

Hogs Drop Ags, 12-7, For Conference Win

The aroused Aggies did their best to spoil the Arkansas Razorbacks' homecoming Saturday in Fayetteville, but the Hogs rallied in the final period to overcome a Cadet lead and win, 12-7.

A&M had entered the game a 15 point plus underdog, but they refused to roll over and play dead before 30,000 fans and a television audience and almost pulled their second major upset of the year.

The loss left the Ags deep in the conference cellar with a 0-3 Southwest Conference record. Arkansas' win kept their hopes of a championship alive although they have suffered one defeat at the hands of the league-leading Texas Longhorns.

A&M staved off the Porkers the first half with brilliant defensive play. All told the Farmers recovered three Razorback fumbles and intercepted two passes.

The Aggies made one serious threat in the first half when they moved to Arkansas' 13-yard line, but the Hogs held for three downs

and forced A&M to try for the field goal. Randy Sim's boot was wide and the first threat of the game was ended. The march covered 50 yards, originating when A&M's Wayne Labar recovered an Arkansas fumble on the 37.

A&M scored the first time they got their hands on the ball in the second half, taking Arkansas' kick-

Arkansas	Texas A&M
First downs	19 11
Rushing yardage	313 108
Passing yardage	37 31
Passes	6-10 6-11
Passes intercepted by	0 2
Punts	1-64 6-24.6
Fumbles lost	3 0
Yards penalized	65 20

off and marching downfield with a backfield composed of three sophomores and a senior.

Veteran tailback Charley Milstead, his knee swathed in bandages, directed the attack with a backfield composed of Sophs Eddie Van Dyke, S. J. Halpin and Jim Murphy.

Murphy returned the opening kickoff 24 yards to A&M's 38. Milstead connected on a pass to End

Russell Hill, another sophomore, that covered 20 yards before the Hogs could bring him down. Halpin, playing a tremendous game from the fullback slot, worked his way through the line for 15, and an 11-yard pass from Milstead to End Jack Estes put the Aggies in scoring position on the Razorback three. Halpin smashed through right guard for the touchdown and Sim's try for extra point was good, putting the Aggies ahead, 7-0.

Arkansas took the kickoff and roared right back to score, capped by Jim Mooty's scoring dash from A&M's one. Freddy Akers missed the extra point try and the Farmers led by one point.

The Razorbacks came back in the final quarter to score the winning touchdown, with Mooty again totting the ball over for the score from the 6.

A&M hopes to score their first Southwest Conference victory of the year next Saturday when they meet the SMU Mustangs on Kyle Field in an afternoon game.

CHS Halts Bobcats, 20-12; Homecoming Contest Friday

By RUSSELL BROWN
CHS Correspondent

The good ole Homecoming spirit is in the air across the way on the campus of A&M Consolidated as the Maroon and White sharpen their claws for their Friday night battle with the Humble Wildcats on Tiger Field, site of the 1959 Tiger Homecoming.

Humble, resting third in the district 21-AA standings behind the Bellville Brahmas and the Bengals, invade the home of the Tigers with a 5-3 season record, and a count of 1-1 in district with a win over cellar dwelling Navasota (0-3) and a loss to Bellville (2-0). The 'Cats sport probably the fastest back in the conference in the person of seatback Johnny Parker, a junior speedster that runs a mighty fast halfback post.

Friday night found a Dads' Night crowd about wild with anxiety and fingernail biting. The Bengals held a determined bunch of Cypress-Fairbanks Bobcats just inches from the goal stripe with time running out to preserve a crucial 20-12 victory over the slightly favored 'Cats.

The Tigers struck first when the Bengals set up shop in the 17-yard line where Jim Wright rambled 16 yards on a trap to the Tiger 33. From there left half Brenner Sayers, behind good blocking, cut over right tackle and outlegged everybody 67 yards with 2:02 remaining. Points failed leaving the count at 6-0.

Breaks on both sides kept clubs from tallying in the second period, but the Tigers chalked the scoreboard again with 7:17 left in the third period when quarterback Condy Pugh plunged the final two yards capping a 33-yard drive that took 10 plays and 3 first downs. The key play came when fullback Wright worked the trap for 13 yards and a first down on the 18 after being faced with a fourth down situation. Dee Smith ran the extra points for a 14-0 edge.

The Bobcats, known for their offensive prowess, roared back with a 53-yard drive that covered nine plays and three first downs with halfback David Derrick capping the

drive with a 28-yard rollout around left end after he and fullback Carl Glass chalked up the most distance of the drive. Pugh batted away quarterback Ken Clark's extra points pass with 3:25 to play in the third period.

