Aggie Moundsmen for Arizona Tilt

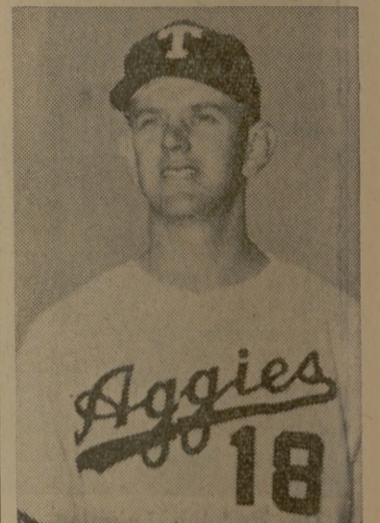

Percy Sanderson

Larry Ayres

Donnie Hullum

Wayne Schaper

Three Wins Needed for Aggies To Set All Time Win Record

Coach Tom Chandler's Aggies have not only won the Southwest Conference championship and are scheduled to enter the NCAA playoffs, they have a chance to set an all time won-lost record for A&M.

With Tuesday night's 7-5 victory over Burton the Farmers now boast a 19-7 record for the season which ties the third highest mark set in 1942.

Now all the Cadets have to do is win tonight's game with Burton and win both of their tilts with

Arizona and they have a new record, beating the old one set in 1951 of 21 wins and 11 losses.

Not bad for a coach in his first year of Southwest Conference play and a team that finished fifth last year and is composed largely of sophomores.

Catcher Gary Herrington led the Farmers at the plate with a .361 average, based on a 25 times at bat average. The senior co-captain had four doubles and a homer while he struck out only once. The stubby Ag was ranked fifth in individual conference bat-

ting statistics.

The lanky red head from Corpus Christi, Clifford (Stuffy) Davis, grabbed runnerup honors in the batting department with a .333 conference average. Davis just missed the honor of having a homer entered in the record books when he slammed one over the left field fence against Texas and then forgot to touch first when trotting around the bases.

Army golf coach Walter Browne is the youngest of four brothers. All are golf professionals.

Righthander Percy Sanderson ended the season with the best conference pitching record, winning seven and dropping one. His conference ERA was 1.76.

Rated third among conference hurlers behind Rice's Paul Timme is big Wayne Schaper, who finished with a 4-1 mark. Schaper's ERA is a whopping 4.15.

Left-fielder Byron Barber led the conference in homers with five to his credit while Davis won the doubles championship with seven. Little J. B. Carroll was second in stolen bases with five, one less than Mel Carbo of Baylor.
