

Farmers Meet Bears Tonight; Undefeated Record at Stake

Southwest Conference Tournament champion A&M met their undefeated opponent tonight in the line football game at the Baylor-Baylor Stadium in the opening game of the SWC season. The Aggie Fish will open hostilities at 6 p. m. against the Cubs.

The Cadets, winners of eight straight games, will face a tough Baylor five who have won six and lost three. Neither team faced each other in the conference tourney last week in Houston.

A&M has two men on the sick list, starting Guard Wayne Annett and Forward Kelly Chapman. An-

nett is hampered by a charley horse, but will definitely see action, while Chapman is almost fully recovered from a bout with flu.

With Annett probably a doubtful starter because of his injury, senior Wilmer Cox will step into a starting role at the guard position along with sharpshooting Carroll Broussard. Forwards are Don Stanley and brother Pat, while Wayne Lawrence holds down the post position.

Broussard is the leading scorer for the Aggies and top man per-

centage wise, hitting at a .487 clip from the floor for an 18-2 point per game average. The Aggie Soph is second in rebounding with 60.

Lanky Wayne Lawrence tops the Farmers in rebounding with 63 and is second in scoring with an 11.6 per game average. Lawrence has a .417 field goal shooting percentage.

Pat Stanley is averaging 10 points per game and is third in rebounding with 46, trailed by Annette with an 8.1 point per game average.

Carroll Dawson of Baylor leads his team in the scoring department with a total of 171 points, a 19 point per game average. He is also the top Bruin rebounder with 90.

Senior David Pierce is second in scoring for the Bruins with an

11.6 scoring average and has 36 rebounds. Bob Turner and Richard Tinsley round out the top scorers for the Bears with a 10.8 and 7.7 averages.

The Aggies have the edge in both scoring and defensive play, averaging 74.5 points per game scoring while limiting their opponents to 53.6. Baylor averages 67.6 points per game and has held their opponents to a little over 60 points per game.

Both teams have played common opponents, facing TCU in the SWC Tournament. A&M downed the Horned Frogs by 11 points, Baylor beat them 16.

Last year the Aggies and Baylor split in their two game series, A&M winning their game at College Station while Baylor played the stingy host and won theirs at Waco.

CHS Annexes Three Wins In Holiday Tournaments

By RUSSEL BROWN
CHS Correspondent

The Humble Holiday Tournament and three non-district tilts have given the A&M Consolidated Tigers three wins in their last four starts over the Christmas Holiday period, bringing the Bengals record to 7-4 for the young 1959-60 season.

Coach Jack Churchill's boys rebounded from their 55-53 loss to the South Houston High of Pasadena Trojans Dec. 16 when they racked up their second win in three tries over the Allen Academy High Ramblers 54-37, in Tiger Gym. The Bengals hit a cold streak in the first half of play leading only 19-18 at halftime but bounced back in the second half of play to dominate the hapless Ramblers. Senior 6-2 postmen Bruce Thompson and Virden Smith tied for high point honor with 12 points apiece while Kelly Parker threw in 10. Jerry Kruse had 11 for Allen.

The first holiday weekend found the Maroon and White in Humble in the annual classic. The Bengals were eliminated by the eventual champ Cleveland, after am-

bushing Crosby 47-44 in the first round.

Thompson led the winners in the first tilt with 22 counters while Parker bit 14. Stevens led both quints with 23 points in a losing effort. In the Cleveland contest the Bengals made costly mistakes to drop the tilt to the high-riding Indians, 52-39. Parker led the Bengal scoring parade with 12 points, Thompson had 11, and junior guard John Pedigo had 10. Dick Deeson took offensive honors for Cleveland with 21 tallies while teammates Lonnie Blake and Danny Roberts had 13 and 11.

New Year's Day found the Tigers back on their home floor against the Franklin Lions in the first of a two-game series.

The Bengals whipped the Lions, 45-26, with tremendous second and third quarter showings even though the varsity played less than half the contest, giving way to the Tiger "B" bunch.

Parker again led the Tigers with 10 points while Thompson and Smith swished the nets six times apiece. Held to only one field goal in the first half, Franklin rebounded against the "B" teamers with Carrol Love hitting four quick buckets in the final period to end

the night with nine points for the losers.

Tuesday night the Bengals attempted to make it two in a row over the Lions in Franklin before journeying to Huntsville for the Huntsville Tournament being held Thursday, Friday and Saturday. Churchill's charges meet the Centerville Panthers at 8:30 p. m. Thursday night, before meeting either the winner or loser of the Bedias-strengthened Madisonville and Lovelady contest. Jan. 12 finds the Cameron quint at Tiger Gym for a return match before the Tigers entertain Caldwell the following Friday. District 21-AA action begins Jan. 19 against the Bellville Brahmas in Tiger Gym.

SPORT SLANTS

The Aggies became the third Southwest Conference team in history to win the annual SWC tourney twice in a row last week in Houston.

