The Aggies dropped their first conference baseball game of the season in Fort Worth Saturday as the TCU Frogs used an unearned run in the 10th inning for the 5-4 victory.

Frog left-fielder Charles Franklin was forced in with the winning run when Aggie pitcher David Pitcock weakened to walk the winning pitcher, Darrel Read with the bases loaded.

Read took over for Starter Don Schmidt in the sixth after the sophomore lefthander had hurled two-hit ball for the first five innings. All the Cadets scored in the eighth were unearned.

The Frogs took a 4-0 lead in the fifth after Schmidt and Don Costlow, Aggie starter, had staged a close mound dual for the first four innings.

The Frogs had only one hit in

the first four, but broke loose for four in the fifth. One of the four tallies was a 380-foot two run homer, by Leon Blaze.

Byron Barber was the big man at the bat for the Cadets against the Frogs with his two hits in the six hitter.

Read was credited with the win which boast his record to 1-1 for the season. Pitcock was the loser and his record went to 1-2.

## Hawk Mentor Says St. Louis Will 'Be Ready' for Celts

BOSTON (AP)—"We'll be ready," St. Louis Hawks Coach Ed Macauley vowed.

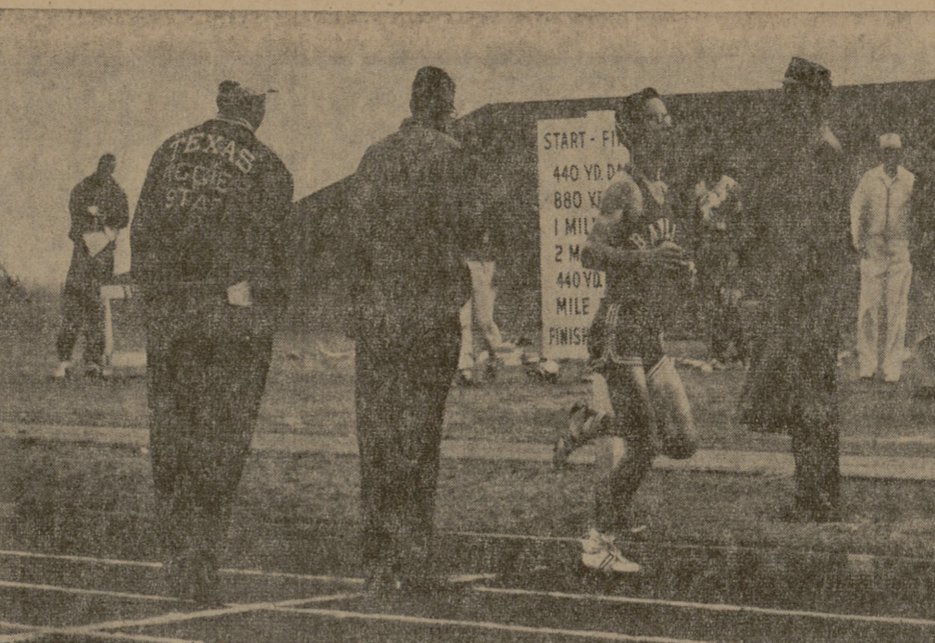

"We won't be any soft touch this time," he told a luncheon group Monday.

"I got news for you, bud," replied Boston Celtics Coach Red Auerbach. "We aren't exactly going to be cold in this game."

The two teams square off tonight in the second game of the best-of-seven playoff series for the National Basketball Assn. title. Local oddsmakers have the defending champion Celtics 11-point favorites to make it two in a row. They ran up a record-breaking 140-122 victory in the first playoff game.

After tonight, the series switches to St. Louis for two games.

The Hawks, Western Division winners, will have one major problem: Will sub center Larry Foust be able to play?

Winner Bob Mellgren of Baylor crosses the finish Rice Saturday. Mellgren's time for the rain line to win the two mile run during the dampened event was 9:31.

## Northwestern Coach Proposes College Grid World Series

EVANSTON, Ill. (AP)—A college football World Series has been proposed by Stu Holcomb, Northwestern University athletic director.

Holcomb said Monday night that he has suggested a football playoff modeled after the NCAA's basketball and baseball tournaments. He wrote Big Ten Commissioner K. L. (Tug) Wilson and NCAA Executive Secretary Walter Byers, he said.

Holcomb, somewhat dubious that such a plan would be passed, said the tournament would differ from football bowl games inasmuch as the games would be played in college stadia and under the sole auspices of collegiate officials.

The idea would be to select champions from six major conferences plus two at-large teams, probably from major independents.

The proposed conference would be the Big Ten, the Athletic Assn. of Western Universities, the Big Eight, the Southeast, the Atlantic and the Southwest. Army, Navy, Syracuse, Pittsburgh, Notre Dame, Air Force and any other school not in one of the six specified conferences would provide the at-large teams.

The Big Ten recently voted to pull out of postseason competition in all sports.

Some educators claim there is a long lag between the regular football season and the New Year's Day bowl games and that there is no such lag in NCAA playoffs in other sports.

Holcomb, asked if the Big Ten's postseason ban had anything to do with his football playoff idea, said under his suggestion there would be no lag.

Four games would be played the first Saturday after the season, with two games the following week and the championship still a week later. The tournament would start the last Saturday in November and end on the second weekend of December.
