

Cadets Slip Past Southerners; Meet Cougars Here Saturday

Milstead, and Company, better known as the Texas A&M football team, returns home Saturday night for a date with the Houston Cougars after three games on the road.

The Aggies take a 2-1 record into this 8th game against Houston and it's been the fine play of Capt. Charley Milstead, senior quarterback from Tyler, that's given the Cadets consecutive wins over Michigan State and Mississippi Southern.

Milstead has been getting help from different Aggies each week. Should the entire Company jell at the same time the club everyone picked near the bottom of the Southwest conference in the pre-season polls may fool someone.

It was Cautious Charley in the Michigan State game with the Aggie field general utilizing the quick kick and a rugged defense to upset the Big Tenners, 9-7. It was Chuckin' Charley last week at Mobils when the Aggies had to fight for every yard and then didn't get many on the ground. Milstead hit seven of eight passes for 97 yards against Southern, six of them coming in the second half when A&M came from behind to score the game-winning points.

Mississippi Southern drew first blood against the Aggies, taking the opening kickoff and rambling 36 yards before the Cadets could gang up and stop the Southerners. They moved to the Farmer 30 where they were held for three downs and faced a fourth and 15 situation.

Mississippi decided to gamble and won with a 25 yard pass play that went to the Cadet 15. The Aggies held once more and Hugh McInnis kicked the field goal from 22 yards out.

A&M scored in the fourth period, moving 67 yards for the touchdown. Jesse McGuire opened the action for the Cadets, tossing a 23 yard pass into the arms of End Russell Smith.

Milstead then took over the passing chore and hit Hill and Jon Few on two completions in a row to move the ball to the Southern eight.

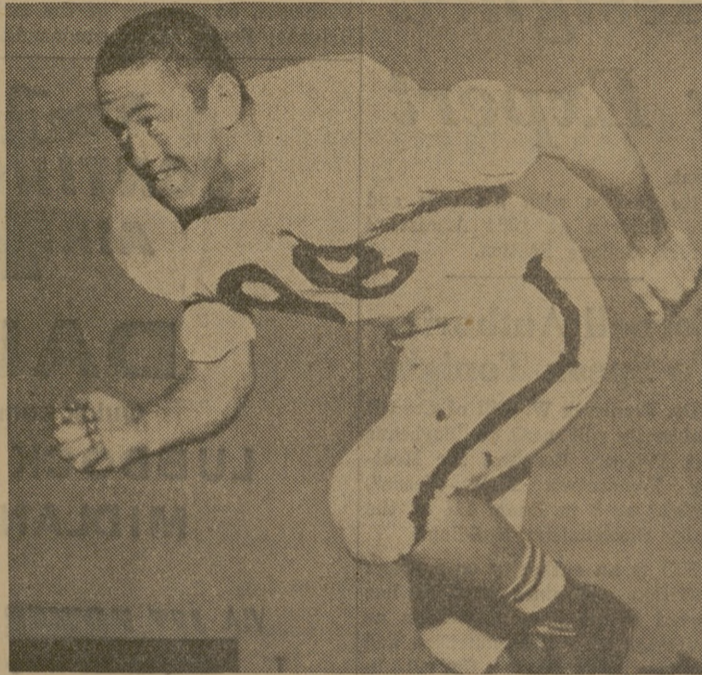

Milstead scored from two yards out and Randy Sims kicked the field goal to put the Aggies ahead to stay.

A&M lost everything but the scoreboard against Southern and Coach Jim Myers figures the Aggies will have to "be at our best"

to stay in the same park with Houston this week. Last year the Cougars, led by Claude King, ran over A&M, 39-7. Houston went scoreless this year for 10 quarters before edging Cincinnati, 13-12 last Saturday.

A crowd of 30,000 is forecast for the Houston-A&M game on Kyle Field here Saturday night. Kick-off is at 8. A&M leads in the 8-game series, three wins to two with a pair of ties.

Aggie sophomores have been showing signs of improving each week with Russell Hill, Dallas end; Wayland Simmons, San Antonio tackle and Jesse McGuire, Plainview back, in key roles. Hill has developed into a fine pass receiver while Simmons has moved up to the No. 1 defensive line after a dismal showing last spring. McGuire had a fine night offensively against Texas Tech and is an explosive-type, break-away runner.

Sophomore Russell Hill

The pass-snagging Aggie caught two passes in the Farmer's touchdown drive against Mississippi Southern, one of them bringing the Cadets down to their enemy's eight.

Impressive Fish Prepare for Wogs

Fish footballers knocked heads Friday afternoon during a full scale Maroon-White scrimmage tilt that left the Whites on top by a score of 18 to 14.

