600 Ags Needed to Register

Senate Blood Drive Sign-Up Set Thursday

The Student Senate voted last night to hold their 1960 Blood Drive registration Thursday in the Memorial Student Center from 8 a.m. to 5 p.m.

The Senate set the goal this year at 400 pints. The drive on the campus last year netted 336 pints. More Aggies, over 500, reported to give blood in 1959, but many of these were turned down because of colds, blood pressure and other causes.

This year the blood will go to the Wadley Foundation in support of the Texas Children's Research Foundation. It will be used in research against leukemia and hemophilia.

Dr. David R. Fitch, professor in the Division of Business Administration, is the College Station Lion's Club coordinator. Last year the club sponsored the Bloodmobile's trip from Dallas to College Station.

Committee Chairman Marvin Schneider told the Senate about 600 Aggies were needed at registration if the goal of 400 pints is to be reached. He said about 200 would be turned down this year because of colds and other reasons.

Over the past year several lives have been saved because of the blood Aggies donated, according to Schneider. In 1958 14 lives were saved, said Fitch. Most of the persons in 1959 had hemophilia, said Schneider. The 400 pints of blood are valued at from \$10,000 to \$12,000.

Other Business

In other actions last night, the Senate appointed a committee to study the proposal of having the 12th Man Basketball Game during commandant's time at drill on some Saturday morning. The group discussed several times when the event could be held and

the committee is to make a recommendation at the next Senate meeting.

Senate Chairman Jake Sekerka appointed a committee to study professors for possible nomination to the award given each year for the professor most active in student relations. The selection is a yearly affair in which a professor is picked as outstanding in research, classroom teaching and in student relations with a cash prize as the stipend.

President Plans Weekend Rest In Puerto Rico

RAMEY AIR FORCE BASE, Puerto Rico (AP)—President Eisenhower, admittedly "bushed" from 12 days of touring, planned to break his weekend of rest today for another talk on Latin-American affairs.

Facing an audience that includes some critics of United States policy, the President may give a preliminary report on his goodwill mission to four South American nations.

Arriving here Thursday, Eisenhower was undisturbed by an engine mishap that put him almost two hours over wild Amazon jungles in a plane with one of its four jets out of action. The pilot said the President never was in any danger, and he switched in Dutch Surinam (Guiana) to another jet for the rest of the flight from Buenos Aires.

The President planned to fly by helicopter to address a luncheon of the Caribbean section of the American Assembly meeting at Dorado Beach, a resort owned by Laurence Rockefeller about 60 miles west of this Strategic Air Command base. Eisenhower hoped to get in some golf after lunch before taking a helicopter back to the base.

The assembly is a nonpartisan organization Eisenhower helped to create while president of Columbia University. It holds study and discussion sessions at which leaders in various public and private activities consider vital issues—including Latin America.

The delegates at the Dorado meeting are considering many of the same hemispheric problems that confronted the President on his four-nation mission to Brazil, Argentina, Chile and Uruguay.

CSC Discusses Final Plans For Annual Dance, Barbecue

By BOB SAILE
Battalion Staff Writer

Final plans and preparations for the Civilian Weekend were discussed by members of the Civilian Student Council at a called meeting Wednesday night in the Cashin Room of the YMCA.

The Civilian Weekend is scheduled for Saturday and Sunday, March 19-20. The dance and barbecue are scheduled for Saturday. The dance is slated for 9-12 p. m. in Sbsa Hall, with the Les Blume Orchestra of La Grange providing the music. Tickets for the dance are \$1.50 per couple.

The barbecue will be held at 5:30 p. m. Saturday in DeWare Field House. Price of tickets for the meal is \$1 for adults and 50 cents for children under 12.

John Garner, ticket chairman for the weekend activities, announced at the meeting that a ticket booth will be open in the Memorial Stu-

dent Center Lobby the week before the dance and barbecue. Tickets may also be purchased from row representatives, dorm presidents or members of the council.

Jim Beal, chairman of the Barbecue Committee, reported that all plans for the barbecue have been completed, except for entertainment.

Council member Ben Havard suggested that recordings by the Les Blume group be played in Sbsa Dining Hall so that students may have an opportunity to hear the music they will dance to. The council approved this suggestion.

Larry Clark, chairman of the Civilian Weekend Committee, reminded council members of the requirement for entries in the Sweetheart Contest. Each dorm should submit a picture of their own dorm sweetheart to R. O. Murray, Jr., at his office in the Basic Division

no later than March 9, Clark said. The pictures should be 3 x 5 or larger, said Clark, and should be accompanied by an entry fee of \$5.

Entries from the apartment units should include the girl's name and address, the name of the housing unit, and the escort's name and campus address.

Mike Carlo, council secretary, urged the respective dorms to get their pictures in as soon as possible.

Members of the Corps are cordially invited to attend the dance, according to Charles Graham, council president. Council members will sell tickets in Corps dorms the week before the dance.

Prior to the meeting, President Graham introduced Clifford W. Lane, Jr., graduate industrial engineering major, who talked to the council on plans for a Student Chamber of Commerce.

President Welcomes High School Seniors

Greetings to High School Seniors:

As president of Texas A&M, I would like to take this opportunity to welcome each of you to the campus to participate in our Career Day activities.

