Robert P. Coffman, '59, who plans to enter the ministry, will enter the McCormick Theological Seminary in Chicago, Ill., to work toward his bachelor of divinity degree, J. Gordon Gay, general secretary of the YMCA and coordinator of religious life, has announced.

Coffman, who was very active in YMCA work during his four years at A&M, is the son of Mr. and Mrs. Tom Coffman of Fort

Worth. His father is general secretary of the YMCA at Fort Worth.

This will be the second of the Coffman family to graduate from A&M and then enter the McCormick Theological Seminary. The first was Coffman's older brother, Stewart Coffman '56.

When Coffman entered A&M in the fall of 1954, his brother, a senior was serving as president of the YMCA.

Coffman immediately began his active participation in the YMCA, attended the Freshman YMCA Camp and later served as freshman representative to the YMCA Cabinet and served on the staff of the YMCA Camp at Estes Park, Colo.

## Agriculture Head Attends Ag Ed Meet

E. V. Walton, head of the Department of Agricultural Education, served as a resource representative from Texas at a conference on "Agricultural Education in our Public Schools" held recently at Ames, Iowa.

The conference, attended by agricultural leaders from 14 states, considered such problems as the need for agricultural education in secondary schools and the desirability of expanding the program of vocational agriculture to include training for occupations in Agribusiness.

"Developments that have taken place in education and agriculture have profounded national and international significance, as well as significance in each community and state," Walton said. "Therefore," he concluded, "it is essential that leaders in agricultural education adjust their programs to meet these changing developments."

During the next year he was a Freshman Camp counselor, a member of the YMCA Cabinet and attended a number of student YMCA conferences. He was a delegate to the Student Volunteer Movement Conference in Athens, Ohio, and attended a Presbyterian Student Conference in Lexington, Ky.

As a junior, Coffman was a member of the YMCA Cabinet, attended the Regional YMCA Conference in Oklahoma and was co-chairman of sectional YMCA Conferences. He was responsible for planning the programs for these sectional conferences.

## ARMY, WHAT IS AGGIELAND TO YOU?

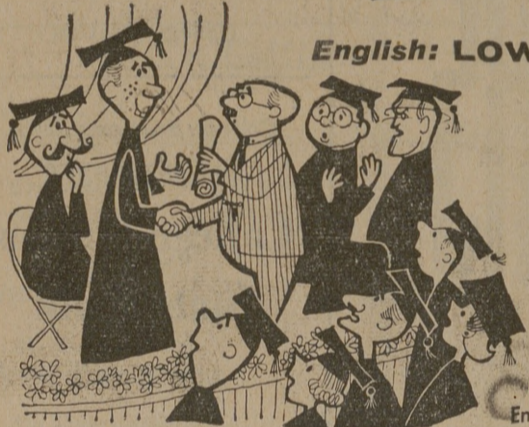

Aggieland means many different things to many different people. To some it is the place they met their lifetime friends and received their formal education, to others it is the place they learned how to be a man and to get along with their fellow man.

Although Aggie land may have a special meaning for each Aggie, all have memories of yelling for that Fightin' Aggie Team as we beat T. U. or of singing The Twelfth Man when we didn't yell loud enough.

Army, when we go home after these finals let's throw our chests out and tell the world that we are proud to be a Fightin' Texas Aggie. Let's keep alive the heritage left to us by our buddies we've honored with Silver Taps who are no longer able to share it with us.
