

# Aggies Outlast Spartans, 9-7; Try Mississippi Southern Next

## Spartans Head For Aggie Territory

Left halfback Herb Adderley, Michigan State's leading ground gainer, circles the Farmer's right end for a two yard gain Saturday at East Lansing, Michigan. Charley Milstead, not in the picture, stopped Adderley after the short pickup. Chasing the State player are Aggies Roy Northrup (56) and Gordon LeBoeuf (37).

Elated over their upset victory at Michigan State last week the Texas Aggies continue on the road against Mississippi Southern at Neutral Mobile, Ala., Saturday night.

The traveling Cadets do not play before the home folks until Oct. 10 when the Houston Cougars journey to Kyle Field. A&M opened at Dallas with a 14-20 loss at the hands of unbeaten Texas

Tech, then won a great victory in the Big Ten Saturday afternoon with a 9-7 shocker over Michigan State.

The Aggies fly charter into Mobile Friday and will headquarter at the Battle House, returning Sunday morning. Kickoff is 8 p.m. (CST).

A&M played the MSU game conservatively with Chuckin' Charley Milstead playing it cautious. He used lots of power plays up the middle, a large dose of quick kicks and few passes. That was the game plan for State and it payed off as the eager, hard-hitting Aggies caused four Michigan fumbles and recovered all four, two of them setting up both the touchdown and winning field goal.

Wayland Simmons and Richard Love. Few, who missed three weeks of practice, as did Love, because of injuries, was a key man defensively and also will give the Aggies much needed punch on offense.

Although the Cadets failed to move the ball a great deal, Myers thought "the offense was effective," especially in view of the fatal mistakes the hard-knocking Aggies forced on the Spartans.

Scout Elmer Smith reported Mississippi Southern is "probably the biggest, most aggressive team we will play." He said the Southerners' line averages 215 pounds end to end and is deep in strength and ability. Southern trounced Trinity of Texas, 29-8, in the opener Saturday.

Three Aggies came out of the game with minor injuries but all are slated to be ready this week. LeBoeuf has bruised ribs, Pete Angermiller has a bad knee and Larry Broadus has a bad shoulder. The first two are fullbacks while Broadus is the No. 2 center behind Northrup.

This will be the first meeting of the two clubs, although A&M has previously met Ole Miss and Mississippi State.

## SPORT SLANT S

By BOB WEEKLEY

Pinkie Downs, the effusive, living spirit of Aggieland, came bursting into the office Monday morning waving a book and hollering at the top of his lungs, "It ain't so."

What "ain't so" is that Texas' brilliant sophomore Jack Collins didn't pull off such an outstanding feat when he raced 86 yards for a touchdown against the University of Maryland Saturday. The Aggies can top that by exactly 181 yards.

Harold V. Radliff, noted sportswriter for the Associated Press, carries this story in his Towering Texans, a book published in 1950 concerning sport sagas of the Lone Star State.

Victor M. (Choc) Kelley, who once played at A&M, may have made the longest run with a football in the history of the game. It happened like this:

The Aggies were playing Louisiana State at Baton Rouge, La. A&M had the ball on its 45-yard line near the side of the field. Kelley took the oval and darted for the sidelines, but seeing he was cut off, reversed and ran across the field. Again he saw tacklers coming in, so he turned and ran across the field once more. But he was headed off, so he turned and twisted his way through his opponents to the other side of the gridiron. Balked again, he turned still once more and raced back across the field. Over on the side he found himself clear, so he sprinted for a touchdown.

In all that maneuvering he had gone 10 yards back of the line of scrimmage, thus lost that much. But since he made it up racing to the touchdown it should not be

subtracted from the total. Thus he actually ran 267 yards for that touchdown, since a field is approximately 53 yards wide and he raced across four times, then skipped 65 for the score.

It happened in 1907 and, so far recorded, nothing has come along to equal it since.

The Aggies won that game, 11-5. Touchdowns in that day and time counted only five points. That season the Farmers posted a 6-1-1 record, losing only to Texas University. Curiously enough, the Cadets played the Longhorns twice that year, and played them to a scoreless tie the first time around.

Seemingly to refute this story the A&M football brochure published by Jones Ramsey, sports publicity director for A&M, lists the longest run from scrimmage as being made by All-American Bob Smith in 1950 against Texas Tech. The jaunt carried for 81 yards.

Charley Milstead, the Aggies co-captain and quarterback, was honored by The Dallas Morning News this week as Back of the Week. The story carried this quote concerning the Tyler senior made by Jim Myers, head coach and athletic director at A&M: "The best (Milstead's performance) I have ever seen in my coaching career."

Guard Allen Goehring received an honorable mention for Lineman of the Week. E. J. Holub, Texas Tech's candidate for All-American center, received the honor.

Milstead, one of the nation's top passers and field generals, quick-kicked 64 yards on the opening A&M offensive play and State never recovered. Another exchange of punts plus a captured fumble on the MSU 16 set up the only Aggie score, Milstead grinding it out with the aid of Fullback Gordon LeBoeuf and eventually scoring from the one. Later, early in the second quarter, another fumble paved the way to Randy Sims' 31-yard field goal.

After that the Aggies played aggressive defense. The Spartans scored on a long drive with the second half kick-off but were forced into a passing game late with Milstead and Bob Sanders intercepting two important passes in the fourth period.

Although it was a team effort, several individual Aggies showed up pleasingly well with Milstead the outstanding player on the field, both offensively and defensively. Coach Jim Myers termed Milstead's performance "one of the greatest in my career." He had seven unassisted tackles and played a total of 50 minutes.

Others who showed up well, according to movie reports, were Jon Few, Sanders, and Linemen Buddy Payne, Wayne Labar, Roy North-

## Tigers Battle Hearne to Tie; Face Giddings Friday Night

By RUSSELL BROWN  
CHS Correspondent

The A&M Consolidated Tigers and the Hearne Eagles swam their way up and down Tiger Field for 48 minutes Friday night with neither team denting the scoring column in a non-district tilt.

Both clubs threatened. The Tigers of Coach Ed Logan advancing to the three yard line of the opposing Eagles while Hearne was stopped on the Tiger 12.

The deadlock was the second knotted count for the District 18-AA Eagles thus far, the other

coming at the hands of Navasota of District 21-AA, as compared to two victories. The contest ended a two-game losing streak for the Tigers, District 21-AA favorites, bringing the Bengals' record to 1-2-1.

The game, statistics-wise, was just as close as the score. Both clubs penetrated only once while Hearne racked up 11 first downs and 205 total yards gained against the Tigers' 10 first downs and 199 total yardage. Both teams fumbled four times, Hearne losing the ball twice and the Tigers recovering all but one fumble.

Coach Ed Logan expressed satisfaction at the Tiger showing in spots, but commented, "Our line looked very good in spots, and our reserve backfield men (Cyril Burke and Irvin Todd), subbing for the injured Dee Smith and Brenner Sayers, showed up well, but there are still many mistakes to iron out." The Tigers were without the services of end Virden Smith, backs Sayers and Smith, and defensive guard George Outlaw because of injuries.

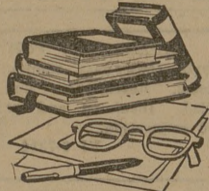

Friday the Tigers tangle with Giddings in Giddings with a hint of single-wing offense in the air for the Tigers. Giddings has only seven seniors and three lettermen, but boast a good crop of soph and freshmen and could be contenders.