The other two teams to pull the trick have been TCU and SMU, with both teams winning a total of three championships since the tourney was originated in 1951.

Rice is the only other league team to win the tourney, with Tech, Baylor and Arkansas left out in the cold.

The Aggies ruined SMU'S chance of repeating for a fourth time in the tourney when they downed the Ponies in the championship finale, 58-55, in a game that almost went into overtime.

A&M played all three of their games in the night time, with each game being played before a capacity crowd. First they defeated TCU 72-61, then Texas 84-74 before moving to the finals against the Mustangs.

The Aggies placed two men on the All-Tournament first team, Carroll Broussard and Wayne Lawrence. Broussard, in addition, was named the tourney's most valuable player, receiving two watches. One was for the All-Tourney team and a gold one for being named the most valuable player.

Broussard edged out teammate Lawrence for the honor.

Charley Milstead, the Farmers star quarterback during the past football season, will be the guest speaker at the Beaumont A&M Club's dinner honoring more than 75 highly touted prep football stars from five districts Jan. 13.

The Aggies will also be represented by members of the Aggie coaching staff, who will have more on their minds than Charley's speech or dinner. Recruiting is now rushing along in all Southwest Conference schools.

Congratulations go out to the Arkansas football team for the fine game they played against Georgia Tech in the Gator Bowl, winning 14-7. It was Tech Coach Bobby Dodd's first loss in a bowl contest while coaching at that school.

Another tip of the hat goes to Texas for the spirited game they played against favored Syracuse, even though they lost the game. They put on an inspired performance that the conference can look back on in pride.

Unfortunately, not much can be said about the Horned Frog's showing in the Bluebonnet Bowl. Their performance was far from inspiring.

The Aggie basketball team is rocking along at a pace that could have them set a new win record at A&M, the previous mark, set in 1920, was when they won 19 and lost none. In recent times the Farmers won 17 and lost 12 in 1951, the last year they won the Southwest Conference title.

INTRAMURALS

With the holidays drawing to a close, a new beginning of the end is in store for intramural athletes.

Less than three weeks are left in the intramural season.

Yesterday most of the action was in the class A-C divisions with contest being played in ping pong, horseshoes, football and class B handball.

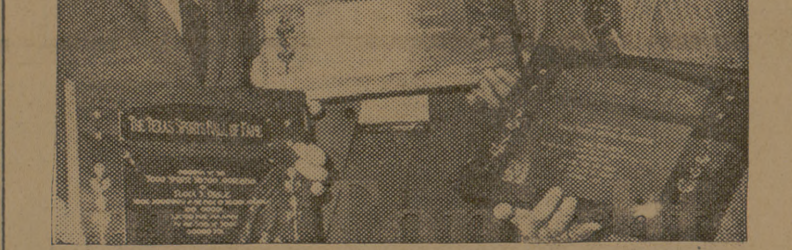

Co. K-2 beat Co. C-2 in handball and Walton topped College View in a class C contest.

Horseshoes found Law beating Puryear, Sq. 15 over Co. F-2, Sq. 7 over Co. G-1 and Sq. topped Sq. 12.

Two games were played in A-C football with Co. B-1 outscoring Co. B-2 and Maroon Band beating Co. H-2.

Handball was the only sport played in class B as Co. B-2 topping Co. B-1, Sq. 14 beating Sq. 4, White Band outlasting Co. A-2 and Sq. 12 besting Co. F-1.

Today's classes A-C schedule shows five games of football, two games of horseshoes and one ping pong match. Handball is the only scheduled sport in class B.

A Campus-to-Career Case History

"My talk with the Bell System interviewer is really paying off"

Today, less than five years since he graduated from Michigan State University, Donald J. Zigman is an Accounting Manager for Wisconsin Bell Telephone Company in Oshkosh—with seven supervisory and 93 clerical employees reporting to him. His group handles billing for 350,000 telephone customers and processes \$1,500,000 in revenue each month.

Don has moved ahead fast—and steadily—but no more so than the Bell System interviewer told him he might.

"That guy made a real impression on me," says Don. "He didn't guarantee a bright future for me. He simply described the kind of varied job experience I'd get, outlined the on-the-job training I'd go through, and pointed out the advancement opportunities I'd have along the way. The only thing he promised me was that I would have 'maximum exposure for self-development.' He was 100 per cent right there. My training has been terrific—and I've had every chance to advance that I could possibly hope for."

After joining the company, Don spent eight months in the Plant Department learning the roots of the business. He got experience as a lineman, installer and repairman. He was transferred to Accounting in December, 1956, working in the Methods and Results section. Thirteen months later, he was Supervisor of that section—and, 14 months after that, he became Accounting Manager.

"How much farther I go now is entirely up to me," says Don. "One thing I know: the opportunities are here."

Don Zigman graduated with a B.A. degree in Economics and English. He's one of many young men who have found interesting careers with the Bell Telephone Companies. Learn what opportunities you might have. Talk with the Bell interviewer when he visits your campus—and read the Bell Telephone booklet on file in your Placement Office.
