Dr. Ewens Praises Senate at Banquet

Members of the Student Senate were told by Dr. William P. Ewens of the Department of Education and Psychology last night that their organization was probably the most important on the campus.

Ewens was speaking at the annual Student Senate Banquet held in the Memorial Student Center Assembly Room. At the banquet, 29 senators received keys for service rendered during the year.

Ewens, who was on a committee to evaluate the Senate two years ago, pointed to four achievements of the Senate during the past two years which he considered outstanding. They are the voluntary insurance plan, the A&M Memorial Scholarship program, the Campus Chest and the blood drive.

Explaining that he was suggesting rather than criticizing, Ewens offered three areas which he hoped the Senate would stress next year. They are to instill a form of leadership training program, to utilize a greater portion of the student leadership ability than in the past, and to act more as the official voice of the entire student body.

Ewens was introduced by Senate Vice President Jake Sekerka, who will serve as Senate president next year. President John Thomas introduced other guests at the banquet and presented the awards.

Also at the banquet, Thomas presented appreciation gifts to Mrs. Joan Culberth and Mrs. Nell Davis, employees in the Department of Student Activities, for secretarial aid given the Senate during the year, and to W. L. Penberthy, Senate advisor.

Senators who received keys are Tom Airhart, Thadis Box, Stewart Carpenter, Kenneth Clevenger, William Cook, Ben Corbo, Lyle Cross, Wayne Culberth, Randy Curtis, Walter Frazier and Charles Graham.

Also Jerry Hatfield, Edward Hill, Ross Hutchison, Lee Mayfield, Pat Mauritz, Harley McAdams, William McFarland, Rush McGinty, Tom Miller and Bill Myers.

Also Richard Noack, Jack Paris, Don Rummel, Sekerka, Ronald Stallings, Thomas, Richard Vander Stucken and Richard Whitmire.

Thursday in MSC

Write-in Votes to Play Big Role in Elections

Write-in votes will play an important part in tomorrow's election from 8 a.m. to 5:30 p.m. in the Memorial Student Center of representatives of the four degree-granting schools to the Student Senate and of members to the Election Commission.

A sophomore, junior and senior (all based on 1959-60 classification) will be elected from each of the four schools to serve on the Student Senate.

Five representatives from each of the three classes will be elected by the entire student body to serve on the Election Commission.

Three of the elections have no candidates filing for the office. These include the sophomore representative to the Senate from the School of Agriculture, the sophomore representative from the School of Arts and Sciences and a representative from the fifth professional group (fifth year students) for the School of Veterinary Medicine.

In the race for the five representatives of the Class of '62, only two candidates have filed.

Class of '60 candidates for the Election Commission are Thomas E. Downs, Floyd W. Kaase, Hubert Oxford, Clarence Pennywell,

Wayland Quisenberry, Robert B. Santore, Wayne P. Schneider, Allen Smith, John L. Smith, Danny J. Snooks, James F. Tucker and Albert G. Zambrano.

Election Commission candidates from the Class of '61 are Walter R. Frazier, Gary J. Hammer, Allen Leonard, Paul Martin, William F. McFarland, John M. McMullen, Roger S. Terry and Randy Yeargen.

Charles G. Crouch and Norris R. Gilbreath are the lone candidates from the Class of '62 seeking to gain the Election Commission posts.

School of Agriculture
Kenneth R. Beerwinkle and D. (Mickey) Dungan are the two senior School of Agriculture candidates for the Senate seat. Vernon L. Yanta is the lone candidate for the School of Agriculture's junior spot. The sophomore race has no entrants.

School of Engineering
In the School of Engineering senior race, Fred D. Clark, Thomas E. Dunlap, Jerry H. Hatfield, Hubert Oxford and John Smith are the candidates.

Robert Bower Jr., A. W. Dunlap, Walter R. Frazier and Bobby L. McDaniel are the Class of '61

Ags Ease Past Owls, 8-7; Take Lead in SWC Race

Miracle Makers Near SWC Title

By BOB WEEKLEY
Battalion Sports Editor

Miracles will never cease! Back around May 1 the Aggies were 4-4 in Southwest Conference play and were rated "dead" as far as their chance for a pennant were concerned.

Now look at them! They're 9-4 in the conference, half a game ahead of Texas and almost a cinch to win the title. Rice is out of the picture, except they must face the ram-raging Farmers tomorrow.

