

Mr. and Mrs. Robert T. Pfeuffer
... wedding held in Chapel

Pfeuffer Weds Jean Hillje March 24

The marriage of Miss Jean Louis Hillje and Robert T. (Bob) Pfeuffer was solemnized March 24 in the Interfaith Chapel in the presence of members of the families and a group of close friends.

The Rev. James Argue, pastor of the A&M Methodist Church, officiated at the double-ring ceremony.

The bride wore a waltz-length gown of white chiffon over taffeta, featuring a shirred bodice and portrait neckline. Her round, fingertip veil of Brussels Rosepoint lace was worn in mantilla style. A single white orchid with stephanotis fashioned the bridal bouquet.

The couple's only attendants were Miss Jo Ann Hillje, sister of the bride, and Joe Buser of Arp. Bob Graetzel and Bob Davila served as ushers.

After the double ring ceremony, the bride and groom left the Chapel through an arch of sabers formed by senior members of the Corps Staff.

A reception was held in the Memorial Student Center after the wedding. Mrs. Ray Olds was in charge of the bride's book; assisting in serving were Mmes. Charlotte Daniel, Mary Lou Meuller, Patricia Dillon, Sue Ellen Young and Mary Sue Kuenstler.

The couple will be at home at 701 Manor Rd., Austin after Pfeuffer's graduation in May.

Draft Deferment Test April 30

College students interested in taking the Selective Service College Qualification Test have until midnight next Thursday to submit application, it was announced today by Frank E. McFarland of the Basic Division.

The test center in this area will be the Memorial Student Center Assembly Room.

To be eligible to apply for the test, scheduled to be given to college students throughout the United States, April 30, a student must intend to request deferment as a student, be satisfactorily pursuing a full-time course of instruction, and must not have previously taken the test. The purpose of the testing program is to provide evidence for the use of local boards in considering deferment of a registrant from military service as a student.

Any student who meets the criteria may be permitted to take the test. This includes both civilian students and students currently enrolled in ROTC.

In the past years, ROTC students who feel that they will be required to drop out of ROTC have taken the Selective Service College Qualification Test to qualify for draft deferment under plans other

than ROTC deferment, McFarland says. Application blanks may be secured from Miss Pauline Malazzo in the Registrar's Office. Blanks must be mailed to the Educational Testing Service, Princeton, N. J., not later than midnight, April 9.

Auto Engineers Set Joint Meet

The Gulf Coast Section of the Society of Automotive Engineers will hold its annual meeting with the A&M student chapter of the SAE here April 23.

The Gulf Coast Section has a membership of 125, representing 50 companies and industrial firms.

Following a smorgasbord dinner at 7 p.m. at the Memorial Student Center, the groups will head Dr. Dale F. Leipper, head of the Department of Oceanography and Meteorology, speaking on the subject, "Glimpses of Science and Education in Russia." The talk will be illustrated.

Officers of the A&M student chapter are James E. Sheffield, president; Billy Don Sevier, vice-president; James R. Langston, secretary; Bill Muenker, treasurer; and Sam Holmes, reporter.
