Congratulations in Order

Gary Herrington, Fish baseball coach, congratulated the Young Bruins on their 9-2 victory over the Baylor Cub coach, on Kyle Field. The win brought the Fish Dutch Shroeder, after the Aggie Fish hand-record to 4-1 for the season.

Frosh Cool Cubs, 9-2

Jerry Warren and Ed Singley, backed by 14 hits, pitched the Aggie Fish to a 9-2 victory over the Baylor Cubs on Kyle Field yesterday.

Warren worked the first six and a third innings to get the win with Singley mopping up and pitching scoreless ball without a hit. Warren struck out 11 while Singley whiffed three.

The Fish had single runs in the second, third and fourth frames and iced the contest with three runs each in the fifth and seventh innings.

Bill Musemeche, Houston left-fielder, continued his hit barrage as he banged out four for five including a double and two runs batted in. He now has hit 14 times in 24 at bats for a .583 batting average after five games.

Bears Trip Farmers, 7-5, for SWC Victory

The Baylor Bears belted the Aggies 7-5 in Waco yesterday to put themselves in a first place tie with the Texas Longhorns.

The Longhorns downed Texas Christian, 17-3 while the SMU Mustangs upset Rice, 9-3.

Baylor went ahead to stay in the second inning as Bob Turner slammed a two-out homer over the left-center fence to score behind Byron Willis.

The Bears sacked up the game in the fifth when David Young led

off with a hit off David Pitcock, the Aggie starter. Bobby Barnett picked up a walk from Pitcock and Ted Uhlaender loaded the bases with a bunt.

Arthur Fuentes made his contribution to the affair and sent the ball sailing over right field fence for an apparent grand-slammer. However, Fuentes passed Uhlaender on the bases and Uhlaender was ruled out, giving Fuentes only a three-run homer.

The Aggies threw a scare into

the Bruins during the ninth inning as they scored three runs on no hits. They also had the bases loaded when the Bears' third relief pitcher, Tom Pettigrew, put the last Ag down to retire the side.

Going into the ninth inning Barnett had a 7-2 lead, but was tired. He hit the Aggie leadoff man, Randy Wortham, and soon after gave up his seventh walk to Clifford Davis.

Jim York was the new pitcher for the Bears and after a walk to Henry Batten and a bad pitch to Don Chase, Jim Daniel was on the mound for the Bears. Daniel walked Dick Hickerson, Byron Barber and John Burton to bring Wortham, Davis and Batten home.

Pettigrew then came in and threw the game winning strikes to Dink Patterson.

CHS Tigers Shine In Weekend Meets

By RUSSELL BROWN
CHS Correspondent

A&M Consolidated's star-studded golfers and the Tiger's seven man track squad had fine showings last weekend as the linksters carried off their second straight 21-AA crown and the thin elms took fifth in the Rockdale Relays.

The golf teams swept the High School and Junior High divisions of the District meet, taking first and second with scores of 342 and 374 in the high school section while the Kittens took their meet with a nine-hole 186.

John Southern and Charles Roerber took top spot for the Tigers with medalist 83's. Southern won top honors in the playoff. Jim Baldauf, last year's 21AA medalist was third in the medalist round with an 85; Condy Pugh had 86; and Bill Berry completed the sweep with an 88. The second team was composed of Roerber, Danny Garner, John Beckham and Mike Callahan.

Duke Butler's 44, and Peter Fagan's 45 were the top scores in

Junior High play. White of Cy-Fair took third with a 47 while Consolidated captured the last two spots with John Baldauf's 48 and John Badgett's 49.

Paced by Jim Wright's Relays record breaking 155-5 1/2 discus throw, the Tigers placed fourth behind Cameron, Georgetown and Thorndale.

Wright, who was runner up in the State AA discus event last year, also picked up a fourth in the 100 yard dash. Other placers for the Tigers were Dee Smith, second in the high jump and broad jump and fifth in the mile run; Bruce Thompson, second in the mile run; and the sprint relay team of Smith, Thompson, Wright and Cyril Burke fifth.

The tracksters go to Blinn College Thursday and Friday for the 21-AA meet.

The first sons and daughters of Nashua are scheduled to go to the post as 2-year-olds next winter at Hialeah.

Ghost Charge Haunts Lucky Strike's Dr. Frood

Dear Dr. Frood: I am writing my term paper and would like to know how the average professor differentiates between research and plagiarism?
Lit. Major

Dear Lit: Plagiarism is when you copy your paper from a book. Research is when you copy your paper from more than one book.

Dear Dr. Frood: I was shocked when I read of ghostwriting firms preparing term papers for certain college students. But I was doubly horrified, upset and stunned when I heard a rumor that you, Dr. Frood, also use a ghost. Tell me it isn't so, Doctor.
Jacob Marley

Dear Jacob: I categorically deny your accusation. I do not use, nor have I ever used, a ghost to write this column. I admit, however, that when confronted with certain difficult student problems, I have called upon my late departed Uncle Purdy for advice and counsel.

Dear Dr. Frood: I have just been informed that there are over 100 brands of cigarettes on the market today. Why so many?
Harvey J. Wamerdam

Dear Harvey: Conceivably, there are 100 people in the country who do not smoke Luckies.

Dear Dr. Frood: I am a sophomore who has finally mastered every syllable of the Whiffenpoof Song. To my chagrin, I have just discovered that I am not attending Yale. Any suggestions?
Jivy Leaguer

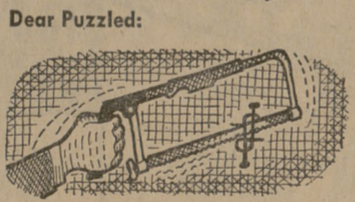

Dear Jivy: Fake it, man, fake it!

Dear Dr. Frood: I have just completed my doctorate thesis on "The Socio-Political-Religio-Economic Aspects of Tribal Development in Central Africa, 1805-1809." I believe my work has immense popular appeal and would like to have it published in pocket-book form. How does one go about doing this?
Ethelbert Pingbank

Dear Ethelbert: One changes the title to "Love-Starved in Mau Mau Land."

Dear Dr. Frood: I am going nuts—nuts, I tell you!—trying to solve this puzzle. Please! What is the secret?
Puzzled

Dear Dr. Frood: I didn't make the crew because I get seasick. I couldn't make the baseball team because the resin bag gives me a rash. I was kicked off the track team because cinders kept getting in my eye. And I had to drop tennis because I get vertigo watching the ball go back and forth. What can a great athlete like myself do now?
Sig Lee

Dear Sig: Why don't you expose over-emphasis of college athletics in a leading national magazine?

COLLEGE STUDENTS SMOKE MORE LUCKIES THAN ANY OTHER REGULAR!

When it comes to choosing their regular smoke, college students head right for fine tobacco. Result: Lucky Strike tops every other regular sold. Lucky's taste beats all the rest because L.S./M.F.T.—Lucky Strike means fine tobacco.
