**Candy Barr Due Here for Town Hall**  
Due to the sparse crowds and general failure of Town Hall, Spiked Snow, Manager of Recreation and Entertainment, announced the booking of Miss Candy Barr of Dallas to appear here, at Town Hall next semester.  
"I hope this will do it," Snow said. "I thought I could bring culture to A&M, but I tried and failed. My attempts made Town Hall a failure. Maybe Miss Barr can help Town Hall."  
Miss Barr has been booked by Snow to appear in G. Rollie White every night for two months. She will appear from 8 p. m. to 8 a. m.  
The sexy, spiced, blond, pretty, beautiful, blond, sexy stripper said in an interview that she felt honored to appear at Town Hall.  
"I've always wanted to appear before all those Aggies, but I never quite got the chance. I can hardly wait to perform. I just hope all those Aggies like me."  
Miss Barr is a world famous dancer an dwas recently pictured in Playboy Magazine, an Aggie favorite.  
For those Aggies who do not like her shows, Snow has also booked Ernest Tubb to appear with Miss Barr.

**Plans Announced To Serve Food**

By LOUIE C. BLACK  
Group Staff Writer  
For the first time in 20 years, food will be served in College dining halls, it was announced today by I. C. Sun, head bottle washer at Puncin Hall.  
Sun called a press conference in his office to announce the news. Several reporters were stricken with blue fly fever before the conclusion of the conference. Many had to take tetanus shots at the veterinary hospital after receiving cuts climbing over the garbage at the office.  
According to Sun, the change was brought about because of the difficulty of preparing the present meals in the two college halls.  
"We can't get first class garbage anymore, and the price of dogfood has gone up again," Sun lamented as he crushed a huge roach on his desk.  
"Good putrefied meat is as scarce as hen's teeth and along the foul line, buzzard eggs are unobtainable. Civil and Spanish War surplus powdered eggs have finally been sold out," Sun mourned.  
We don't know what our future menus will be, but I'm afraid we're going to have to work some food in them, he said.  
One ray of hope came from Sun with the announcement that plans are now under way for a contract with a carrion firm to secure catering service on special occasions.  
"Don't get your hopes up too high," he warned, "Nothing is certain yet."

**AN ANNOUNCEMENT TO MY FRIENDS**

In November of 1957 my name appeared as a candidate on the ballot to serve on the city commission of the city of Bryan. The results of the ballot showed that I was defeated by only a small amount of votes. This time I did not permit my name to be filed for this office by the deadline date of March 15th. Since that time I have had many telephone calls and personal contacts that I should run as a WRITE IN CANDIDATE.  
This is to inform the public that I have consented and I will be a WRITE IN CANDIDATE. That means that the name of JEROME (JACK) ZUBIK will have to be written or printed on the ballot by the voters themselves.  
NOT MORE THAN A TOTAL OF 5 NAMES MAY APPEAR ON THE BALLOT  
I will appreciate you writing in my name on April 7th, at Carnegie Library in Bryan, as a candidate for the city commission.

**Profs Must Fall Out In Class A Uniform**

In keeping with the administration's wishes of compulsory Corps at A&M, each and every member of the faculty at A&M has been ordered to "fall out" in full military uniform.  
"Faculty members are expected to be in Class A uniform ready to begin instruction by Thursday at 8 a. m."  
The order became effective after many Aggies issued complaints that most of the professors looked inferior in attire, and they (the Aggies) found it hard to accept anything the professors taught.  
"I believe that it would be much easier to learn from a prof who looks like 'one of the boys'," one Aggie said yesterday.  
"I think this will put everything, especially academic work, on a friendlier basis. The profs will certainly feel closer to the students and therefore will give us Ags better marks?" another Aggie stated.  
No professor has presented any complaint, so the order appears to agree with the faculty members.  
"Why sweat it," one prof said, "the order gives us the right to wear fatigues during finals. That's not bad!"

**Clothing Shed Employees Honored**

Employees of the unmitigated clothing shed were cited by college officials yesterday for their continuous show of efficiency, courtesy and speed in dealing with all members of the Corps who come through the gates of Aggieland.  
To the compliments, the shed's caretaker, O. I. Burn replied, "Wan utility jacket, wan short coat, wan utility jacket, wan pair dirty khaki, take 'em back!"  
Danny Ane, sophomore fullback at Michigan State, is the brother of Charlie Ane, center for the Detroit Lions.

L&M is Low in tar with MORE taste to it

Don't settle for one without the other!

"L&M is kindest to your taste because L&M combines the two essentials of modern smoking," says TV's Jack Lescoulie.  
LOW TAR: L&M's patented filtering process adds extra filter fibers electrostatically, crosswise to the stream of smoke... makes L&M truly low in tar.  
MORE TASTE: L&M's rich mixture of slow burning tobaccos brings you more exciting taste than any other cigarette.
