

# Ags Bomb Comets Twice

The hard-hitting Aggie nine pounded out 14 hits Friday to down the Brooke Army Medical Comets, 13-5, at San Antonio. The win marked the second straight victory over the Comets in two days as the Aggies also won Thursday by a 13-10 score in 14 innings.

Percy Sanderson pitched the first five innings to earn his second win of the year against one defeat in Friday's game. Larry Ayres wound up mound duties for the Farmers.

Clifford Davis, sophomore right-fielder, was the big gun in the Cadet attack. The redhead had a double and two singles in four

trips, batting in five runs. Windel Reed, Byron Barber and Dink Patterson each got two hits as the Aggies battered Comet pitching in the two-game series for 34 hits.

A&M scored two in the second on a walk, Dick Hickerson's double and Davis' single. After the Comets went ahead 3-2 in the bottom of the second, the Farmers came back with two more runs in the fourth on a walk, Ralph Plumlee's single and Davis' double.

The Cadets sent 11 men to the plate in the seventh frame and counted seven runs on six hits. The Comets finished their scoring

in the ninth inning on two hits and a walk off Ayres.

The Aggies, currently leading the Southwest Conference base-

ball race with a 2-0 record with wins over the touted Baylor Bears and the Texas Longhorns, travel to Dallas today to face the dan-

gerous SMU Mustangs.

Ayres, the powerful righthander, is expected to start the game on the mound for the Farmers.

## Farmers Open Spring Drills Under Dark Clouds, Winds

Threatening skies and gusty winds failed to halt the 1959 Aggie football team from emerging from under the Kyle Field stadium today and onto the practice field for the first day of spring drills.

Coach Jim Myers, now in his second year as head coach and athletic director at A&M, sent his 70-plus charges through drills aimed at bringing the squad to top condition in a short time.

Myers termed the first day of drill "a pretty good practice session." There was a lot of helmet knocking and many solid blows landed during the two-hour session.

Once again the Aggie staff divided the squad into three main teams. The red shirts held down the top position followed by the

blue and green shirts. White-shirted team members put the top candidates through their paces.

The drills were divided into offensive and defensive sessions that both ran at the same time, thereby allowing more players to participate.

Running with the red shirts the first day were Jack Estes and Ralph Smith, ends; Bill Darwin and Gale Oliver, tackles; Allen Goehring and Carter Franklin, guards; and Roy Northrup, center. Leading the candidates for the

starting backfield roles were Charley Milstead, quarterback; Jon Few and Randy Sims, halfbacks; and Gordon LeBoeuf, fullback.

This is essentially the same team that finished the season against Texas Thanksgiving day except for Sophomore Few in the backfield, Smith and Estes at end and Darwin at tackle.

Injuries include a cut on Jim Murphy's chin that required a few stitches, Bill Roberson's broken nose and Elton Caldwell's mouth injury.

## Ag Track and Field Teams Finish Second in Houston

The Aggie track and field squad, coached by Charley Thomas, scored 36 points in a triangular meet with Texas and Rice Thursday to finish second behind the Longhorns who ran away with the meet with a total of 100 points. Rice garnered 33.

The fleet Ernesto Uribe scored a first in the low hurdles and finished second in the high hurdles to led the Cadet runners.

Other second place finishers for the Aggies were Charles Merka, Frank Madura and Bobby Thomas who tied for second in the high jump with 6-foot leaps; Henry Bonorden, shot put; Freddie Du-lock, two-mile run; and Charlie Vance and Donnie Douglas, pole vault.

The Cadet freshman outscored their varsity counterparts but still had the second place ribbon

hung around their shoulders as they scored 41 points, Texas 97½ and Rice 16½ in the freshman division.

A&M's frosh scored one first and seven seconds in the meet. Thad Crooks was the lone winner for the Farmers as he romped home in the 880-yard run with a time of 1:57.3.

Second place finishers were the 440-yard relay team composed of Frank Schmalsteig, Robert Kepke, Larry Pike and Gil Jacobson; James Nixon, shot put; Pike, low hurdles; mile relay team; Charles Tierman, discus; Jacobson, broad jump; and Michael Nash and Gayle McDaniel who tied for second in the pole vault.

When Warren Spahn started in the All-Star game it marked his sixth appearance in the classic. He has been on 10 squads.

## Aggie Soph Eighth In National Meet

John Harrington, son of President and Mrs. M. T. Harrington of College Station, placed 8th last weekend at the NCAA swimming championships at Ithaca, N. Y.

Harrington participated in both the 100 and 200-yard backstroke events.

Coach Art Adamson, who received his 25-year plaque from the national swimming coaches association, said Harrington's performances could earn All-American honors for the Aggie sophomore.

We require a B.S. or an advanced degree in mathematics or the physical sciences. Experience in your university's computing facility is highly desirable.

**SPACE TECHNOLOGY**

Offers work of the future...today!

Computer programmers & applied mathematicians

High speed digital computers and expanding computing systems require individuals with more than the usual amount of interest and ability in the fields of Applied Mathematics and related computer programming.

Our Computation and Data Reduction Center in Southern California is one of the largest and most advanced facilities in the nation. Three of the largest and most modern high-speed digital computers (IBM 709, 704, and UNIVAC 1103A) are utilized in the support of Systems Engineering for the Air Force Ballistic Missile Program and space flight studies.

Contact your placement office for an application, or send any inquiries to Space Technology Laboratories, Inc. to the attention of Mr. Gerald Backer.
