Heye To Make Presentation

Cadet Col. of the Corps William Heye will leave tomorrow afternoon for San Antonio to present a gift from the A&M student body to Mrs. Lee A. Shirley.

★ ★ ★ Injured Seniors Have Been Moved To College Hospital

Mike McClelland, senior in Squadron 10, and Ed Lux, senior in Squadron 8, who were injured in the accident occurring last Friday which proved fatal for Miss Carole Jeanne Shirley, have been moved from St. Joseph's hospital in Bryan to the College Hospital.

The two seniors were released from St. Joseph's Hospital yesterday, and were reported in good condition upon arrival at the College Health Center.

Storage Open In Walton For Summer

Students may begin storing anything they wish to leave on campus during the summer Monday in the basement of Dorm 3 of the basement of Ramp K of Walton Hall.

These two storerooms will be open according to the following schedule: Monday, 4-5 p.m., and Tuesday through Saturday, 11-12 a.m. and 4-5 p.m.

All students who will attend the first summer term and not the second may store baggage in Ramp K of Walton Hall Friday, July 15, from 4-5 p.m.

All students who will attend the second term and not the first will store their baggage in Ramp K of Walton, according to the same schedule to be used for baggage that will be stored the entire summer.

Lamps will be stored at 40 cents each and all other baggage will be stored at 40 cents for containers not exceeding three cubic volume feet. Other pieces will be stored at proportionate rates with a minimum of 20 cents per separate article.

All bicycles, typewriters, radios, TV's, etc. not stored in boxes will be stored at \$1 each.

All items stored must be removed by 5 p.m. September 23. All items not picked up will be disposed of.

Mrs. Shirley was the mother of Carole Jeanne Shirley who was killed when the car in which she was riding overturned Friday night on the way to the Senior Ring Dance.

Cadets donated over \$800 as of Monday night to help the Shirley family. A final count will be made Friday before Heye leaves.

Collections were made in both dining halls Monday and civilian students will have a chance to make a donation through their dorm presidents Thursday night.

Mike Carlo, president of the Civilian Student Council, said he would collect the civilian contributions from the dorm presidents Thursday night and give them to Heye before he leaves for San Antonio.

"We never expect the money to make up for that girl's life," Heye told the Corps Monday, "but we want her family to know that the A&M Corps of Cadets wants to help."

Heye said a spray of flowers was sent to Boonville, Mo., for the funeral Tuesday afternoon.

Miss Shirley worked for the United Service Automobile Assn. in San Antonio. Heye said he believed she was the only member of the family working at the time of the accident.

Her father suffered a stroke some time ago, Heye said, and is confined to bed. Her mother has been staying home caring for him.

The Shirley's moved to San Antonio recently from Missouri. Miss Shirley attended Sam Houston State College for a year, according to Heye.

She was survived by her mother, father and a brother, 12.

Gen. William Simpson Named May Commissioning Speaker

206 Applicants Seek Promotion

Gen. William H. Simpson, retired, will give the commissioning address at the commissioning exercises May 28 at 3:15 p.m. in the G. Rollie White Coliseum.

There are 153 applicants for Army reserve commissions as second lieutenant and 108 for Air Force reserve commissions.

The oath of office will be administered by Lt. Col. Jack H. Remele of the College's Military Department and Gen. Simpson will present the commissions.

Gen. Simpson is a native Texan, born in Weatherford and on June 11, 1909, graduated from the U. S. Military Academy, West Point, and was appointed a second lieutenant in the regular army.

Gen. Simpson has a brilliant war record, having served in World War I and World War II, overseas.

Anyone living in the Bryan-College Station area who served with the Ninth Army in Europe during World War II is urged to contact Capt. John Simmons of the School of Military Science prior to May 27.

The Ninth Army under his command arrived in Europe in 1944 and set up the First Command Post in the field at St. Sauvier, France. It marched through France, Belgium and Normandy and was engaged in the Rohr River operation, attacked from the Rohr to the Rhine, crossed the Rhine River operations to the Rhine, crossed the Rhine and made contact with the Russian Army southwest of Berlin.

