Pet. E. Students Receive Awards

Awards, scholarships and fellowships were presented last night to petroleum engineering students here.

High tribute was paid the students for their accomplishments by the Rev. Joe Slicker of the Christian Faith and Life Community in Austin, the principal speaker at the annual awards banquet. He talked on "Living in a Brand-New World."

The Rev. Mr. Slicker, '41, received degrees in petroleum engineering and mechanical engineering from A&M.

Jack E. Little of Dallas, president of the A&M Petroleum Club, presided at the banquet. Louis Little, a senior petroleum engineering student from Schulenburg, gave the invocation.

Whiting Presides

R. L. Whiting, head of the Department of Petroleum Engineering, presided over the presentation of the awards.

Ag Dairy Judgers Place in Contest

The A&M Dairy Judging Team placed second in Jersey judging, 11th in the placings of all breeds and produced the high scoring individual in Jerseys at a national judging contest held at Waterloo, Iowa, Monday.

I. W. Rupel, head of the Department of Dairy Science, said 33 teams competed in the contest and represented agriculture colleges from throughout the United States.

The high individual in Jersey judging was Fred Thornberry, Comroe, who scored 149 out of a possible 150 points. Paul Payne, Mt. Pleasant, was second in Guernsey judging, getting 147 points out of a possible 150. Troy D. Tatum of Dublin was the third team member. Alternates were Dale Vincent, Sulphur, La., and William Lee, College Station.

Dr. Murray Brown, assistant professor, Department of Dairy Science, was team coach.

First place in judging all breeds went to a team from Kentucky, Rupel said.

The contest was sponsored by the Waterloo Dairy Cattle Congress.

Aggie-Cougar Tilt Saturday To Top Slate of Attractions

The color and excitement of football, dancing in the Memorial Student Center, a Corps review and the traditional Midnight Yell Practice will highlight the first football weekend of the year on the A&M campus.

Cafe Rue Pinale, the Aggie version of a French Night Club, will begin the activities tonight from 8 until midnight in the lower level of the MSC. Barbara Gibbs, a senior at Stephen F. Austin High School, and Marcia Ransom, freshman at the University of Texas, will be the featured vocalists for the evening.

Following Rue Pinale, the Ags and visitors will cross the street to The Grove for Midnight Yell Practice. Leading the yells this year are Joe Leeper, head yell leader; Richard Biondo; Ken Cox; Sonny Todd; and Ken Moore.

Saturday night the Corps of Cadets will participate in the first review of the year. They are scheduled to come onto the track at 7 p.m., after assembling in the dormitory area at 6:47 p.m.

The big attraction of the weekend, the game between A&M and the University of Houston Cougars, starts at 8 p.m. This is the first action the Aggies have seen on Kyle Field this year.

Following the game, Midnight in

New Orleans will be held in the MSC.

Four bands will be playing at the same time. The Aggieband Combo will be playing popular music in the Ballroom, Richard Smith's band features rock 'n' roll music in the lower level, Dave Woodard's Combo will play progressive music in the Serpentine Lounge and Carlton Norris' band will play western music in the Assembly Room.

Seal Sale Chairman Announces Heads

Mrs. I. W. Rupel, county chairman, announced committee chairmen for the voluntary workers of the 1959 Christmas Seal Sale as she entertained on Thursday morning with a coffee in her home.

The sale will open on Nov. 16 when residents and business firms of the county will receive, through the mail, the Christmas Seals and bonds.

Mrs. Rupel pointed out the need for tuberculosis control in Brazos County by telling the group that, at present, 84 residents of the county are victims of TB. Two patients from the county died of TB during the past year and 21 persons went to TB hospitals.

She also stressed the need for every family doing its part in the fight to control TB by sending in a contribution to the Seal Sale.

"It is the \$2 and \$3 contributions from the many," she said, "that makes the sale what it should be—a community project."

Mrs. Otis Miller, executive director of the Brazos County Tuberculosis Assn., met with the group and told of the work carried on by the TB Assn. with the funds raised from the annual Christmas Seal Sale. She told the women

that 82 cents of every dollar contributed to the Christmas Seal Sale was spent in the Brazos County fight.