Coach Tom Chandler said that he thought that this year's crop of freshmen showed a lot of spirit and enthusiasm as well as being one of the heaviest teams in the past few years.

Chandler recognized several players as doing outstanding jobs at their present positions. He named Ronnie Brice and Tommy Janik as doing fine jobs at quarterback. Chandler rated fullbacks Lee Roy Caffey, Michael Roquemore, Sam Byer and Dallas Kuhn as good men. Halfbacks Ronnie Ledbetter, William Lager, Jon Mason and Eddie Dolezal were performing their duties well.

In the scrimmage Friday George Hogan and 277 pound Bill Miller were outstanding at the tackle spots. Miller injured his knee during practice and his appearance in the opener Thursday night is

doubtful. Right now the guard positions are being fought over by James Phillips, Jim Harper, Stuart Beebe and 225 pound Mike Gieb who was injured last week but is expected to be ready for the TCU Wog clash.

Chandler said he thought his main problem with the fish team is an old one that faces all freshmen coaches. He said, "It's just hard to change a boy right out of high school to a college football player. In high school many of the boys ran different formations and also in high school the boys aren't "mean" enough."

Chandler mentioned that his defensive end positions were weaker than the rest of the line-up. He said that the defensive end position is a hard one to play because of the angles the offense has to block on. "With a little more practice and a couple of games, I think we can build up the ends to do an effective job," said Chandler.

Gymnastics Club Meets Tonight

The A&M Gymnastics Club will hold its first meeting of the year in the gymnastics room in White Coliseum at 5 p.m. today.

The meeting will be for the purpose of electing officers and welcoming new members to the club. Coach Henry Walton would like to invite all students who are in-

terested in gymnastics to attend the meeting. Experience or a background in gymnastics is not necessary.

Last year the club participated in three gymnastics meets including the unofficial Southwest Conference Gymnastics Championship Meet.

CHS Tigers Dump Giddings In Final Non-District Game

By RUSSELL BROWN
CHS Correspondent

Coach Ed Logan's A&M Consolidated Tigers dumped a young and light group of Giddings Buffaloes, 22-8, Friday night in Giddings, marking the completion of the Tigers' non-district slate.

The victory gave the Maroon and White their second victory in five starts, including a 0-0 tie with Hearne while the loss set the Buffs record at 0-3-1 in preparation for 20-AA competition.

Coach Logan was well pleased with the Bengals showing, especially in the second half when the Tigers used ball control and outstanding defensive work to stymie the Herd. Logan singled out the efforts of Fullback Jim Wright, who racked up 97 yards in 19 carries; Condy Pugh, the Tigers junior signal-caller; halfback Cyril Burke, who tallied one TD on a 62 yard run and picked up 90 yards in 12 carries; Center Joel Mills, recipient of the "Tough Tiger" award against Hearne; and Halfback Brenner Sayers' second half work.

The jittery Buffs got off on the wrong foot early in the tilt, fumbling five times in the first quarter and losing the ball on three occasions. The Bengal offensive unit managed to capitalize on one fumble recovery when Wright went three yards off tackle capping an 18 yard drive that took six plays, with 2:25 left in the period. Pugh added two extra points on a plunge to give the Tigers an 8-0 lead, one

they never relinquished.

The Tigers played giveaway early in the second period when a 60 yard quick kick off the toe of Pugh was called back by an illegal procedure ruling. Two plays later on a kicking situation, Pugh fumbled the snap and the Bisons took possession on the Bengal seven. Sophomore quarterback R. J. Nitsche took the ball over in two plays going the final two yards off tackle with 10:35 remaining before the half. Nitsche passed to halfback Roy Schultz for the two extra points.

In the second half the Bengals perked up and looked the best both offensively and defensively that they have this year.

Schultz punted to the Tiger 36 and the Tigers began a 15 play, 64 yard march that ended with 3:55 to play in the period. With Pugh running the team and Burke, Sayers and Wright running in the backfield the Tigers racked up five first downs before tallying. Wright rambled for 37 yards in six tries and Sayers 22 in four to lead the charge before Pugh went the final foot on a quarterback sneak. Pugh passed to Sayers for the extra points.

