

# Turner To Accept SFA Post In Fall

Dr. W. M. (Bill) Turner, music coordinator, has accepted a position as head of the Department of Music at Stephen F. Austin College, Nacogdoches, with the rank of professor, J. Wayne Stark, director of the Memorial Student Center, announced today.

He will take over the post at Stephen F. Austin College Sept. 1, this year.

Turner has been music coordinator at A&M since 1944. He is director of the Singing Cadets, the Aggeland Orchestra, Memorial Student Center music activities and manager of Town Hall. He is a

professor in the School of Arts and Sciences.

A graduate of Plainview, Texas, high school, he holds an MS degree in music from North Texas State College and has done graduate work at New York University. In August, 1959, he received his Doctor of Education degree from NTSC.

Turner is a member of the board of directors of the Concert Managers Assn., the Intercollegiate Music Council, the Texas Music Educators Assn., the National Music Educators Assn. and Phi Mu Sinfonia, an honorary music fraternity. He was director of music at Baytown, Texas, high school for four years.

### Plan Tour

Mr. and Mrs. J. Gordon Gay of College Station look at some of the global points they will visit on a tour of the Holy Land and other areas. Gay has for 32 years been co-ordinator of religious life and general secretary of the YMCA on the A&M campus. The Gays will leave June 2 and return on July 14.

## TO TOUR HOLY LAND

# Gay's Dream Becomes Reality

J. Gordon Gay, coordinator of Religious Life and general secretary of the YMCA at A&M will leave soon on a tour of the Holy Land that will be the culmination of a lifelong dream.

He will fly from New York June 2 and return on July 14. His wife, Emma, will make the journey with him.

An anonymous group of former A&M students is making the tour possible by raising funds amounting to \$3,300. The drive is an expression of their appreciation of Gay's services to Aggies over a period of 32 years. He is the oldest student YMCA secretary in point of service in the United States, having served in that capacity for 34 years.

Tall, soft-spoken and obviously filled with the humility and inner-contentment of genuine faith, Gay said the trip will mark a high point in his and his wife's life.

"I never thought we would have this chance. We are realizing a lifetime ambition," he said. "It's very gratifying to know that enough people think this much of us to make the tour possible."

The Gays will participate in the Arthur Smith Holy Land Tour. Smith, a professor, holds the Baptist Chair of Bible at A&M.

Touring the Holy Land area actually is only part of the overall trip. In addition to visiting Lebanon, the Gays will travel to Greece, Italy, France, Austria, Switzerland, Denmark, Norway, Scotland and England.

At Oberammergau in Austria,

they will attend the famed Passion Play, which is given during only one year of each decade. The play lasts most of a day.

Gay said the trip will mark another outstanding event in his life. It will be his first ride in an airplane.

## Wyss To Deliver Science Foundation Lecture Monday In Chemistry Building

Dr. Orville Wyss will deliver a National Science Foundation lecture here, Monday at 8 p.m. in room 231, Chemistry building. Wyss is chairman, Department of Bacteriology, University of Texas. "Basic Biology of Microorganisms," will be the subject of the lecture.

Wyss, a native of Wisconsin, got his B.S. and Ph.D. from the University of Wisconsin majoring in bacteriology. He served as a research bacteriologist for 4 years in industry before going to the University of Texas in 1945 as assistant professor. He was promoted to professor in 1948 and department chairman in 1959. His research interests are in general bacteriology and microbial genetics.

He has been a member of the Board of Governors of the American Academy of Microbiology since the founding of that organization. He has been for many years a member of the council and council policy committee of the Society of American Bacteriologists.

Wyss is also a member of the British Society of General Microbiology, the American Society of Biological Chemists, the American Chemical Society, the Radiation Research Society, A. A. A. S. and Sigma Xi.

## Five Students Receive Grants

National Defense Graduate Fellowships from the Department of Health, Education and Welfare have been awarded to Bobby J. Bland of Bryan, Harold D. Bier of Clarendon, Bobby K. Robertson of Canyon, James O. Schreck of Houston and Albert Z. Harris of El Paso, all chemistry majors at A&M.

The fellowships are for three years study toward the PhD degree in chemistry. William Rex Clayton of Dallas, a senior, has been awarded a gift of \$100 from the Hugh E. McLean Jr. Fund by an A&M Department of Chemistry faculty committee. The award will be used by Clayton to continue his education toward a master of science degree.

Tommy R. Ellison of Dallas, a senior majoring in chemistry, has been named recipient of a National Science Foundation Fellowship for graduate work at Ohio State University.

Ellison, along with Robert J. Copeland Jr. of Panola, recently were presented Merck Index Awards for outstanding achievement in chemical studies.

It takes two to fill the bill
