Board of Directors Honor Mogford

The A&M System Board of Directors passed the following resolution at its recent meeting:

WHEREAS, in the death of Dr. Walter Ernest Paulson, on March 1, 1959, the A&M College System sustained the loss of a former staff member who for thirty years had served the A&M and Texas Agricultural Experiment Station as a research economist and teacher, and

WHEREAS, Dr. Paulson, from 1928 until his retirement on April 30, 1958, served the college and experiment station with distinction and established a record in research work dealing with farm cooperatives which brought him state and national recognition, and

WHEREAS, during his three decades of service within the system, he was a conscientious and loyal member of the staff, a scholar and man respected and liked by his colleagues and all who knew him, now therefore be it

RESOLVED, by the Board of Directors of the Texas A&M College System, meeting in regular session at College Station, Texas, this 25th day of April, 1959, that this board desires to acknowledge its gratitude for the long years of service given by the late Dr. Walter Ernest Paulson to the A&M College and the Texas Agricultural Experiment Station, and be it further

RESOLVED, that this resolution be spread on the minutes and copies thereof be sent to Mrs. W. E. Paulson, Howard Paulson and Karl Paulson, the widow and sons of the late Dr. W. E. Paulson, as permanent tokens of the respect with which this board views the life and work of the late Dr. W. E. Paulson, and as expression of the board's sympathy at their loss.

Approved this 25th day of April, A.D., 1959.

AIEE Sets Banquet, Dance at Triangle

The American Institute of Industrial Engineers will hold its first annual banquet and dance Saturday night at 7:30 in the Charcoal Room of the Triangle Restaurant.

Speaker for the banquet will be C. K. Esten of the Department of English. The banquet, which has previously been an informal gathering, will be attended by all industrial engineering students, their wives and families, along with the faculty and other guests.

Entertainment will be provided by skits to show phases of the typical industrial engineer's life.

The first airplane flights in Europe were made by Wilbur Wright 50 years ago near the city of Le Mans, where the big French automobile races are now held.

A&S Council Picks Sutherland Prexy

Tucker Sutherland, junior journalism major from Mathis, was elected president of the Arts and Sciences Council for the 1959-60 school year Monday night.

Sutherland is a member of the 4th Battalion, 2nd Regiment staff and is 1959-60 editor of The Commentator.

All members of the Arts and Sciences Council for this school year were awarded keys by president Grady Barr.
