

Varsity Downs Frogs 64-56; Frosh Take 55-41 Decision

Lay it Up

And lay it up he did! This was part of Pat Stanley's eight point contribution in last night's game with the TCU Frogs. Trying to block Stanley's shot is Tommy Meacham, Frog forward.

Captain Bob Rogers and boys found some comeback spirit last night that was far overdue as they edged the TCU Frogs, 64-56.

The game was almost a repeat of the first meeting of the two teams earlier in the season. In the first game TCU had a 14 point edge over the TCU Frogs, 64-56.

The Cadet's trailing by 12, rally started with 16 minutes left in the game. Wilmer Cox started the scoreboard clicking with the whole team following in his footsteps and quickly closed the gap to a 45-45 tie. The rally took only six minutes.

Over Anxious Ags

The Ags had plenty of hustle, but too many times during the contest they became over-anxious and missed the easy shots. These misses cost them as they only hit

37.5 from the floor compared to the Frogs' 39.1. At halftime the Frogs were hitting 48 per cent compared to the Aggies' 34.5.

Rebounds and free tosses were in the Ags favor as they out-rebounded TCU by 9 and hit 22-26 free throws.

Carroll Broussard was high man for the Ags with his 18 points. He broke two individual records, and the team broke one record.

Records Fall

Broussard broke the A&M conference record of 220 points set by Archie Carroll last year. He now has 226 and is the first Ag to hit over 400 points in one season. He set a new season field goal record

with 146. Carroll also held that record with 142.

The team set a new conference scoring record with 943 points compared to the old one of 879.

Potent Fish

In the preliminary game the Aggie Fish continued their winning habits by dropping the Wogs 55-41.

It was a hard fought battle all the way and when the word "fought" is used, it has a literal meaning.

TCU's big man, Alton Adams, ended up on the bottom of a pile and came up fighting the whole Fish team with Billy Young catching most of the punishment in the head.

Adams was ousted from the game but carried scoring honors with him as he hit 17 points.

Jimmy Cobb and Young were the high point men for the Frosh with 15 points each.

The Fish had begun to pull away from the Wogs when Adams went out and with his 6-9 frame on the sidelines the Ags increased their margin, never to be seriously threatened again.

Both the Fish and Varsity will play their final game Thursday night when they meet the Baylor Bears in Waco.

Lamar Tech Drops Aggies

Coach Omar Smith's Aggie tennis team, 9-0 losers to powerful Lamar Tech here last week, take on Trinity at San Antonio March 5.

The top six Aggie players are Richard Halter, Baytown sophomore; Tommy Morris, Waco sophomore; Frank Blazek, Elizabeth, N. J., senior; Robert Jones, Garland senior; Jerry Nelson, Houston sophomore and David Knox, Greenville sophomore.

Jones is the only returning letterman from the team that finished fifth in the Southwest conference last spring.

The Aggies will meet Lamar Tech in Beaumont March 12 and play a return match with Trinity at College Station, March 29.

The annual Southwest conference championship, for golf, tennis and track, will be held at Fort Worth, May 13-14.

Border Olympics Next for Trackmen

Aggie Track Coach Charles Thomas, elated over the fine showing of his freshmen at Houston last week, enters a 22-man varsity squad at the Border Olympics in Laredo Saturday.

The Aggie varsity leaves Friday by bus for Laredo with a scheduled arrival time of 5 p.m. The competition is Saturday.

The Aggie frosh, upset winners over the Texas Shorthorns and Houston Kittens at Houston Feb. 27, will be idle until the Texas Relays on April 1 and 2.

The fleet crop of sprinters led by Ed Williams of Jena, La., and Curt Roberts of Carlsbad, N. Mex., won the sprint relay and both dash events. In addition the Aggie Fish racked up first places in the 440 dash, shot put and high jump.

Williams ran a 9.8 100 and led off the winning relay team, Roberts won the 220 in :22.3 and ran the third leg on the relay while

George Tedford of Shreveport won the 440 dash in 51 flat and ran the second leg on the relay.

John Kent, Houston, ran anchor on the relay team. Other first were scored by Don Deaver of Giddings in the high jump (6-2) and by Charles Hoppe of Bay City in the shot put (47-2).

In addition, E. L. Ener of Jasper placed second in the mile with a 4:28.5 clocking; George Pickels of Williamsport, Pa., was second in the javelin with a toss of 173-1 and Terry Robinson of La Feria took second in the discus with a throw of 136 feet.

The Aggie varsity finished third behind Texas and Houston with Newton Lamb of Houston winning the javelin (195) and Henry Bonorden of Port Lavaca taking the shot put (52-9½). Owen Hill of Dallas was 2nd in the discus with a throw of 155-6½.

Region III Champs Decided Saturday

The Belton Tigers and the Huntington Red Devils stepped into the state playoffs Saturday as they won the Region III A and AA championships played in G. Rollie White.

Belton defeated Humble, 56-42, to take the AA division and Huntington took Midway of Waco, 69-57, in the Class A playoffs.