Committee chairmen named were Mrs. Merle Buchanan, who with other members of the Bryan-College chapter of the National Secretary's Assn. type the name labels; Mrs. John Hillman, who will direct the Girl Scouts in filling the A&M student letters; Mrs. R. B. Grant, in charge of the work of the women of Auxiliary to the Brazos County Medical Society; Mrs. A. V. Moore, who will make arrangements for the school choir programs and the band formation; Mrs. John Milliff, who will direct the Veterinary Wives Club of A&M College in auditing the returns.

Chairmen for other groups are Mrs. G. E. Madeley, Mrs. Fred Jones, Mrs. Pat Nigh, Mrs. W. C. Dahlkemper, Mrs. H. H. Williamson, Mrs. E. W. Bullock, Mrs. R. E. Patterson, Mrs. A. M. Kahan, Mrs. A. D. Folweiler and Mrs. R. E. Leighton.

Chairmen for the rural committees are Mrs. Raymond Nolan, Wellborn; Mrs. Donald King, Kurten; Mrs. W. I. Chenault, Millican; and Mrs. Roland Bell, Peach Creek.

Lost, Found Information Requested

Bennie A. Zinn, director of the Department of Student Affairs has requested every person who loses anything to inform Campus Security in order that the staff might investigate and search for the items.

Students and staff members often lose books, clothing and pens, and a few hub caps, radios, clocks and personal items are removed from parked automobiles, according to Zinn.

Persons who find lost articles are requested to turn them in to Campus Security in order that they might be returned to the owners.

The Memorial Student Center also maintains a "lost and found" service for items lost and found in and around the MSC.

Seek Third Straight Tomorrow

Cadets after Victory Over Cougars

BY BOB WEEKLEY
Battalion Sports Editor

The barnstorming Aggies, home on Kyle Field after three straight wins on foreign soil, try to keep a two game winning streak alive

Saturday night against the stubborn Houston Cougars.

Houston will be seeking its first win on Aggie soil, a 14-14 tie being the closest UH has come to winning on the Aggie's home turf.

They won by a lopsided 39-7 score last year at Houston, one of the worst defeats the Farmers have suffered since 1954 when Texas Tech walloped the Cadets 41-9.

The Cougars have had their

woes this year while A&M has had their ups and downs, a 20-14 loss to Tech and wins over Michigan State and Mississippi Southern.

Powerful Mississippi downed the Cougars by a 16-0 score in their season opener, then Alabama slipped past them by a meager 3-0 margin. Their first victory of the season came over Cincinnati last week when the Cougars scored two touchdowns in the final half and kicked one extra point to win, 13-12.

This eighth meeting will be a battle of sophomore dominated squad versus that of battle tried veterans. The Cougars will have only six lettermen in the starting eleven with 15 sophomores figuring to see extensive service against the Aggies.

A&M has ten lettermen on their starting eleven, with junior Bob Phillips starting his first season at right and the Farmers have an all-letterman backfield starring Charley Milstead, the Southwest Conference's total offense leader.

The Cougars will counter with Claude King, the senior speedster from Vicksburg, Mississippi. The University of Houston's fullbacks,

Pete Burks and Charlie Rieves, have yet to be thrown for a loss this season.