After a kickoff went out of bounds, the 'Cats fell on Irvin Todd's fumble of the ensuing kickoff and set up housekeeping on the Bengals' 39. Again Derrick took it in from two yards out with 12 seconds to go on the ninth play of the drive. Clark's extra points run failed, leaving the count at 14-12.

Midway in the fourth stanza Pugh punted deep to Ken Kreger where end Bob Adams hit him with a bone-crushing tackle on the Bobcat three. Four plays later Pugh swiped a Clark toss and returned it 33 yards into the end zone. A personal foul ruined the extra points try setting the scene for the Tigers with a 20-12 lead.

Cy-Fair took the kickoff with five minutes to go and marched

steadily goalward setting up a first and ten on the Tiger 28 with 54 seconds to go. A roughing penalty set the ball on the 13 with 23 seconds and Kreger bulled to the three with about 15 seconds to go. From there Clark attempted a quarterback sneak but fell short of the promised land as the entire Tiger line rose to the occasion.

Glass led the rushers with 117 yards in 16 carries while Wright and Sayers hit for 75 yards in 13 carries and 88 yards in ten attempts to lead the Tigers. The Bobcats outdid the Tigers in every department, gaining 139 more yards than the hosts, but the scoreboard told the final story.

Friday night's heroes as listed by a jubilant Coach Ed Logan were Pugh, guard Mike Bloom, tackle Vic Clark, center Joel Mills, "Tough Tiger" against Navasota, and halfback John Pedigo. Mills fell on two fumbles of the 'Cats and Pedigo was on the bottom of the stack on a third.

INTRAMURALS

Basketball, football and horseshoes took the lime light in intramurals yesterday with only one game being played in handball.

In the class A handball Co. F-1 took Sq. 5.

There were five games played in class A and C basketball. Co. A-2 beat Co. H-2, 19-13. Co. E-2 topped Sq. 9 by eight points and Sq. 9 won on a forfeit.

Mitchell beat Law, Bizzell won over the Meteors and Leggett won on a forfeit in the class C division.

Class B horseshoe winners were Sq. 7, 17, Sq. 13 and Sq. 14.

Co. C-1 and C. D-1 won on penetrations in games with C. I-1 and Co. K-2 in class B football. Co. H-2 beat Co B-1, 12-6, Sq. 3 took

Co. A-1 by 14 points and Co. L-2 shut out Co. E-1, 20-0.

Caffey, Ledbetter Lead In Yardage

Statistic-wise the Aggie Fish have out mugged their opponents in almost every category, but have managed to come out on top end of the score only in last week's game with the Houston Kittens.

Lee Roy Caffey, 205-pound fullback from Thorndale, is the leading ground gainer for the Fish with 106 net yards gained. Ronny Ledbetter, Dalhart halfback, has the most total yards with 114.

Jon Mason, 9.7 speed merchant from Las Cruces, N. M., is leading in kickoff returns with a booming 58.5 average.

SWC Standings

Team	W	L	T	Pct	Pts	Op

"Serving Texas Aggies"

MEET BURNELL RICHARDSON AND DICK MASLOWSKI

They're transmission engineers with Michigan Bell Telephone Company in Detroit. Burnell graduated from Western Michigan in 1951 with a B.S. in Physics, spent four years in the Navy, then joined the telephone company. His present work is with carrier systems, as they relate to Direct Distance Dialing facilities.

Dick got his B.S.E.E. degree from Michigan in 1956 and came straight to Michigan Bell. He is currently engineering and administering a program to utilize new, transistorized repeater (amplifier) equipment.

Both men are well qualified to answer a question you might well be asking yourself: "What's in telephone company engineering for me?"

 **SAYS DICK:**

"There's an interesting day's work for you every day. You really have to use your engineering training and you're always working with new developments. Every time Bell Laboratories designs a new and more efficient piece of equipment, you are challenged to incorporate it in our system effectively and economically. For example, I have been working on projects utilizing a newly developed voice frequency amplifier. It's a plug-in type—transistorized—and consumes only two watts, so it has lots of advantages. But I have to figure out where and how it can be used in our sprawling network to provide new and improved service. Technological developments like this really put spice in the job."

 **SAYS BURNELL:**

"Training helps, too—and you get the best. Through an interdepartmental training program, you learn how company-wide operations dovetail. You also get a broad background by rotation of assignments. I'm now working with carrier systems, but previously worked on repeater (amplifier) projects as Dick is doing now. Most important, I think you always learn 'practical engineering.' You constantly search for the solution that will be most economical in the long run."

There's more, of course—but you can get the whole story from the Bell interviewer. He'll be visiting your campus before long. Be sure to sit down and talk with him.
