

Grunt 'n Groan

Hiram French, Squadron 5 commanding officer, puts the squeeze on the neck of Norman Morrison, Allen entry, in the finals of the heavyweight class of Intramural wrestling championships. French won the match by a 3-0 point decision.

Ags, Bulldogs Battling Today

Texas Lutheran College has a motive of revenge in its invasion of Kyle Field for a contest with the Texas Aggies that began at 3 p. m. this afternoon.

Last year the Farmers swept two straight from the Bulldogs, a team noted for its unusual mastery over the larger Southwest Conference schools.

The Cadets boast a 1-2 season record with a triumph over the University of Houston Cougars and two losses at the hands of the Sam Houston Bearkats.

No lineup change is expected by Coach Tom Chandler as the Aggie attack again centers around Gary Herrington, the hefty All-Southwest Conference backstop.

Eighteen Ag Wrestlers Win Intramural Finals

By **ROBBIE GODWIN**
Battalion Staff Writer
Only five pins in 18 matches attested to the rough-and-tumble action seen in DeWare Fieldhouse last night as the Corps wrestling champions were determined. There was only one forfeit match. Renedy Ray of Squadron 11 forfeited to Don Lieske of Squadron 4 because of a broken collar-bone suffered in practice. Squadron 1, Squadron 4 and A Infantry posted three wins each. Two freshmen, E. A. Haner and Bernard Haegelin won in point decisions for Squadron 1, and Gordon Gunter took one upperclass-

man match on a point decision. Squadron 4's John Porter pinned Bill Sternberg of B Armor to get the first win. Wendell Edwards won a close 3-2 decision for the second, and Don Lieske's forfeit win provided the other. All of the Infantry crew's wins were in the upperclassman division. Byron Stone started things off with a 6-5 decision over Joe Razo of Squadron 1. Roy Boswell downed Don Patton of A Com-

posite and Gene Beyer took a 3-0 decision over Albert Hoyt of Squadron 3. Beyer had 180 seconds of riding time in the match. Intramural wrestling medals were presented to all the winners as they finished their matches. The fastest pin was recorded by Boswell as he pinned Patton in 20 seconds of the first round. Proposed Bill Bids To Legally Hunt With Bow 'n Arrow

Archery enthusiasts of some Texas counties may soon have the month of October all to themselves for deer hunting.

A bill recently passed in the Texas House would set this period aside for the bow and arrow hunters of 100 counties. The bill contains certain specifications for type of bow and arrows to be used and also sets penalties for violations.

Knox Walker, head of the Brazos Bowmen, local archery club, said he was unable to find out if Brazos County is among the counties effected. But, said Walker, Sen. Bill Moore has pledged his support and will attach a rider to include Brazos County if it is not already in the group.

The local archery club, which backed the bill in this area, was organized two years ago and now has 25 members. It is a member of the National Field Archery Assn. The club plans to hold several tournaments this year and sponsor an archery recreation program for the youth of the community in the summer.

Top Prep Athletes Sign Intent Letters

Three outstanding high school football prospects have announced they will attend A&M on athletic scholarships.

Jim Myers, head coach and director of athletics, announced the three are Mike Gieb, Garland tackle, and Bill Miller, tackle, and Dru Houghton, center, both of Dallas Highland Park high school.

The three prep stars, all of whom will sign with A&M at the conclusion of spring sports, were contacted by Bud Sherrod, No. 1 assistant on the Aggie staff who is the A&M recruiter in north Texas.

Gieb, a 6-0, 220-pound all-dis-

trict, all-state and all-American tackle at Garland, will be a blocking back at A&M. He will play in the all-star game at the Fort Worth coaching school next August. Gieb is now participating in track.

Miller, 6-4, 245 pounds, also is in track while Houghton, 6-1, 190, is a baseball player for Highland Park.
