By BOB WEEKLEY
Battalion Sports Editor

Wayne Schaper, the big fireballer from Galveston, wrapped up his fifth win of the season yesterday and gave the Aggies their 1959 graduation present, a Southwest Conference baseball championship.

The Farmers are now assured of a tie with Texas for the championship and need to win Saturday's game with Baylor in Waco to sack up the undisputed title.

Schaper was never sharper on the mound for the Cadets, facing only 29 batters and giving up three hits in nine innings of ball. Two of

those hits were scratch bunts off the bat of Rice co-captain Fred Burns.

The big righthander was stingy with his pitches, throwing an even 100 balls and strikes across the plate. Six men went down swinging while only two got free passes to first base.

Schaper was also credited with knocking in the winning run in the bottom of the seventh frame with a slash single over the shortstop's head to score Ralph Plumlee who was roosting on third base.

Rice Tallies in Sixth
Rice opened the scoring action in the top of the

sixth when Burns got his second hit of the day, a bunt, and outraced the throw to first. He stole second and then advanced to third on a fielder's choice that saw all hands safe on base.

The Owl's leading slugger, Dick Kristnik, walked to load the bases and the Aggies were in trouble for the first time in the game.

Lynwood Stallings, Rice shortstop, scored Burns when he lofted a high fly to right, Burns trotting across the plate on the throw to home. The threat ended when Bob Lively was caught off base by Schaper on a pickoff play and was tagged

out.

A&M roared back in their part of the inning to tie the game at 1-1. J. B. Carroll opened the frame by slashing a single to right field and then scored on Windel Reed's long hit to right, racing all the way from second before the throw.

Ags Go Ahead in Seventh
The Aggies jumped back in the next inning with the winning run on Schaper's single to center. Plumlee had reached first on a single and advanced to second on Stuffey Davis's shot to left-center.

Dink Patterson, A&M's second baseman, grounded a drive to the Rice third base-

man who threw to second to force Davis, but Plumlee had advanced to third. Then the big Schaper advanced to the plate and unloaded on his single to score the run.

Rice threatened again in the top of the ninth when Kristnik hit a Texas Leaguer to short center. Stallings, the next man up, brought the fans to their feet when he lofted a high fly just short of the left field fence that was caught by Byron Barber.

The wind, blowing strong and gusty all day towards home plate from left field, had caught the hit and held it from going over the fence.

Paul Timme was the losing hurler for Rice and threw a better than average game. The lefty threw only 108 pitches and faced 30 men. He gave up eight hits, all singles and walked none while striking out five.

Timme Injured
Timme's performance was even more exceptional as he was throwing with an injured muscle in his side that caused him pain.

A record crowd upwards of 2,000 saw the Cadets win the game in Kyle Field, one of the largest groups of fans ever to pack the bleachers.

The Aggies shoot for the undisputed championship

Saturday when they tackle the Baylor Bears at Katy Park in Waco. Game time is scheduled for 2 p. m.

A&M has trimmed Baylor in the two earlier games of the season, winning 19-6 at College Station and a 2-1 squeaker in Waco.

Percy Sanderson, the ace of the Aggies moundsmen, will toe the rubber facing the Bear's Rudy Raughton. Sanderson is 6-2 in conference play and has one of the best earned run average in the league, 1.90.

Raughton, 5-3 for the season, lost to Sanderson in the 2-1 game.

Seniors Attend Annual Dance Saturday at 8

Snapping of ring pictures in the two large mock Aggie rings in Sbis Dining Hall from 8-12 tomorrow night will highlight a full evening of activities for seniors and their dates at the annual Senior Ring Dance and Barbecue.

As each senior has his picture made in the ring, his date will turn his ring around on his finger.

Tickets for pictures are green and white. The green ticket designates that the senior will have his picture made in Ring A, the green ring, and the white ticket is for Ring B, the white ring.

As each senior's turn arrives, he will get in line with his date. As they near the head of the line, the senior will take his ring off and give it to her.

The photographer will instruct the couple as to where each will

stand for the picture. The picture will be taken as his date slips the ring onto his finger with the class number out.

After the picture has been taken the couple will pass through the ring, pausing for a moment for a kiss, if so desired. If a senior wants a kissing-pose picture, he may have it made at the same time.

The band of Jimmy Dorsey under the direction of Lee Castle will provide music for the dance in Sbis from 8 p. m. until 1 a. m. Featured with the band will be songstress Jan Winters.

The six Vanity Fair finalists and the six runners-up will also be announced during the dance.

The banquet, set for Duncan Dining Hall at 6 p. m., will have A. O. Saenger, '32, of the Humble Oil and Refining Co. as guest speaker.

Gary Pepper, president of the senior class, will act as master of ceremonies at the banquet, and Stephen Paul Voinis, vice president, will introduce the special guests.

The invocation will be delivered by Len Dorney and Steve Edmiston, historian, will read the senior class history. John Sackett, social secretary, will introduce the speaker.

Honored guests for the evening include President and Mrs. M. T. Harrington, Vice President and Mrs. Earl Rudder, the Executive Committee of the college, unit faculty advisers and other college officials.

Tickets for the dance in Sbis are now on sale in the Office of Student Activities, second floor of the YMCA and will be available at the door tomorrow night.

The following is the ring dance picture schedule, which is also found on the back of each ticket. The number on the ticket corresponds to the number on the right of the time. For instance, holders of tickets numbered 1-30 will have their pictures taken at 8 p. m. in Ring A, and holders of tickets numbered 501-530 will have pictures made in Ring B at the same time.
