The Aggie soccer team is going great guns in the Houston City Cup playoffs.

Over the weekend the Ags took a 3-2 win from the Houston Cougars to move them a little closer to the championship.

The Ags went into the game as underdogs, since Houston had already topped them twice during the year and went on to win the state championship.

The game with UH was quite a long drawn out affair since it lasted a total of two and a half hours. The first 90 minutes ended a regular game, but the score was deadlocked at 1-1.

One member of the team said that it was definitely the roughest game of the year and was strickly a defensive one. He said that Houston was plenty mad and sent some of our players to the hospital, but... he added, "they have some in the hospital too."

The Ags must win one more game to cinch the Houston Cup.

We have a couple of idols among us. Probably both of them are seen every day or at least once a week by the students, but it makes no difference to some the young hero worshippers around College Station.

From the press box at Kyle Field Saturday, a whole mass of little boys were crowded around getting somebody's autograph. Until they cleared away, you couldn't see who they were, but it was none other than Carroll Broussard and Wayne Lawrence.

BLACKSTONE TORT

Pride of the law school, Blackstone has never lost a moot trial. But there's nothing moot about his preferences in dress. He finds that when he's comfortable, he can trap a witness and sway a jury like Clarence Darrow.

So he always wears Jockey brand briefs while preparing his briefs. Exclusive Jockey tailoring gives him a bonus of comfort he gets in no other underwear. Fine Jockey combed cotton is more absorbent, smoother fitting, too.

To look your best, feel your best, take a tip from Tort. Always insist on Jockey brand briefs, \$1.25. Your campus store has them now!

Hartman Hits

Alvin Hartman, Owl first baseman, connects the weekend. In the first game Hartman for his only hit in the two game series went hitless in five trips to the plate, but played between the Aggies and Rice over got one hit in four trips in the second game.

Ag Trackmen Take Second, Top Record During Weekend

The Aggie Thinclads took second place in one meet over the weekend and broke a record in another. Henry Bonorden tossed the shot 54-3/4 to turn in one of his best performances of the year.

Friday the Aggies were in Dallas competing in a triangular meet with Rice and SMU and Saturday they went a little farther north to enter the North Texas Relays in Denton.

In the Dallas meet the Ags were quite prosperous as they racked up 55 1/2 points to finish nine points behind Rice. Bobby Thomas and Charles Merka tied for high jump honors with their 5-10 leap.

The Aggie Fish literally ran away with freshman division honors as they piled up 86 points to beat their closest contender, SMU, with 51 points.

The Young Cadets won 10 of 15 events and were the winner of all the point making places in the high and broad jumps.

Bowling Championships Net Three Scores Over 700

TOLEDO, Ohio (AP)—Only three 700 series were rolled in the singles event of the 58th American Bowling Congress championships during the first five weeks. But in the last three days someone has bettered 700 each day.

The man to do it Monday was Francis Chartrand, a 39-year-old St. Louis accountant. He opened with 233, added another 233 and closed with 247 for a 713 that was good for fourth place.

One month earlier Mike Totsky of Detroit became the first singles contestant to break 700. His 711 is now the fifth-place score. Paul Kulbaga of Cleveland posted the pace-setting mark of 726 on March 24; Howie Zunker of La Crosse, Wis., rolled 725 last Sunday; and Dominic Bertolini of Youngstown, Ohio, hit 720 on April 1.

Sixth-ranked James Cappalino of Jamestown, N. Y., got his 702 last Saturday.

There were no changes Monday in doubles, all-events or booster and open team division top tens.

Longhorns, Owls Tied in SWC Play

By The Associated Press

With Texas and Rice in a virtual tie for the lead, the Southwest Conference baseball race hits a dull week—there will be only non-conference games.

Texas topped with 5-1 as the result of three victories last week. Rice has 4-1 and is in second place because it was upset by Southern Methodist, 9-3, while beating A&M twice, 6-2 and 7-2.

Texas walloped Texas Christian, 17-3, then whipped Baylor in a 2-game series, 8-4 and 9-4.

Only four of the six teams are in action this week. Texas plays Brooks Medical at San Antonio Tuesday, Rice engages Trinity at San Antonio Wednesday and Texas Lutheran at Seguin Thursday.

A&M plays Brooke Medical at San Antonio Thursday and Friday.

Baylor is in Monroe, La., for a tournament that starts Wednesday.

Owls Take 6-2, 7-2, Decisions from Aggies

The Aggie baseball team took a double dose of Owl medicine over the weekend as they dropped a pair of conference tilts to Rice by scores of 6-2 and 7-2.

The strongest thing in the Rice potion was the pitching of Paul Timme and Jim Brook, as they combined forces to give up 12 hits in the two-game series.

The Owls used one big inning in both games to down the Cadets. In the first contest on Friday Rice turned in four runs in the second to provide the 6-2 decision.

Saturday's game was one of the shortest on Kyle this season as it only took two hours and 17 minutes. After the Owls batted around in the first inning, several innings went three up and three

down for both teams.

In both meetings the Aggie scoring came in one inning. Friday afternoon the fifth inning was the big one and in Saturday's game the two runs came in the fourth.

The Aggies' two runs in the second game resulted from a booming homer over the left field fence by Byron Barber and a single by Johnny Hudson who scored John Burton from third base.

The loss to Rice still leaves the Cadets with only one conference win, scored against SMU in the opener.

The Aggies will take a vacation from conference action this week as they travel to San Antonio for two games with the Brooke Medics and one contest with St. Mary's University.