Deep in the fourth stanza with Russell Welch, sophomore quarter-

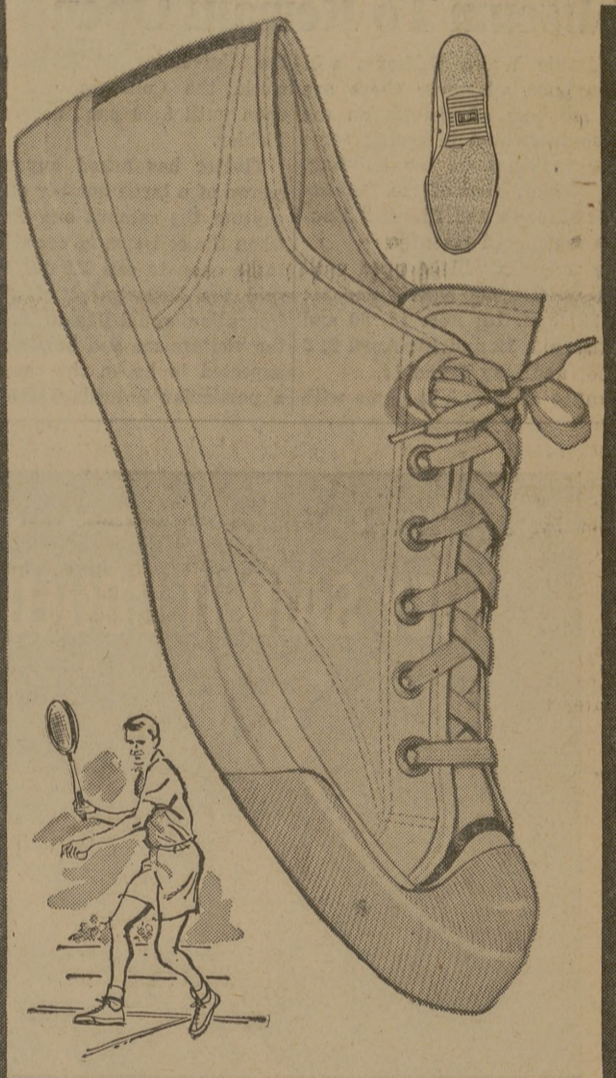

back, calling the plays, Burke romped 62 yards for the final TD with 1:05 remaining in the contest. Wright's try for the extra points failed.

"Serving Texas Aggies"

Bob Allen and his Chief Operator, Mrs. Julia Chipman, discuss Long Distance records which will soon be converted to automatic processing.

Meet Bob Allen—he's growing fast with a fast-growing company

Robert E. Allen got his B.A. degree from Wabash College in June, 1957, and went to work with Indiana Bell Telephone Company at Indianapolis. "It looked like a growing company where I could grow, too," he says.

It was. Today he is an Assistant Traffic Supervisor there. He's in charge of six other supervisory people and about 100 telephone operators.

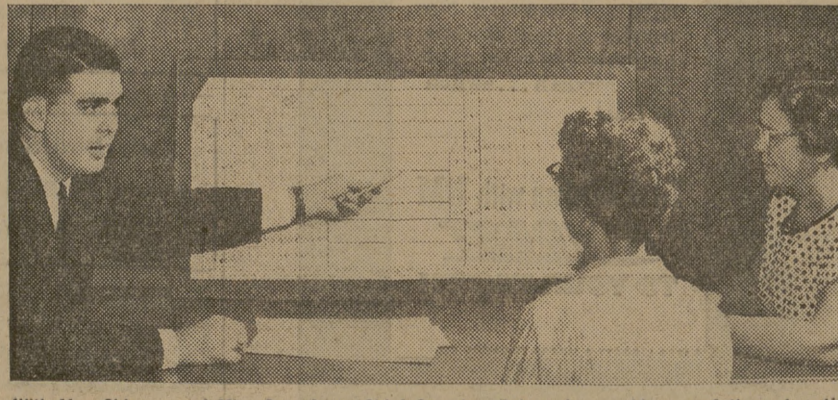

Bob attributes his rapid progress to two main factors: the thorough training he received and the steady growth of the telephone business.

"I was trained to be a telephone man-

ager, not just a traffic specialist," he points out. "I've also had practical, on-the-job experience in the plant, commercial and engineering phases of the business. So I'm equipped to handle new responsibilities all the time. And in this fast-growing communications field, that means I have more chances to keep moving ahead."

* * *

What about a Bell Telephone Company career for you? Talk with the Bell interviewer when he visits your campus—and read the Bell Telephone booklet in your Placement Office.

With Mrs. Chipman and Miss Gee, Group Chief Operator, Bob reviews a blow-up of the automatic processing card which will mechanize Indiana Bell's Long Distance billing.

BELL TELEPHONE COMPANIES

WANT A JOB?

- Now is the time to start planning for that all-important first job—which may be a lifetime one or which may lead to a still better one. Or perhaps you need to work next summer.
- Whatever your needs, go today to the Placement Office and tell them what you're looking for. They'll help you. Also:
- Because Aggies Like To Work With Aggies, they'll give you at your request a form which you may, if you wish, use to put a listing in the new "Positions Desired" column of . . .
