

## Carroll, Swisher Lead Post-Season Statistics

Seniors Archie Carroll and Neil Swisher led the Aggie basketball statistics as the season closed with the Farmers mired deep in a tie for fifth place with the Arkansas Razorbacks.

Carroll closed out his college career with a season total of 220

points in conference play, an A&M record of most points scored in one conference season. The lanky Ag also set a new mark in most field goals in one season with 142 to his credit.

Rebounding was another first for Carroll as he led the Farmers in that department with 96. Among the conference's leading scorers, the athlete rated a fifth position, 10 points separating him from the No. 2 slot.

Swishing Swisher, a starter for three consecutive years, set a new record of most points in three seasons of play with his total of 983. During conference play this year Swisher hit at a .418 clip for 206 points.

Wilmer Cox, the junior college transfer who worked his way into a starting role on the Aggie five his first year at A&M, averaged 19 points per game for 141 points over conference play.

The big redhead from Philadelphia, Jim McNichol, finished up his eligibility at A&M with an even 100 points. McNichol was the most accurate Cadet on the free throw line as he sank 36 of 44 for an .818 percentage mark.

Everybody wondered where Kelly Chapman was after he became eligible at the start of the spring semester until the high jumping transfer found himself in the final two games to score 28 points and finish the season with a total of 39. Chapman duplicated his scoring feat in rebounding with the same amount, 39.

Wayne Lawrence, the 6-7 junior who was injured for half of the conference season, was fifth in Aggie scoring with 79 points. Lawrence played in only seven conference games while his teammates participated in 14.

# First Home Game Today for Aggies As Baseball Season Opens at A&M

Baseball steps into the limelight today when the Aggie baseball team trots onto the diamond to face the University of Houston squad in A&M's first home game of the season.

The Aggies, now in their first season under Coach Tom Chandler, dropped their season opener Monday to the Sam Houston Bearkats, 4-2. Chandler's squad will face the Bearkats in a return match Saturday on the Kyle Field diamond.

Scheduled to be on the mound for the Cadets today are senior Donnie Hullum and sophomore Joe Thompson. Hullum's pitching form has been delayed this season by a sore arm, the same affliction that plagued the slim righthander last season. Thompson was one of the

top two pitchers on the freshman squad last year.

Co-captain Gary Herrington will be at the catcher position calling the signals. Herrington, a two-year all-conference player, batted .367 last year and led the team in total bases, home runs and doubles.

At first will be sophomore Dick Hickerson, the top hitter in the game against Sam Houston. In that contest the tall athlete went to the plate three times and banged out two hits against a pitcher who had been working out 11 weeks.

The double play twosome will feature Dink Patterson at second and Rudy Phifer at shortstop. Both men were starters and lettermen on the 1958 Aggie team.

Third base is anchored down by

reliable Wendel Reed. Senior Reed was an all-conference player in 1957 but failed to letter last season under former coach Beau Bell.

Two sophomores and a senior will roam the outfield for the Cadets. The sophomores are left-fielder Byron Barber of Dallas and centerfielder Clifford Davis of Corpus Christi.

Lloyd Stone will hold forth in right field. Stone was one of three Aggies last season who were able to bat over .300, hitting a nifty .306. Stone, a lefthander, won honorable mention for all-SWC last season.

Chandler should start the same outfield and infield against Sam Houston Saturday with the exception of the pitchers. Moundsmen will probably be Percy Sanderson, the starting pitcher against Sam Houston last Monday, and Wayne Schaper of Galveston.

Also scheduled to see duty on the mound either Friday or Saturday is sophomore Larry Ayres, another Aggie who faced the Bearkats Monday.

Possible replacements for the Aggie infield and outfield are Dickie Thomas, a returning starter in the outfield; Don Chase and sophomore Randy Wortham at catcher and Bo Paradowski, one of the top three hitters last season, at first base. Paradowski sees double duty as a pitcher.

The first conference game will be against the defending champion Texas Longhorns March 21 at Austin.

## Baseball Coach Chandler Makes Dream Come True

As Coach Tom Chandler sends his charges onto the baseball field today he'll have some long range backing in the person of George J. Kempen, a former student who always dreamed of Chandler holding the reins at Aggieland.

Kempen, '21, knew the former Dallasite for nine years when Chandler was a player and manager of the Alpine Rangers, a semi-pro team that Ag Gary Herrington played with for the last couple of years.

The Alpine baseball enthusiast saw his dream come true when Jim Myers, athletic director at A&M, named Chandler coach at the beginning of the spring semester. The alumnus was the first person Chandler called when he heard of the appointment.

Kempen made Chandler promise him that at the first Aggie ball game he would send him the ball that the A&M pitcher used to throw to the first batter, and he wanted it autographed by the players and Chandler.

One condition was agreed on, though, before Kempen would

agree to accept the ball—that first pitch couldn't end up as a home run for the opposing team.

## Swisher Captures All-SWC Position; Archie on 2nd Unit

Neil Swisher, captain and senior guard for the Aggies, has been named to the All-Southwest Conference Basketball Team, the Associated Press announced last night.

Archie Carroll, senior center, was picked to the second team in balloting among the coaches. Along with Swisher on the first team were H. E. Kirchner of TCU, Bobby James of SMU, Leon Hill of Texas Tech, and Tom Robitaille of Rice.

Other second team choices were Ronny Stevenson of TCU, Clyde Rhoden of Arkansas, Charlie Lynch of Texas Tech, and Max Williams of SMU.

Honorable mention went to Bob Turner, Carroll Dawson and Gene McCarley of Baylor; Bobby Puryear of Texas; Derrill Nipert and Kenneth Brunson of TCU; and Dale Ball of Rice.

HOW THAT RING GETS AROUND!

**Tareyton**  
DUAL FILTER

**THE TAREYTON RING MARKS THE REAL THING!**

THE REAL THING IN MILDNESS... THE REAL THING IN FINE TOBACCO TASTE!

They were introduced only last semester, and already, New Dual Filter Tareytons are the big smoke on American campuses! How come? It's because the unique Dual Filter does more than just give you high filtration. It selects and balances the flavor elements in the smoke to bring out the best in fine tobacco taste. Try Tareytons today—in the bright new pack!

Here's why Tareyton's Dual Filter filters as no single filter can:

1. It combines the efficient filtering action of a pure white outer filter...
2. With the additional filtering action of activated charcoal in a unique inner filter. The extraordinary purifying ability of Activated Charcoal is widely known to science. It has been definitely proved that it makes the smoke of a cigarette milder and smoother.

**NEW DUAL FILTER Tareyton**
