

More than 13,000 Being Mailed

Area Residents, Students To Receive TB Seals Monday

Brazos County residents and A&M College students will be reminded Monday, that the Christmas season is just around the corner.

The reminder will come in the form of the annual Christmas Seal letters, over 13,000 of them, which will be mailed throughout the county by the Brazos County Tuberculosis Assn. as the 1959 Christmas Seal Sale gets underway.

The slogan for the campaign this year is "Protect the Family Circle," and the cheery little goodwill and health stamps remind all that Christmas, the season of goodwill when family ties are uppermost in our minds, is near.

"Over eight million lives have been saved since the first Christ-

mas Seal was sold, but the saving of lives is not enough," said Mrs. I. W. Ruppel, Christmas Seal chairman. "We must see to it that every family is spared the suffering and tragedy of this long-term, chronic illness. With as many as 84 known cases of tuberculosis in the county now, too many families are already suffering."

The Christmas Seal Sale is the only fund-raising appeal of the Brazos County TB Assn. Money raised by the annual sale helps to guarantee good health for all the family by safe-guarding the public health through X-rays for family contacts of known indigent TB patients, tuberculin tests for the school children, help for the ex-TB patients in getting back on their

feet and health education.

Of every dollar spent in the purchase of seals, 82 cents is used to fight tuberculosis in Brazos County. Twelve cents goes to aid the state-wide work of the Texas TB Assn. Six cents is used to support 40 current medical research projects and other work on the national scale. All of this is a help is the local fight.

"Many business firms and individuals have already sent in generous contributions," Mrs. Ruppel said, "but it is the two and three dollar donations from the many that add up and make the drive what it should be—a community project."

Mrs. Ruppel said that too much praise could not be given the different groups helping to get the Christmas Seals in the mails. Hundreds of hours were spent in revising mailing lists, addressing, sorting, stuffing, and mailing the letters—all voluntary work.

MSC Creative Arts Committee Plans Annual Art Exhibition

Artist, craftsmen and sculptors of a nine-county area are invited to submit original work in the third annual regional art exhibition co-sponsored by the Creative Arts Committee of the Memorial Student Center and the Texas Fine Arts Assn.

The exhibit will be held at the Center Dec 1-19.

According to Wallace Dreyer, art director at the center, competition is open to all persons 15 years or older who reside in Brazos, Falls, Milam, Robertson, Lee, Burleson, Madison, Grimes and Washington counties. Competitors may submit up to three entries in any media.

A special jury will select the entries to be included in the exhibit and prizes will be awarded.

for the best works in all categories. Winning entries will be presented again to the public in a show at Laguna Gloria museum in Austin June 15-August 15, 1960. Best works from the Laguna show will be sent on state tour.

Purpose of the regional art shows is to discover any new talent and to give recognition to little known artists engaged in creative expression through painting, crafts and sculptures, said Dreyer.

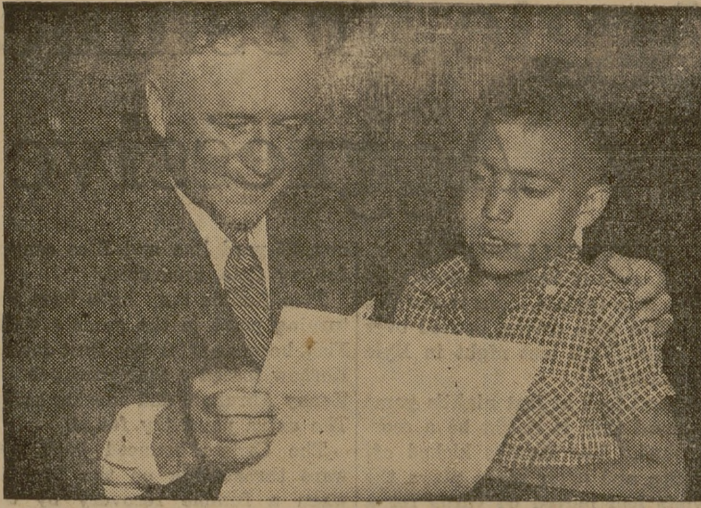

Entries for the forthcoming exhibit must be prepaid to the Memorial Student Center before Nov. 25. Entry blanks and instructions may be secured from Dreyer or Nick Settanni, chairman of the Creative Arts Committee, at the Memorial Student Center.