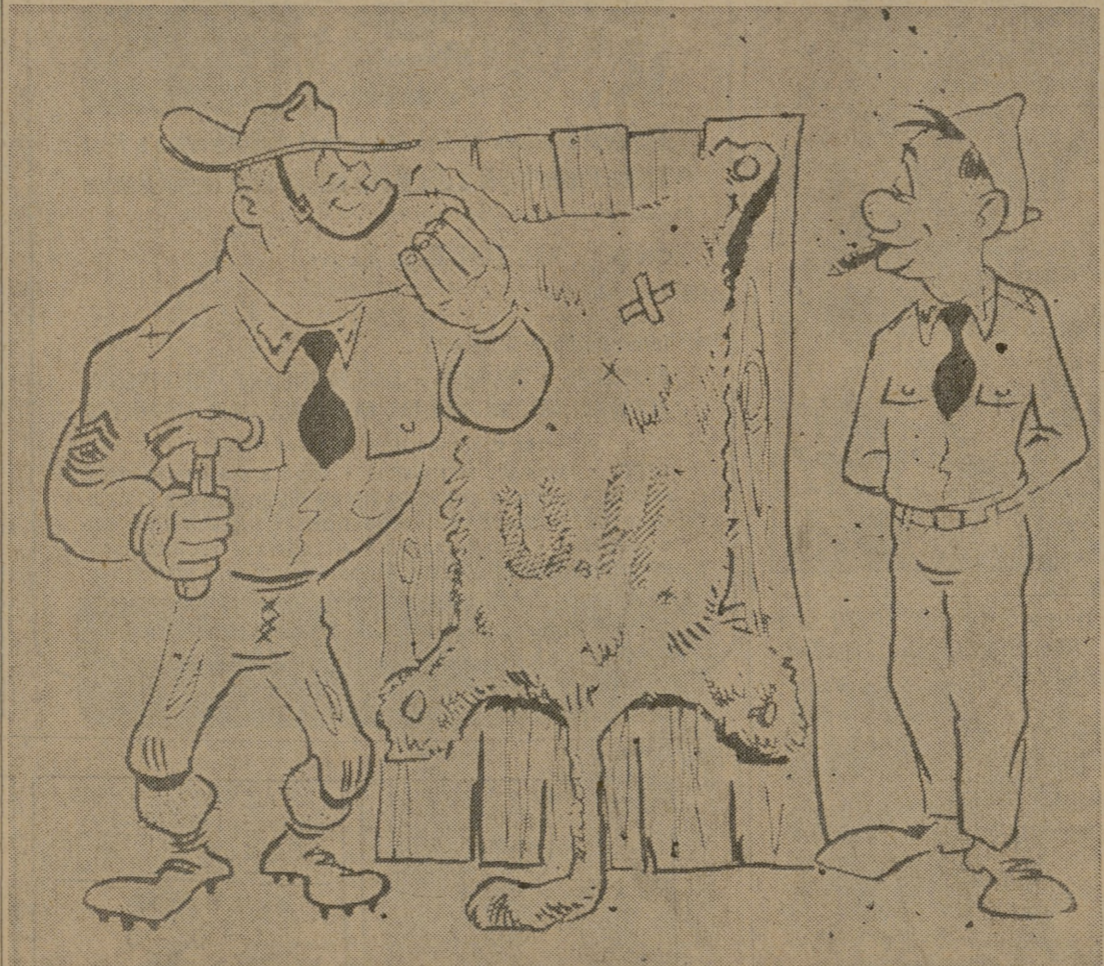

A&M will enter the Cougar contest at full strength, with no starter expected to be out of the game with injuries. Milstead threw a scare into the Cadet coaching staff earlier this week when he received a shoulder injury, but it proved to be only slight.

Milstead will quarterback the Aggies with Jon Few running at left half and Robert Sanders at right. Gordon LeBouef is expected to get the starting fullback nod.

Veteran Don McDonald is due to open at quarterback for Houston with Lonnie Holland directing the second unit. The remainder of the starting backfield will have King at left half, Jim Kuehne at fullback and leading ground gainer Burks at right half.

Holland threw the touchdown pass against Cincinnati in the final quarter to win the game. The pass was to Erroll "The Peril" Lindsey, who made three clutch receptions that day.

Game time is 8 p.m.

Featured Vocalist Tonight

Marcia Ransom, freshman at the University of Texas, will be one of the featured vocalists tonight at Cafe Rue Pinale in the MSC from 8 until midnight. Also featured will be Barbara Gibbs, a senior at Stephen F. Austin High School.

Dean Hannigan Visits Civilians

Dean James P. Hannigan was the featured guest last night at the meeting of the Civilian Student Council in the Senate Chamber of the Memorial Student Center.

Hannigan gave a short talk and told members that he would always be ready to advise and help the council in any way.

"From what I know," Hannigan said, "the work of the Civilian Student Council has been very good. I hope that I can help this group in any way and I certainly don't wish to interfere with your work."

Main business during the evening consisted of discussion of the Kyle Field seating arrangement. The same seating that was used last year is expected to be used again this year.

President Charles Graham told the members that he thought the cooperation the Corps and Civilian students was good and that with the help from both sides "we should have no trouble in seating at Kyle Field Saturday."

Reports from the Aggie Sweetheart Selection Committee and the Parking Committee were also discussed.
