

Eighty-four Top High School Graduates Win Awards

Eighty-four top high school graduates have been named winners of four-year Opportunity Award Scholarships at A&M, Dr. J. B. Page, dean of the College and chairman of the Faculty Committee on Scholarships, said today.

An additional eight students have been listed to receive other scholarships.

Winners of the Opportunity Awards were chosen by the Faculty Committee on Scholarships of the College following statewide competitive examinations given to more than 600 candidates on April 25 and May 2.

Opportunity Awards are valued at from \$800 to \$1,200, recipients receiving \$200 to \$300 a year for four years plus part-time employment provided by the College. Winners are chosen after consideration of each candidate's scholastic record, character, evidence of leadership in high school and financial circumstances.

The plan was started here 13 years ago and is supported by former students, clubs, business corporations, foundations and individuals.

Since its beginning, in 1946, the plan has helped more than 1,200 capable high school graduates to enroll in college. Ninety per cent have either graduated or are still going to school on Opportunity Awards.

SERIOUS OVERSIGHT

"What," the regents asked. "Toilets for the kindergarten department," he answered.

Relaxation

If someone were to deprive you of the right of relaxation you would be a slave.

Yet relaxation itself can enslave us!

Nero is a villain of history because he fiddled while Rome burned. He couldn't have put out the fire . . . but what a colossally stupid time to relax!

There are hours in every week when we need to relax. And there are hours that challenge our mightiest effort.

It is like those hours when, with millions the world over, we have opportunity to seek in our churches truth . . . faith . . . God!

The value of relaxation is unquestionable. But the value of religious and moral growth is supreme!
