The Exchange

The Church is the greatest factor on

earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church,

neither democracy nor civilization can survive. There are four sound reasons

why every person should attend services

regularly and support the Church. They are: (1) For his own sake. (2) For his

children's sake. (3) For the sake of his

community and nation. (4) For the sake of the Church itself, which needs his

moral and material support. Plan to go to church regularly and read your Bible
