

Exchange Students Impressed by A&M

By BOB ROBERTS
Battalion Staff Writer

"Americans are hard-working, but still enjoy a great deal of leisure time. We have enjoyed working in this country very much."

This was the statement made by Dr. Hyun Soo Lee and Dr. Jung Kyu Kim, exchange students at A&M this semester.

Lee and Kim, both from South Korea, are studying in this country through the efforts of the International Corporation Administration. The ICA is part of the foreign student exchange program which the U. S. government is helping sponsor. The government helps finance technical training in America colleges for foreign students.

Both men are working with the School of Veterinary Medicine here. Both have doctor's degrees in veterinary medicine—Lee is a bacteriologist and Kim is a virus specialist.

Lee said the ICA recommended A&M for their study while in the United States. They will be here

for the spring semester only. After leaving A&M, Lee is going to the Jensen-Salsbury Laboratories in Kansas City for five months. Dr. Kim, who has only one month left in this country after this semester, is unsure of his next destination.

Kim, 32, received his degree from the Jinju Agriculture College of South Korea. He served as a second lieutenant in the medical corps of the South Korean Army during the Korean War on special orders. He has a brother who is a captain in the South Korean Marine Corps.

He is married and has four children, two boys and two girls. His family is living in Pusan, South Korea, while he is in the United States.

Lee, 41, received his degree at the American-staffed Seoul University in Seoul. He also served on special detail for the South Korean Army during the Korean War as a first lieutenant for the Korean National Institute of Veterinary Research.

Born in Chiju, Lee had polio in his left leg when he was 37, but has now completely recovered. He is married and has five children, two boys and three girls. His wife and children are living in Pusan, on the southern coast of Korea, while he is in the U. S.

Speaking about A&M, Kim said, "I like it here very much, the people are very kind and helpful." Lee likes it here also. He said, "I like to study here very much, it is a very good school."

Sunday is a Special Day

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Luke	19	28-44
Monday	John	18	1-14
Tuesday	John	18	15-27
Wednesday	John	18	28-40
Thursday	John	19	1-16
Friday	John	19	17-30
Saturday	John	19	31-42

Sunday is a special day for Sheila. She likes to go to church.

For one thing, the church is beautiful. Sheila likes to look at the soft light filtering through the colored glass windows. She likes the delicate scent of the beautiful flowers, and the majestic tones of the organ. She likes to sing, too, and she knows several hymns "all the way through," even without the hymnal to guide her.

She particularly likes this season because she knows that Palm Sunday is a time for special rejoicing in the Church.

Sheila feels the way she does because her parents have taught her that going to church is a privilege and a joy. Is Sunday just another day for your child, or is it—as it is for Sheila—a special day?
