THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

When does a baby start to think?

Nobody knows, exactly. But thoughts do come by association. Baby eagerly responds to the sight of a bottle because experience has proven that the bottle offers both satisfaction and comfort.

Because baby does learn by association, it is important that parents take care to enlarge their children's horizons as they grow. A very small child will respond to a simple prayer. And a child of three will find great enjoyment in attending Church School geared for youngsters of that age.

Religious instruction and guidance is not for the mature only—it is needed regularly by everyone. The spiritual life of your child needs constant cultivation, just as the mind needs day by day development and the physical body needs exercise and training.
