undefeated in five matches and will travel to San Antonio tomorrow for its next match.

Rain Stalls Corps Play After Week of Action

Rain finally brought a temporary halt to the Corps Baseball Program last night, but not before fair weather last week and Monday allowed each of the 16 teams to play one game.

Not too much of a story was told by those first four games in each league as far as top contend-

ers for the crown are concerned. Bats were comparatively quiet, pitching was comparatively effective and scoring was comparatively low.

After the rain break last night (and the skies were cloudy today) the picture may develop a little sharper focus as the leagues head into their second 4-game series. By now hurlers have their arms in a little better shape and hitters have sighted in their batting eyes a bit.

Two ties in the time limit contests marked Air Force League action last week, while the 5th and 6th groups both won their openers to tie for an early circuit lead.

In the Army League, four teams are knotted for the top slot. One forfeit due to a schedule misunderstanding left a blob in the league.

Opening night last Wednesday saw the 2nd Group and Band tie, and the Engineers whip Composite, 4-1. On the following night the 1st Group and Civilians played to a 1-1 deadlock in the Air Force, while Armor nosed out the Army Civilians, 1-0.

Friday night saw the 6th Group take the 3rd Group, 2-1, while the Vet-Med battalion came from behind to defeat Field Artillery, 4-3. Monday night defending champion 5th Group bumped the 4th Group, 2-0, while the Service battalion forfeited its game to Anti-Aircraft Artillery. Tuesday night's scheduled games were postponed due to the A&M basketball game and last night's games were rained out.

If the weather allows, play will resume tonight with the 5th and 6th Groups squaring off at 7:30, while the Service battalion meets the Vet-Med team at 9:15.

A&M Rifle Team Enters Tourney

The Aggie Rifle Team will travel to El Paso this weekend to take part in the Southwest Invitational Rifle Meet in which 45 schools will participate. The small bore tourney will match the marksmanship of schools throughout the nation.

Sgt. Malcolm Wilson, coach of the rifle team, said the next and final meet, sponsored by the National Rifle Assn., will be against Texas March 21 in Austin.

Like the basketball team, the rifle team has had trouble with TCU. Said Sgt. Wilson, "We just couldn't seem to get around them. They weren't good but we managed to be worse." A&M has a 3-2 conference record.

Wilson said his traveling team consists of senior Larry Myers; junior John Dalby; sophomores Otis W. Fine, Robert F. Collins, Jack Fraim and David Webb; and Freshmen Dickie Adams and Jose Mier.

According to NRA rules, Wilson said, there are three firing positions: prone, kneeling and standing. Winchester M52 rifles—22 calibre weighing 13 pounds—are used. Six men fire 10 rounds in 10 minutes in each position at an 11-bull target. The best five of the six scores are added for the total team score.

Future Dim for Tennis Team

Tennis, long a declining sport at A&M, threatens to drop even further this year.

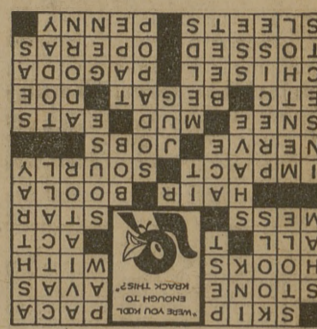

Coach Beau Bell expressed doubt that the netters would be able to put together a successful season. In fact, Bell felt the chances of the team were "not too good."

In this, his first year as tennis coach, Bell is faced with an inexperienced group. The lone returnee from last year is Robert Jones, a member of the 1958 team which finished fifth in the Southwest Conference.

The team will play its first match in San Antonio against Trinity University on April 7. The first conference match will be April 18 when it meets Texas in Austin.

As yet, Bell has not selected his squad for the 1959 season.