Following victory in Europe, the Ninth Army continued its occupational role, with Gen. Simpson in command. In August, 1945, when the capitulation of Japan made redeployment necessary, Gen. Simpson brought his army back to the United States, where after 30 days leave the Ninth Army headquarters reassembled at Fort Bragg, N. C.

In October 1945 following demobilization of his army and air trip to China, Gen. Simpson was appointed acting commanding general of the Second Army at Memphis, Tenn., taking official command upon retirement of Lt. Gen. Lloyd R. Fredenhall on March 26, 1946.

His decorations include: Distinguished Service Medal, Oak Leaf Cluster to DSM, Legion of Merit,

Silver Star, Bronze Star Medal, Philippines Campaign Ribbon, Mexican Interior Medal, World War Victory Medal, Occupation of Germany Medal, American Defense Medal, European Theater Medal, Legion of Honor (Chevalier), Croix de Guerre, Order of British Empire, Legion of Honor (Commander), (France).

Gen. Simpson retired Nov. 30, 1946 and was advanced on the retired list of the army to general in August, 1954.

Earl L. Butz, dean of agriculture at Purdue University, will deliver the 10 a.m. Commencement Address, also in G. Rollie White Coliseum, rounding out the keynote speakers for graduation and commissioning.

Butz has been at Purdue since 1957 and for three years prior he served as Assistant Secretary of Agriculture in charge of marketing and foreign agriculture.

He is a native of Indiana and graduated from Purdue in 1932. He served for eight years as head of the Department of Agricultural Economics before becoming Assistant Secretary of Agriculture.

Aggie Wife Perishes In Accident

Another casualty went on record for Brazos County yesterday, as Mrs. T. L. Austin of 4201 College View, Bryan, was fatally injured after losing control of her car and hitting a utility pole located 220 feet north of Avadale Street on Texas Avenue, just south of the shopping center there.

The victim was rushed to St. Joseph's Hospital by Hillier Ambulance Service, and died immediately after arrival. She is now in Hillier Funeral Home.

Mrs. Austin's husband, a junior at A&M majoring in preparatory medicine, has been a patient at St. Joseph's hospital for several days and had just undergone an operation Monday. His condition was reported fair, although the patient is under sedatives.

Funeral arrangements have not yet been announced.

Damage Reported In Lot Collision

A two car collision in the parking lot behind Dorm 15 caused an estimated \$1,000 damage yesterday.

The accident occurred when a 1955 sedan driven by Gary W. Ready, freshman from Ft. Worth was in collision with a 1955 sedan driven by Mrs. Tate Campbell, according to Albert R. Ward, campus security officer who investigated the accident.

Ward said the sedan driven by Ready was traveling west in one of the traffic lanes when it was in collision with the other sedan, going north in one of the lanes.

Both cars were traveling about 20 miles-per-hour when the accident occurred, he said.

Damage to the automobile of Ready was estimated at \$600 by Jack E. Winslow, College Station automobile body repairman. Winslow estimated damage to the automobile of Mrs. Campbell at \$400.

No one was hurt in the accident which Ward described as "the worst parking lot wreck we've ever had at A&M."

Vanity Fair Pics Ready

Seniors are reminded to pick up their pictures submitted for Vanity Fair. The pictures may be obtained at the Office of Student Publications in the basement of the YMCA.

Graduating seniors are also reminded to leave their forwarding address at the Office of Student Publications if they intend to have their AggieLand '60 mailed. Deadline for submission of forwarding address is before the closing of school.

Pan Am Club Meeting Set

The Pan American Club will hold its last regularly scheduled meeting of the year Friday at 7:30 p.m. in the YMCA Building.

Eleven To Be Recognized At Faculty and Staff Meet

Eleven persons will be honored at the annual Spring Faculty and Staff meeting at 4:30 p.m., Tuesday in Guion Hall. Visitors are cordially invited.

