Wednesday Night in Sbis Hall

Bonfire Dance Features Jimmy Dorsey Orchestra

The final All-College Dance of the season will be held in Sbis Hall after the Bonfire Wednesday night.

Tickets are on sale now at the Cashier's Window in the Memorial Student Center at \$2.50 per couple. Proceeds will go to defray expenses of the Bonfire.

The couples will be dancing to the music of Jimmy Dorsey's orchestra under the direction of Lee Castle and featuring Jayne Ames. Castle, one of the best trumpet

players in the country, has been considered the "third son" of the Dorsey Band. After being a member of such bands as that of Artie Shaw, Glenn Miller and Benny Goodman, Castle finally joined up with Tommy and Jimmy when they created "The Fabulous Dorsey Orchestra," as musical conductor and featured trumpeter.

Jimmy Dorsey is credited with putting the juke box industry on its feet. Emphasizing a sweeter style, Jimmy's recordings of "Ama-

pola," "Maria Elena," Green Eyes," "I Hear A Rhapsody" and "Besame Mucho" were a few of the biggest juke box favorites ever recorded. Jimmy Dorsey, who sold over 40 million records, was also responsible for one of the recording industry's first million sellers, "John Silver."

Tommy and Jimmy Dorsey are credited with delighting audiences from coast to coast for a period of over two decades with fabulous music. The first Dorsey Brothers Orchestra was formed in 1922 as a small group called the Dorseys' Novelty Band which played around their home town of Shenandoah, Pa. Then, for nearly 10 years, they performed as top instrumental soloists for the leading orchestras of the period. In 1934, they organized their own orchestra and began to make musical history. In two years they established musical tradition for an entire generation. Finally, Tommy and Jimmy decided to go their individual ways, and two fine orchestras emerged. Together and apart, the Dorsey Brothers sold a combined total of 110 million records. They were responsible for the first success of many top vocalists, including Farnk Sinatra, Dick Haymes, Jo Stafford and Connie Haynes.

Playing before their greatest audience on CBS Television's hit program, "Stage Show," the fabulous Dorseys won the favor of an entire new generation of music lovers.

Jimmy Dorsey's recording of "So Rare" represented his first big hit in about 14 years, and the million teen-agers who today make or break today's record stars turned this record into one of the astonishing successes in recording history. He recorded "So Rare" and "Sophisticated Swing" in the still popular, sweet and simple method that made him such a terrific celebrity in the 1930's and early '40's. His style of music proved to be the kind of music that becomes a legend throughout the years.

Consolidated Girls Feature Cake Sale

The junior class girls of A&M Consolidated High School will take the first step of six weeks of success sponsored by the Junior Class Saturday by featuring a cake sale at Miller's Super Market, Townshir Shopping Center, Southside Shopping Center and North Gate.

All proceeds go to the junior class to help foot the bill for the Junior-Senior banquet coming up on March 19.

Six Weeks of Success has been set up by the girls as a challenge to the junior class boys. Beginning with next Saturday and continuing for six weeks the boys and girls will compete with money-making projects to see who can earn more money for the class. The loser will be requested to give a dinner for the winners or turn over \$20 to the victors.

The Flying Aggies of Oklahoma State University will host the NIFA.

The purpose of the winter meeting of the NIFA is to coordinate the efforts of past, present and future host for the NIFA's Annual Flying Contest which is held each spring. There will also be a small scale flying contest presented to promote good will and furnish entertainment for those who attend the meeting.

About 50 of the nation's top colleges and universities participate in the NIFA's flying contest each year. The Flying Kadets of A&M, who have been active in the NIFA for five years, will host the contest in the spring of 1961.

A column of incidental intelligence by Jockey brand

"APPLE OF THE EYE" For this overworked phrase, we must turn to the world's richest source of quotations—the Bible. Specifically, the Old Testament, Deuteronomy, XXXII, 10; "He kept him as the apple of his eye."

"ALL IS NOT GOLD"

Seems like everybody had a crack at this piece of homely philosophy, but the originator seems to be Geoffrey Chaucer, in "The House of Fame", Book I: "Hyl is not all gold that glareth"

"COUNT TO..."

Was there any limit to the talents of Thomas Jefferson? Statesman, scientist, architect—he also authored this admonition: "When angry, count ten before you speak; if very angry, a hundred."

Farmers in Good Shape for Texas

The Aggie eleven moved out onto the practice field yesterday after taking a well deserved day of rest Monday. Coach Jim Myers has until Nov. 16 to get his charges ready for their next game.

A&M players escaped from the Rice tilt without any serious injuries to anyone. Sophomore Fullback S. J. Halpin reports back to the squad this week after missing the Owl game with a leg injury.

The Aggies plan to hold short workouts most of this week.

Fullback LeBoeuf Tops Ag Rushers

Fullback Gordon LeBoeuf leads the Aggie team in rushing and number of times carried, but Tailback Charley Milstead has the most total offense, due to his trusty right arm.

LeBoeuf has carried the ball a total of 97 times for 300 yards, an average of 3-1 yards per carry. He had lost a total of 9 yards. Milstead has toted the pigskin 96 times for 654 yards—43 rushing and 611 passing.

Halfback Robert Sanders is second in rushing, with 143 yards on 33 tries. Halfback-Quarterback Powell Berry is second in passing, completing three of six for 46 yards.

DAUGHTER VS. DAD

AUBURN, Ala. (AP)—There's a bit of family conflict when Auburn meets Georgia Tech in football. The former Carolyn Smith, now Mrs. Del Straub, is a former Auburn coed who now works in the athletic department at Auburn. Her father is a past president of the Georgia Tech Alumni Assn. in Birmingham.
