

# 106 Freshmen File For Class Positions

By 5 p.m. Wednesday 106 members of the Class of '63, the largest number in recent years, had filed for posts in the general class election of freshman class officers, Freshman Student Senators, and Freshman Election Commission members.

The election will be held Dec. 3 with the voting machines located in the corridor between the Fountain Room and the Bowling Alley of the Memorial Student Center. The machines will be open from 8 a.m. to 5 p.m.

W. D. (Pete) Hardesty, student organizations adviser, said that a runoff election will be held Dec. 15 for the class officers. No runoff will be held for Student Senate and Election Commission. Four freshmen will be elected to the Student Senate and five freshmen will be elected to the Election Commission.

The requirement to hold a class office or an election commission post is a grand point ratio of 1.00. For a Student Senate post a student must have a G.P.R. of 1.5. The students' G.P.R. will be checked by the Registrar's Office.

**Other Senate Posts**

Other Student Senate positions to be filled at this time are recording secretary and junior agriculture representative to the Student Senate.

Norris Ray Gilbreath and Earl J. Wentworth, both sophomores, have filed for the post of recording secretary. All classes will vote on this position.

William R. Millsaps and Leo C. Rigsby have filed for the position of junior School of Agriculture representative. Only classified juniors in the School of Agriculture will be allowed to vote on this post.

Hardesty requests that students running for office consult the College Regulations Book for 1959, paragraph 63, for rules concerning campaigning. Any violation of these rules will result in the student concerned being dropped from election, he said.

Freshmen who have filed so far are:

**Horn of PLENTY**

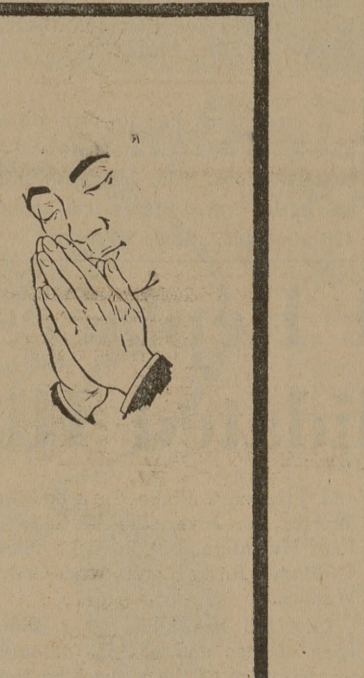

This great land of ours has been blessed with the riches of the earth and with the freedoms, the rights, to enjoy them. But does the mere ownership of these goods guarantee our happiness?

All of us have experienced a disappointment at finally possessing some much-desired article. After weeks and sometimes years of looking forward to it, we find that the actual ownership brings little pleasure.

Could the fault lie with the gift itself? No, apparently it is within ourselves. Our own attitudes, our own relationships, our own understanding have certainly much more to do with our final satisfaction.

How then are we to derive the greatest blessings from the goods which have been put at our disposal? The best place to begin is in the Church. Here, in a personal search for God and our own understanding of Him, we may achieve a spiritual harmony, which will bless our lives and those of our fellow men.

**THE CHURCH FOR ALL ... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# Bass, Hall Submit Papers in Atlanta

Dr. J. Horace Bass and Dr. Claude H. Hall of the Department of History and Government gave papers at the 25th annual meeting of the Southern Historical Assn. held recently in Atlanta, Ga.

Dr. J. M. Nance, head of the de-

partment, also attended the convention.

Bass' paper was on "The Last Year of the Civil War in Georgia" and Hall presented a paper entitled, "Abel O. Upshur and the Navy as an Instrument of Foreign Policy."

# AEC Renews Grant For Plant Research

The United States Atomic Energy Commission has renewed its grant of \$18,500 to support research on "Radiochemical Studies with Ethylene in Plant Metabolism" under the direction of Dr. Wayne Hall and Dr. C. S. Miller, head and assistant professor, respectively, of the Department of Plant Physiology and Pathology.

Hall said this is the second year of a three-year contract.

The Southern Historical Assn. was organized in Atlanta, Ga., on Nov. 2, 1834, by 34 persons and has now attained a membership of 2,000, making it one of the largest historical societies in the country.

Its objectives include the promotion of interest and research in Southern history, the collection and preservation of the South's historical materials, the encouragement of state and local historical societies in the South and the advancement of the teaching and study of all branches of history in the South. The association publishes the Journal of Southern History, which has a wide circulation and is recognized as one of the leading historical reviews in the United States.