Home Economists To Meet Saturday

The Brazos Valley Home Economics Assn. will hold a luncheon meeting noon Saturday in the dining room of the Memorial Student Center.

Mrs. Willie Belle Bogard, home service director for Bryan Public Utilities, and Mrs. Nadine Copeland, home economist for Lone Star Gas Co., will illustrate their talk, "Kitchens—Today and Tomorrow," with colored slides.

Santiago, Chile, in South America has a sugarloaf-like peak called Cerro Santa Lucia in the heart of the city. In early days it was used as a fortress.

Proclaims Christmas Seal Days

Governor Price Daniel proclaimed Christmas Seal Days in Texas as he visited with a small recovered tuberculosis patient, Leonard Alcala of Austin. Leonard Alcala, whose parents are Mr. and Mrs. Paul Alcala, spent part of his boyhood in a tuberculosis hospital, in company with his parents. All are now recovered.

LUCKY STRIKE presents

Dear Dr. Frood:

Dr. Frood, Ph.T.T.

DR. FROOD'S MORAL OF THE MONTH
When the world seems dark . . . when the sun refuses to shine, do not fret. It happens every night.

Dear Dr. Frood: I have gone steady with four different boys in the last three weeks. Would you call me fickle? L.N.

Dear L.N.: I would call you seldom.

Dear Dr. Frood: I hear that at some schools they let you smoke in class. How can I convince our administration to do the same? Hopeful

Dear Hopeful: Wherever you smoke Luckies, you're smoking in class.

Dear Dr. Frood: My girl is the best-looking doll on campus . . . honey-blond hair, beautiful face and figure. I date her so often that my marks are suffering. What should I do? Daddy

Dear Daddy: Better your marks suffer than you.

Dear Dr. Frood: A professor here says I'm so dumb I can't spell my own name. What should I do? Willyum

Dear William: He's just teasing.

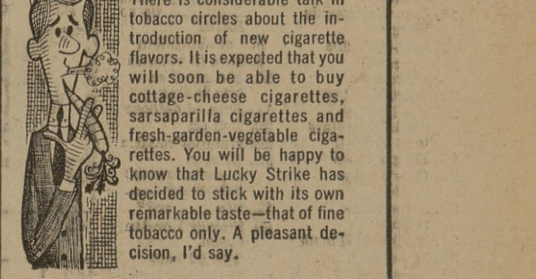

Dear Dr. Frood: Like you're the most. I mean like you're out there . . . so cool you're iceville. Like you're the ginchick. Chick

Dear Chick: Like you're sick, Chick.

Dear Dr. Frood: Several girls' colleges nearby depend on our college for dates. Some girl is always calling and asking me to go out. How can I politely refuse? Bothered

Dear Bothered: Say you have a headache. Better still, admit you have no head.

DR. FROOD ON A CURIOUS DECISION

There is considerable talk in tobacco circles about the introduction of new cigarette flavors. It is expected that you will soon be able to buy cottage-cheese cigarettes, sarsaparilla cigarettes and fresh-garden-vegetable cigarettes. You will be happy to know that Lucky Strike has decided to stick with its own remarkable taste—that of fine tobacco only. A pleasant decision, I'd say.

COLLEGE STUDENTS SMOKE MORE LUCKIES THAN ANY OTHER REGULAR!

When it comes to choosing their regular smoke, college students head right for fine tobacco. Result: Lucky Strike tops every other regular. Lucky Strike's taste beats all the rest because L.S./M.F.T.—Lucky Strike means fine tobacco.

TOBACCO AND TASTE TOO FINE TO FILTER!