Texas, those mighty titans of the diamond, lost their fourth straight game of the season to SMU yesterday to drop behind the Cadets with a 9-5 mark.

All the Aggies have to do is win one game out of the next two with Rice and Baylor, to cinch a tie for the championship with the Steers. If they win both of them, or if Texas loses their remaining game with TCU and A&M splits their games, the Aggies will be undisputed champs.

4-H Club Holds Annual Meeting Here in June

Contestants, agents, leaders and friends of 4-H club members from all over Texas will be at A&M for the Texas 4-H Roundup, June 9-11.

According to Floyd Lynch, state 4-H club leader and chairman of the 4-H Roundup committee, there will be two teams from each of the twelve agriculture extension districts. Lynch also stated there would be about 2,000 boys and girls taking part in the contests.

Highlights of the three days of activity will include a "friends of 4-H Luncheon" sponsored by the Texas 4-H Recognition Committee in the Ballroom of the Memorial Student Center.

Guest speakers for the assembly in Guion Hall on June 9, will include Mackey Ivy, vice chairman of the Texas 4-H Council; Richard Sherman, a member of the Roundup Committee; John E. Hutchison, director of the Texas Agricultural Extension Service; John Gardner, a member of the Roundup Committee; and special guest, Dr. Kenneth McFarland, educational consultant and lecturer for General Motors.

George Banda, TCU's fine shortstop, is credited with giving the Farmers life in the conference race. The Aggies had won the first contest with TCU, 5-2, in 12 innings the previous day, but were behind two runs in the top of the ninth with two men away when Banda dropped Ralph Plumlee's infield fly. A&M went on to score three runs in that frame to win the game and continue on to their present title contention.

So far they have won five straight.

A&M is due to face Rice Thursday at 3 p.m. on Kyle Field while the Baylor date is yet to be set, a game they might not have to play.

After Stopping Rice

Ag Nine Greeted With Yell Practice

By DAVE STOKER
Battalion Managing Editor

The world-renowned "Spirit of Aggieland" was never more aptly expressed than last night when Aggies assembled in front of the Kyle Field Main Entrance for a yell practice to greet the Southwest Conference leading Aggie baseball nine.

Yelling for the baseball team in the same manner as they yell for the football team each fall, the Aggies jubilated their delight in the Aggies victory some 30 minutes before the team arrived. The victory moved the Aggies into first place, a half game ahead of the faltering Texas Longhorns, who lost to SMU in Dallas yesterday.

Visions of a Southwest Conference baseball crown hallmarked the special yell practice led by two yell leaders and various members of the Aggie Band. "The Aggie War Hymn" and "The Spirit of Aggieland" were done twice while waiting for the team and the band blasted out such numbers as "Dixie," "Beer Barrel Polka,"

Tishler Receives Doctor's Degree

J. Ward Tishler, son of Carl E. Tishler, head of the Department of Health and Physical Education at A&M, has received his Ed.D. degree from the University of Wyoming.

He holds a B.S. degree and an M.A. degree from A&M, and is now an instructor in Physical Education and Director of Intramurals at Stephen F. Austin State College, in Nacogdoches.

Fish Drill Squad To March in Bryan

The members of the freshman Drill Team will go to Bryan Saturday to march in the Armed Forces Day parade.

About thirty-four members of the drill team will be present according to Ben Rice, commander of the team.

The parade will begin at 10:30 Saturday morning.

Ayres, Wortham Pace Cadet Win

By BOB WEEKLEY
Battalion Sports Editor

HOUSTON—Air-tight relief work by sophomore Larry Ayres merged with the explosive bat of catcher Randy Wortham to sneak the Aggie nine past a stubborn Rice team, 8-7, in Southwest Conference play here yesterday.

The win pulled the Aggies within shouting distance of a conference title, their first since 1955. Details on A&M's standing is in columns three and four on this same page.

Percy Sanderson, the lean junior from Nederland, went 7 and 2/3 innings to receive credit for the win in the steamy humidity of Houston. The Ag hurler now has a 5-2 conference mark. Loser was Jerrol Springer who is 1-1 in conference warfare.

Army General Arrives Here For Inspection

Maj. Gen. Rush B. Lincoln Jr., deputy chief of transportation for the U.S. Army, arrived here yesterday afternoon for a two-day visit of the Department of Military Science and Tactics.

