average for 33 and a third innings is a meager 1.27. He has fanned 36.

## Jones Breaks Golf Record

Al Jones, Aggie golf captain from Harlingen set a new record on the A&M course yesterday with a seven under par 63.

Jones scored a 31 on the first nine and 32 on the second. In the first nine holes he racked up birdies on the first, fourth, sixth and ninth holes and birdied the fourteenth, fifteenth and eighteenth on the back nine.

Billy Martindale, of Jacksonville, shot a 67 and the foursome was rounded out by Eugene Byrd of Stephenville and Perry Adams of Topeka, Kans., both who are freshmen.

The old course record of 64 was set in 1954 by Bart Holton, a former Aggie golfer who is now a school teacher in Fort Worth.

Low score in competition on the Aggie course is 65 held by Bob Nichols of Louisville, Ky., in a match with the University of Houston freshmen in 1955.

National Winners

The Aggie Pistol team, coached by M. Sgt. William H. Gard, recently was awarded second place in the National Rifle Association's national postal match competition for pistols. The group has lost only two matches this year, with the results of three not yet posted.

## Big Surprise of Aggie Track Team This Season -- Brewer

Big surprise of the Aggie track and field team this spring has been the fine showing of Jim Brewer, junior javelin thrower from Clovis, N. Mex.

Brewer, who joined his Aggie mates in a quadrangular meet here Saturday against TCU, SMU and North Texas, set a new A&M record in the Dallas Invitational last week with a toss of 220 feet, 11 1/2 inches. The toss broke by 12 feet the previous mark of 208 feet set by Judd Smith in the 1939 Southwest Conference meet.

The 180-pounder, who came to A&M as a half-miler, hit his previous high mark of 199 feet plus in a triangular at Dallas two weeks ago. He has been showing marked improvement weekly.

Brewer was a freshman half-miler when Coach Charles Thomas arrived at Aggieland in the summer of 1958 but decided to give up

the 880 and concentrate on the javelin last year.

After throwing the spear 222 feet in an AAU meet last summer Brewer began his training in earnest. In addition to a regular weekly weight program at A&M Brewer swings a heavy sledge hammer as much as he can to improve his wrist action.

Brewer performed for the home folks on Kyle Field Saturday in A&M's last home meet of the season.

Seven new season highs were posted by A&M, winners of Saturday's meet against SMU, North Texas and TCU.

The Aggies journey to Beaumont Friday for a triangular meet with host Lamar Tech and Northwestern Louisiana. The meet originally was scheduled for Saturday but was moved up to Friday by Tech.

## Formality Remains To Start NBA West

NEW YORK (AP)—Only the formality of a league vote remained today and the National Basketball Assn. will reach out to the West Coast.

The last big barrier to the transfer of the Minneapolis franchise to Los Angeles was hurdled Tuesday night in Los Angeles when the Coliseum Commission agreed to lease the 14,000-seat sports arena to the NBA team.

That means owner Robert Short of the financially-insolvent Minneapolis Lakers will take his team west if the rest of the league areas.

"All other things being equal," said NBA President Maurice Podoloff, "I can see no opposition. The only problem we have is the schedule. We will work one out so that all the other teams get a fair crack at the West Coast. This is not an impossible task."

The Fish have beaten Navarro Junior College, Rice Owlets and Allen Academy twice each and hold one win over the Baylor Cubs and John Tarleton.
