CHS Tigers Win Two This Week

By RUSSELL BROWN
CHS Correspondent

In a flurry of roundball action this week the A&M Consolidated Tigers racked up two wins against one loss in non-district action.

Tuesday night found the Tigers at Allen Academy against the Ramblers, coming out on top 38-27. Wednesday and Thursday night the Bengals opened their home season by meeting Hearne and South Houston High of Pasadena. The Bengals bested the Eagles 54-30 but the 12-4A representatives from Pasadena pulled out a 55-53 victory over the Maroon and White.

The Tigers used a well-balanced offense against the Ramblers, using the tandem-offense and the fast break to their advantage. The Maroon and White, avenging an earlier loss to Allen in the Bryan Tourney, rolled up an 18-11 half-time lead and won going away 38-27. Senior Bruce Thompson, 6-2, led the attack with eight points while Kelly Parker hit for seven. Jerry Kruse of Allen took high point honors with nine.

Wednesday night was a complete rout as the hosts out-shot, out-rebounded, and out-played the listless Eagles by a 54-30 margin. The Maroon and White built up a 21-4 and 34-15 first half leads before slacking off under reserve action to finish the stomping. Thompson dropped 14 points through the loop to lead the win-

ners. Hearne scored in stairstep fashion as Simon Martinez had eight, Howard White had seven, Grady Russell hit six, Sam Altimore had five and Bill Hall had four.

Thursday night was undoubtedly one of the best high school games in the local area for some time. Both teams started out cold as the halftime count read 14-14. Both quints put on their scoring caps in the final periods as a total of 80 points went through the hoop, 41 going to South Houston and 39 to the Tigers.

Ronnie Rucker led the District 12-4A representatives with 18 tallies while Thompson finally hit his midseason stride by finding the range for 11 field goals and five free shots for 27 points, the highest output by a Tiger this year.

The Bengals meet the Allen Ramblers again in Tiger Gym next Wednesday night.

Undefeated Cadets Challenge Midwestern Indians Tonight

Coach Bob Rogers' Aggies lay their unblemished basketball record on the line tonight as they challenge the invading Midwestern Indians at 8 p.m. in White Coliseum.

This will be the first meeting of the two teams in the history of both schools, and the Farmers are odds-on favorites to send the Redskins packing back to their lodges minus their scalps and wampum.

Midwestern has some big medicine they can throw up in efforts to block the Aggies, with a team that averages out at a towering 6-4, with their top scorer of the past season returning to put fear in the white man's breast.

Top threat for Midwestern is

6-5 Center Bob Myers, who hails from the same town that Midwestern is located in, Wichita Falls. Myers scored 302 points in 27 games last season for a per game average of 11.1. Myers is All-team co-captain along with Al Lee.

Tall man on the team is 6-6 senior Wayne Davis, a four year man for the Indians. Davis is scheduled to start at Forward. Lee is Davis's running mate, and is the shortest man on the squad at 5-11.

Lee is a veteran of service ball where he was All-Air Force honorable mention on the Sheppard Senators team that won the world-wide service championship.

Rounding out the Redskins

starting five are two-year letterman Tom Shelton at forward and Sophomore Bobby Cash, a 6-4 guard.

Cash is also a veteran of armed forces ball, and made the All-Forces second team.

Kelly Chapman, the spectacular Kentuckian with the unorthodox jump shots, is slated for the first starting roll of the season as a replacement for Don Stanley. Chapman is the leading scorer on the A&M team with a 15 point per game average. Chapman has been hindered by a hurt hand.

Don Stanley has been slow in rounding into form this season, due to an operation that kept him off

the practice courts for the first three weeks of the basketball year.

Representing the Stanley's in the starting lineup will be brother Pat, who won fame earlier in the week by holding Houston's Gary Phillips to a meager six points, while collecting only two fouls along the way.

Wayne Lawrence, Carroll Broussard and Wayne Annett round out the probable Aggie starters, while Wilmer Cox and Elliot Craig are set for their alternating turns with the starting five.

The A&M Fish will not play before the varsity, but are slated for action again Thursday night when they meet Kilgore in Kilgore.

Ag Swimming Team Opens at SMU Meet

Aggie tankmen will get into the "swim" of things Dec. 19 as they open the swimming season at the Conference Relays in SMU's Joe Perkins Natatorium.

The relays at Dallas will feature 10 events with 16 men from A&M entered.

The events include 200-yd. free style relay; 200-yd. breast-ly relay; 200-yd. backstroke relay; 200-yd. medley relay; 1000-yd. distance free style relay; diving; 400-yd. free style relay; 400-yd. breast-ly relay; 400-yd. backstroke relay; and 400-yd. medley relay.

Aggie breaststrokers for the relays include Deiter Ufer, Orlando Cossani, Robert Crenshaw, and Oscar Gordon.

Don Draper, Hondo Hernandez, Harold Hooks, John McKinney, Ronnie Reitz and James Roberts will compete in the freestyle events.

The backstrokers are John Harrington, All-American last season, Robert Crenshaw and Jack Klug. Dave Woodard is the top man in the butterfly event.

Divers are William Pechauk and Clark Lincoln.

Although some of the swimmers are named to compete in only one event, they will fill in the other events to complete a team.

Besides the competitors in the relays, Fred Kana and Sonny York will make the trip as managers.

The SMU meet will have all the members of the Conference competing, including Texas Tech.

Although the Fish don't open the season until Feb. 5, Coach Art Adamson is very pleased with his freshmen prospects.

Tom Kennerly and Bill Baker, both High School All-Americans, drew the greatest praise from Adamson.

Other promising freshmen are Rogelio Nunez, breast stroker; Walter Windsor, Robert Hipp, Louis Benhardi, Henry Eissler and Jimmy Bice, all free style, and David Langford, backstroke.

Adamson said that he is pleased with the freshmen prospects and they should do well this season.

Last year the Varsity ended up third in the SWC and Coach Adamson has indicated that they probably wouldn't finish too much better this year.

A column of incidental intelligence by Jockey brand

"THE WORM TURNS"
Shakespeare said it this way: "The smallest worm will turn, being trodden on." But Miguel de Cervantes beat him to it in "Don Quixote", Part II, Book 3: "Even a worm when trod upon, will turn again."

"MUSIC HAS CHARMS"
The 17th Century playwright, William Congreve, was the first to set down this classic metaphor concerning the powers of sound and rhythm. You'll find the whole quote in "The Mourning Bride", Act I, Sc. 1: "Music hath charms to soothe the savage breast, To soften rocks, or bend a knotted oak."

"RHYME OR REASON"
Edmund Spenser, 16th Century poet, expected a pension. He didn't get it. So he wrote this rhyme: "I was promised on a time/To have reason for my rhyme;/From that time unto this season,/I received nor rhyme nor reason."

What Makes Pop Corn Pop?

Popping corn contains water. When the water gets hot enough, the kernel explodes. Result: popcorn.

We're not passing this information along as a public service. Actually we're up to the same old game.

You see, popcorn makes most people thirsty. Fortunately, when most people get thirsty they hanker for the good taste of Coca-Cola.

Wouldn't you like some popcorn right now? C'mon now, wouldn't you?
