Mickey Lee, Tarleton State catcher, rounds the bases as they fell prey to the third base while Jack Singley is waiting on the ball. Lee went on to score one of Tarleton's three runs as they fell prey to the potent Fish.

# Freshmen Trip Tarleton State, 7-3, for Seventh Win of Year

Ed Singley pitched the A&M Fish past Tarleton State College on Kyle Field Tuesday, 7-3.

It was the 7th win of the season for the Fish against a lone loss.

The Fish host Allen Academy in a return contest on Kyle Field Thursday afternoon at 3 p.m.

The Fish supported Singley

early, scoring all seven runs in the first two innings on four hits, three walks and three Tarleton bobbles.

Singley fanned 13 and limited the visitors to seven hits. He walked but three and was in trouble only twice—in the first inning when he gave up four consecutive hits and Tarleton got two

of their runs and again in the 8th when two walks around a single loaded the bases. He fanned the last man to end the threat and the game.

Reggie Richardson, Fish first baseman, drove in three runs with a sacrifice fly and a single. Terry Cobb and Jerry Carter each had two safeties for the Fish.

## Farmers Need Seven Wins To Tie Last Year's Record

A year ago Coach Tom Chandler's Aggie baseball team won its last seven games to take the Southwest Conference championship.

This year the Aggies, racked by graduation, scholastic and professional losses, stand at the crossroads. They need to win seven games to break even for the year and have only eight to go.

A year ago Pitchers Percy Sanlerson and Wayne Schaper were

combining their efforts on the mound to turn in complete games every turn. Shortstop Ralph Plumlee, who was to join them on the all-SWC team along with Catcher Gary Herrington, was getting the

big hits and turning the hard plays into easy outs.

Sanderson failed to pass, Schaper and Herrington completed their eligibility and Plumlee grabbed a large chunk of money to play for the Los Angeles Dodgers.

The Aggies currently stand 1-6 in conference play and 5-12 for the year with but one complete game on record through 17 contests. The pitching has been spotty and the returning lettermen have failed to come through at the plate as they did a year ago.

A&M hosts TCU in a pair of loop games here Friday and Saturday and hope to start the long road back. The Cadets, after opening the SWC with a 19-6 victory over SMU, have dropped six straight conference games and lost two of three practice games in San Antonio over the Easter holidays. A&M split with Brooke Army Medics and dropped a 4-3 decision to St. Mary's.

Outfielder Byron Barber of Dallas leads the regulars with an even .300 batting mark. All the others are below that and three are hitting less than .200.

Three pitchers have borne the brunt of the mound duties. They are Olen Jordan of Paris, David Pitecock of Dallas and Don Costman of Lufkin. Each has won one game and share nine defeats. In SWC play Jordan has the lone win while each has lost two.

### Intramurals

Hock, from Co. H-1, won second place, Linseisen from Sq. 3 took third place, Gilbreath from Co. C-2 won fourth place, and Powell from Co. F-1 came in fifth place.

The scoring for outfit places showed Co. F-1 winning first place, Co. A-1 taking second place, Co. H-1 copping third place, Sq. 11 winning fourth place, and Sq. 1 taking fifth place.

In Class B tennis Co. D-2 won their match from Sq. 14 for league winner. Other matches played showed Sq. 13 defeating Co. K-2, Sq. 3 winning over Co. H-2, Sq. 5 besting Co. E-2, the White Band defeating Co. D-1, and Sq. 8 winning over Co. B-2.

One game was played in freshman softball which showed Co. G-2 winning over Co. B-2.

Today's schedule features freshman softball and tennis.

### Golfers Finish Third in Tournament

The Aggie golf team, finishing third overall among 16 top teams in the sixth annual National Intercollegiate Invitational Tournament at Houston's Pine Forest Country Club last week, is in good shape in the Southwest Conference race this week.

Coach Henry Ransom's Aggies are currently in third place in team standings but have the edge in the schedule from here on out.