I trust each of you will take advantage of this opportunity to examine thoroughly the facilities of Texas A&M and to give deep thought to the possibility of attending Texas A&M to pursue your college education.

If I or any member of the college's faculty and staff can be of any service to you, please feel free to call on us. Saturday will be your day at Texas A&M. I hope that it will be a day that will mark the beginning of your interest in Texas A&M.

Again I welcome you to Texas A&M and hope that you will find your visit both profitable and pleasant.

Sincerely,
Earl Rudder
President, Texas A&M

Miramba Player Set for ITS '60

By Al Vela
Battalion Staff Writer

A marimba act, performed by Linda Woods from North Texas State College, and A&M's Bobby Phillips, who sings Johnny Cash style, are two more acts which will be seen in the Intercollegiate Talent Show that will be held in G. Rollie White Coliseum, March 11, at 7:30 p. m.

Phillips will be taking the place of flamenco guitarist Jose Maher, who won first-place in the 1959 Aggie Talent Show. Maher will be taking West Point examinations. Phillips won second-place singing Western style in the Aggie Talent Show.

The show will feature 10 acts selected from more than 150 acts auditioned at 18 colleges and universities in Texas, Oklahoma, Arkansas, Louisiana and Mississippi.

General admission tickets for the show may be purchased from staff and unit commanders at 75 cents each. General admission at the door will be \$1 and reserved seats may be bought for \$1.25 each. Children's tickets are 75 cents each.

Linda Woods, 18-year-old piano major from Longview, has played in the Kiwanis International Talent Show in Madison Square Garden, and has won several medals in In-

terscholastic League contests for her marimba playing. Her specialty is playing the marimba blindfolded.

Phillips, a freshman general curriculum major from Abilene, brought the house down at the Aggie Talent Show singing Johnny Cash Western style music.

Pat Tallman, disc jockey from KTSa radio station, and his sidekick Bob Mersinger, will emcee the show. They have worked over 400 dates in the state, ranging from record hops to graduation exercises.

The 18 colleges and universities visited by the ITS audition team this year included Baylor University, Rice Institute, Southwestern Louisiana Institute, Louisiana State University, Tulane University, Southeastern Louisiana College, Mississippi Southern College, Sophie Newcombe College, TCU, the University of Texas, Texas Tech, the University of Arkansas, Oklahoma State University, SMU, the University of Oklahoma, Sam Houston State College, North Texas State College and Southwest Texas College.

Class of '39, Retired Colonel

McCrory Named Assistant to Rudder

Dorsey E. McCrory, a 1939 agricultural administration graduate of A&M, has been named assistant to President Earl Rudder.

He has assumed his duties with offices in the Coke Administration Building.

"I am greatly pleased to have a man of Mr. McCrory's qualifications join our staff," President Rudder said today. "I know he will make a splendid contribution to the A&M College of Texas."

Prior to his graduation from A&M, McCrory had accepted employment with the Goodyear Tire and Rubber Co. While engaged in its training program in Houston he was offered, and accepted, a commission as a second lieutenant in the Regular Army on the basis of having been designated a dis-

tinguished military graduate at A&M. He held the rank of major in the Corps of Cadets and stood sixth scholastically in his graduating class.

Holds Yale Degree

While in the military service he was selected by the Army for graduate schooling in a civilian university. He holds a Master of Arts degree from Yale University, 1951-53.

McCrory had been in the service since Sept. 1, 1939, until he retired with the rank of colonel March 1, 1960. His basic branch was infantry. He is a qualified paratrooper.

Various Positions

While in the service, McCrory served in various instructional, planning and research positions

which required the preparation of studies and recommendations on

Saddle & Sirloin Wins at Houston

HOUSTON (AP)—A&M's Saddle & Sirloin Club's Brahman was picked the reserve breed champion in the Brahman class of the junior division of the 1960 Houston Fat Stock Show.

The Brahman will go on sale today at the auction of champions at the show.

Judge A. E. Darlow of Oklahoma State University picked the show's grand champion last night—a lightweight Hereford owned by a 13-year old Acuff, Tex., boy.

a broad range of politico-military matters as well as administering the daily routine of large groups of young men in the military units.

McCrory served in the European theater in World War II; in the army of occupation in Austria after the war; served a tour of Korea from 1955-57; and was military commander of a state in Austria, where he came in daily contact with the civilian authorities and worked with them in all aspects of the civilian postwar rehabilitation program. He was operations officer of the military advisory group in Korea.

Worked at A&M

While a student at A&M, McCrory worked in the Registrar's office, at which time E. J. Howell, now president of Tarleton State

College, was registrar and H. L. Heaton, now the director of Admissions and Registrar, was assistant to Howell.

In the last half of his senior year at the college, he taught a freshman class in agricultural economics.

Native of Waelder

The assistant to President Rudder is a native of Waelder, Tex. He is married and he and Mrs. McCrory are the parents of a son, Don, 13. He is married to the former Dorothy Brann, daughter of a late major general of the Army. Her mother, who now lives in Austin, is the former Dorothy Teal of Clarksville.

McCrory's mother, Mrs. D. D. McCrory, is editor of the Waelder Home Paper.
