ARMY, WHAT IS AGGIELAND TO YOU?

Aggieland means many different things to many different people. To some it is the place they met their lifetime friends and received their formal education, to others it is the place they learned how to be a man and to get along with their fellow man.

Although Aggieland may have a special meaning for each Aggie, all have memories of yelling for that Fightin' Aggie Team as we beat T. U. or of singing The Twelfth Man when we didn't yell loud enough.

Army, when we go home after these finals let's throw our chests out and tell the world that we are proud to be a Fightin' Texas Aggie. Let's keep alive the heritage left to us by our buddies we've honored with Silver Taps who are no longer able to share it with us.