The general and his party was met at Easterwood Field yesterday by Col. Frank L. Elder, professor of military science and tactics, and Maj. Horace A. Lowe, senior transportation corps instructor.

This morning Gen. Lincoln and his party observed reveille formation and had breakfast with A Transportation Company in Sbis Hall.

At 11 a.m. Gen. Lincoln addressed the Transportation Corps senior cadets and had lunch with Vice President Earl Rudder, following a tour of the campus.

A 1932 graduate of the U.S. Military Academy, Gen. Lincoln served in various command positions in World War II. These included assignments in the planning division of the Office of Chief of Transportation and also in the Middle East, North Africa, Europe and Pacific theaters of operations.

He also took part in conferences of the combined chiefs of staff at Quebec, Cairo, Malta and Yalta. After V-J Day he served as Chief of Transportation (Army Forces Western Pacific Area), remaining in that capacity until his return to the United States in 1947 to attend the first class of the Armed Forces Staff College.

Wortham was the game's hero, slashing out a double and a homer to lead the Farmers at the plate. The sophomore's round-tripper came in the top of the eighth to give the Aggies an 8-5 lead, a scant one run margin when Rice came back in their portion of the inning to score two runs.

A&M opened their scoring spree in the third inning on a single, error and a single. Stuffy Davis began the rally with a Texas leaguer to center and advanced to second and third on a stolen base and a passed ball into the outfield.

Sanderson helped his own cause and scored the first run when he slammed a shot past shortstop, sending Davis scampering home.

Two more runs came trotting home in the fourth, with Rice countering with one run in their part of the frame. The Cadets scored four additional markers in the next three innings with Rice again matching the Farmers run for run.

Then came the eighth and Wortham's homer and the Owl's threatening two-run gesture in the bottom of that inning.

Ayres relieved Sanderson with two away in the bottom of the eighth and struck out the next man, Jerry Epstein, who had already slammed a homer.

The Paris, Tex., hurler retired the first two men in order in the final frame, but pinch hitter Jack Kristnik, the leading slugger in the conference, touched him for a double that bounced over the center-field fence. The hit appeared to be a homer at first but the umpires ruled it a ground rule double. The next man up, Bob Liveley, went out on a fly to center to end the game.

A&M will play Rice here Thursday at 3 p.m. on Kyle Field.

Dorms for Summer School Student Housing Announced

Walton Hall, Hart Hall and dormitories 14, 15 and 16 will be used for housing students attending summer school, Harry L. Boyer, housing manager, said this morning.

In order to reserve the rooms they already have and to avoid congestion on registration day, scheduled for Monday, June 8, all dormitory students should pay their fees and reserve rooms beginning at 8 a.m. Monday.

Korean veterans planning to attend summer school should report to the veterans' advisor's office and sign enrollment papers, said Boyer.

All summer students should begin paying fees at the Fiscal Office Monday, he said.

Students living in the dormitories listed above may reserve the room they now occupy from 8 a.m., Monday, until 5 p.m. next Thursday. Students, regardless of pre-

sent location, who wish to reserve a room in Walton, Dorm 16 or Hart may also reserve rooms during this time by presenting a signed

MSC Display Case Applications Open

Applications for use of Memorial Student Center display cases will be accepted in the Social and Educational Department of the MSC through Friday, Mrs. Ann Keel, social director for the MSC, said this morning.

The applications will be received from 8 a.m. to 5 p.m. daily and will cover the 1959-60 school year. Each application will be reviewed by the MSC Council Display and Exhibits Committee and will be approved in the order of preference and the operational procedure established by the committee, she said.

room change slip from the housemaster of his dormitory. This does not apply to Dorms 14 and 15 since no housemaster is currently on duty there, Boyer said.

All other students may register for rooms on a first-come, first-served basis from 8 a.m. next Friday until noon Saturday, May 30.

Students now living in Walton Hall will have priority on rooms in this dormitory for the fall semester provided they sign for them with the housemaster on his fall roster and send in room reservations by July 31, said Boyer. Therefore, summer students may not be able to retain their summer rooms for the fall semester.

All students, including those living in College Apartments, who do not plan to live in dormitories during the summer session, must secure day student permits from the Housing Office before paying fees, Boyer added.