Six of the honorees will be presented Faculty Distinguished Achievement Awards of \$1,000 each. Five professors who are retiring will be recognized for their long and beneficial services to the college and the State of Texas.

The achievement awards were established in 1955 by the Association of Former Students through its Development Fund. Nominations for the awards are submitted by the faculty and students, and selections are made by a faculty committee.

Three Categories

The Faculty Distinguished Achievement Award program is divided into three categories as follows: for distinguished achievement in teaching, four awards of \$1,000 each; for distinguished achievement in individual student relationships, one award of \$1,000; and for distinguished achievement in research, one award of \$1,000.

Gen. William Simpson ... commissioning address

W. C. McGee, Jr., of Houston, president of the Association of Former Students, will present the awards. Presiding at the session will be President Earl Rudder.

Award Winners
Winners of the Faculty Achievement Awards will be named during the meeting. The five retirees are H. J. Reinhard of the Department of Entomology; C. B. Godbey, Head of the Department of Genetics; Dr. Guy W. Adriance, Head of the Department of Horticulture; Dr. C. C. Doak, Head of the Department of Biology, and Otis H. Miller, associate professor in the Department of Journalism.

Reinhard graduated in 1915 from Ohio State University with a BS degree in entomology and came to A&M in 1916. He has written about 100 scientific articles on a wide variety of entomological subjects. His specialty is parasitic flies.

The entomologist, as a result of his research, received a Faculty Distinguished Achievement Award in 1959 by the Association of Former Students.

Adriance was born on the campus and graduated in 1915 with a degree in horticulture. He received his MS degree from the University of California, his PhD at Michigan State University and has been here since 1920.

Adriance is co-author of a horticulture textbook in use here and at 36 other major colleges in the U. S.

Godbey graduated with a BS degree at the University of Kentucky and came here in 1925, where he obtained his MS degree the same year. He has been Head of the Department of Genetics since 1946, his special field of study being biometry.

The geneticist is a past winner of a Faculty Distinguished Achievement Award and was named Man of the Year by the City of College Station in 1949.

Known As 'Judge'
Miller, better known as "Judge" to his students, came here in 1947 from Jones County, where he was in the newspaper business for seven years at Anson. He has taught agricultural journalism, special feature writing and radio and television news writing.

While in Jones County, he was county attorney for two years, county judge six years and district attorney for six years. He also was president of the State Association of County Judges and Commissioners.

Miller taught journalism at Baylor University and at the University of Wisconsin. He established the first journalism courses at Baylor from 1920-22.

The educator was twice named Professor of the Month at A&M.

Known for Botanical Studies
Doak, widely known for his botanical studies, received his BS degree in 1922 at North Texas State College and his MS degree at A&M in biology in 1927. He has been here since 1927 except for the period 1930-32 when he obtained his PhD in botany-genetics at the University of Illinois.

The scientist started here as an instructor. He became an assistant professor, then associate professor and in 1938 was made a full professor and Head of the Department of Biology, the position he has held up to the present.

Nance Recipient Of Bolton Award

Doyce R. Nance, a graduating senior in electrical engineering, has been named the recipient of the Bolton Award. He is the son of Mr. and Mrs. Ray Nance of Mesquite and a graduate of Cooper High School.

The Bolton Award is presented annually to an outstanding electrical engineering graduating student. The award is provided by an endowed fund established by former students and friends of President Emeritus F. C. Bolton.

Dr. Bolton, who has served as head of the Department of Electrical Engineering, Dean of the School of Engineering, Dean of the College and President of the College, presented the award, a \$100 check and an engraved gold watch.

Nance has been a distinguished student for seven semesters and scholastic officer of Co. H-2. He is chairman of the program committee, Great Issues Committee, member of the Ross Volunteers, vice president of Eta Kappa Nu, cataloger for Tau Beta Pi, secretary of American Institute of Electrical Engineers, a member of Eta Sigma and the Institute of Radio Engineers.