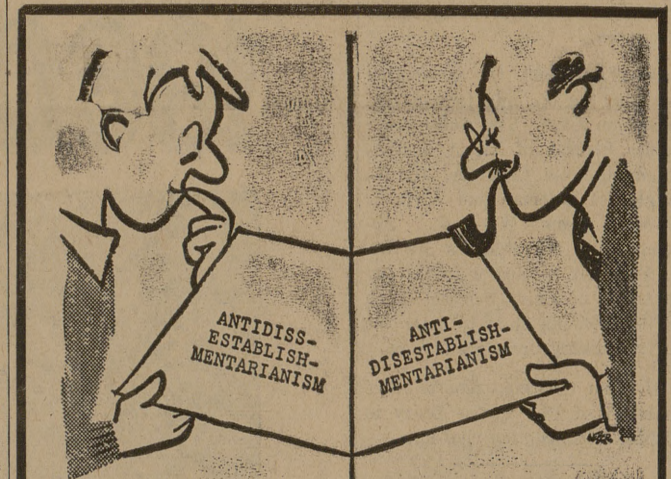

Huntington, last year's region champ, beat Cushing, 53-43 in the preliminary game and Belton tapped Buna who was last year's champ, 43-41.

In the final game Belton's Dale West was tied with Humble's Lloyd Long for high point man with 15.

In the Class A final Jerry Treadaway and Mike Walker pumped in 20 points each to pace the Red Devils.

Billy Martin of Midway was high point man in Class A competition with his 37 points in two games.

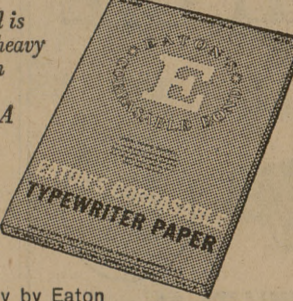

Harvey Holliman of Rockdale was high man in Class AA with 29 points scored in one game against Humble.

SPORT SLANT S

By JOE CALICOATTE

Last week I received a card wanting me to clear up a few things about Joe Brooks Thompson. The situation is confusing since Thompson was declared scholastically ineligible to play baseball this spring yet he was a distinguished student for the fall semester.

The SWC rules say that a player must meet certain scholastic requirements during the season of the sport he is playing and last spring Thompson didn't fulfill the requirements.

Freshmen baseball tryouts will be held starting Wednesday at 4 p. m. on the freshman diamond at Kyle Field. Gary Herrington, Fish coach, invites all freshmen interested in trying out for the Fish team to report to him with their own equipment.

If the weather is bad the first meeting will be held inside.

Coach Tom Chandler announced yesterday that J. B. Carroll, senior letterman from College Station, has been elected captain of the 1960 baseball team.

In one since of the word Coach Shelby Metcalf got his wish about Lewis Qualls vs. Alton Adams last night in a game that could have decided who was the best big man in the conference.

Adams outscored Qualls, but was tossed out of the game for "roughing up" some of the Fish. In one line of thinking Qualls is the best man, after all a man that has to sit out the game on the bench is no good to anyone.

Coach Tom Chandler is having a rough time with the headman. Since practice opened the baseball team has had to miss countless days of practice and may even miss their opener with Sam Houston State today.

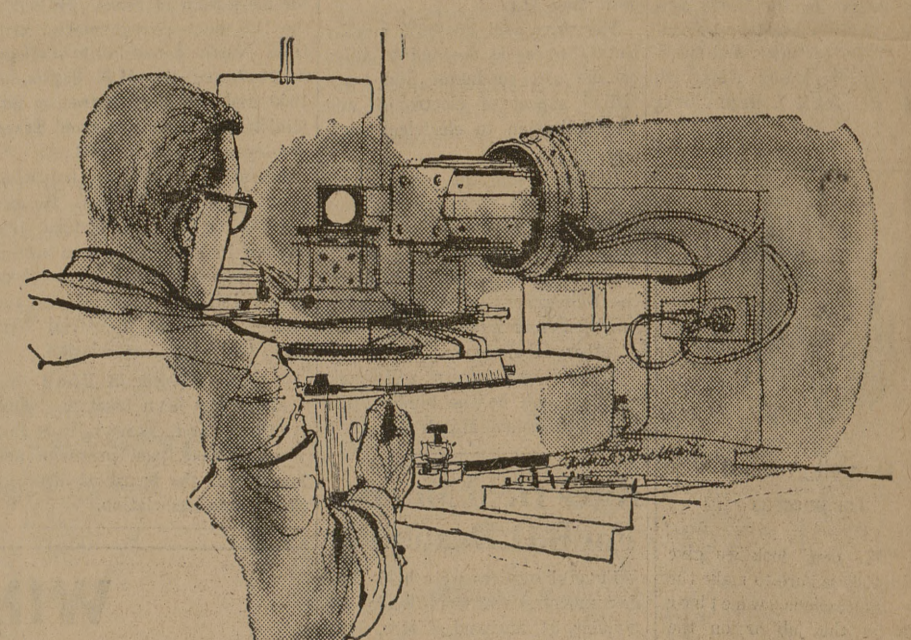

For the first time this year the Aggie Cagers have dropped from the top 20 teams on the national cage poll.

Incidentally, the referees for last night's varsity game were Odell Preston and Harry Colvin.

Getting beneath the surface of things...

Through a newly developed X-ray diffraction technique that examines stress-induced changes in the spacing between atoms, General Motors Research physicists are now able to determine residual stresses below the surface of hardened steel in 25% of the time previously required.

Room to grow should be your most basic requirement in seeking a position. This is where General Motors offers you an exceptional advantage. Depending upon your own capabilities and enthusiasm, you will find virtually limitless opportunity to move within a single GM division or to other divisions or to a staff activity. Fields of work at General Motors vary from astronautics to automobiles, household appliances to rocket propulsion, inertial guidance to isotope research—to mention a few. General Motors offers financial assistance to employees who wish to enter or progress in postgraduate studies. And undergraduates may gain from work experience in the summer employment program. Before you make your final employment decision, ask your placement officer about General Motors, or write to General Motors, Salaried Personnel Placement, Personnel Staff, Detroit 2, Michigan.
