Little League

by Russell Brown

The Senators and Red Sox finished out the first half of American League, South, play with identical 5-3-1 records as the league enters the second section tonight with a Senator-White Sox tilt.

Last week found six games on tap, one a make-up of a rained-out tilt earlier in the season. The Senators came on strong from third place last week to pick up three straight victories and the tie for the championship.

Other highlights saw the Orioles break their five game losing streak and saw two hurlers, Walter Varvel of the Sens and Dennis Chaney of the Orioles come close to no-hit victories.

Senators Win

Thursday found the Senators bouncing the Red Sox 6-4 on the strength of a six-run first inning as Varvel held off Sox on five hits to take the win. Jimbo Robison took the loss in the third straight pitchers' battle between the two clubs. Robison won the first on the second day of the season 1-0 with a one-hitter, the two nines tied the second 5-5, and Varvel came through with a victory in the third. Howard Nelson lead the hitters with two hits in three trips for the Sens.

Red Sox Victorious

Friday the Red Sox exploded for 17 runs on 17 hits off White Sox hurler John Skrabaneck to take a 17-3 win. Jan Dozier picked up his second straight win while handcuffing the White Sox after a three-run first inning. Eight of the nine Red Sox starters had at least one hit apiece while Duke Miller had four hits in five trips. Loser Skrabaneck had two hits for the losers.

Orioles Lose

Saturday found the Senators and Howard Nelson downing the Orioles for the Birds' fourth straight loss 8-3. The tilt was a hurlers' battle for five innings as Willie Edmonds of the Orioles and Nelson each had given up two runs. But Walter Varvel led off the Senator sixth with a solo blast and the winners went on to tally five more times against Edmonds and

reliever Mike Stevenson. The Orioles out hit the Sens but nine walks proved costly to the losers.

Monday the Senators again bounced the Orioles 6-1, this time behind Varvel's one-hit pitching. The big Senator righthander retired the first 13 men to face him, 11 via the strike out route. Willie Edmonds broke up the no-hitter in the fifth with a bunt single and scored on two fielding errors. Doyle Robertson took the loss, yielding only four hits but walking eight and hitting one while striking out two. Varvel ended the night with 15 strikeouts, tying the season high held by Bill Gilliam of the Red Sox.

Orioles Win

Apparently tired of losing five straight the Orioles came back on Tuesday to hit the Red Sox 8-3 and drop the Sox one-half game behind the league-leading Sens. Dennis Chaney had a no-hit shut-out until the sixth when an error left the door open for two hits and three runs for the Red Sox. The Red Sox hurler Gilliam gave up nine walks as the Orioles made good use of them to tally the eight runs while cracking six hits.

Having to win in order to tie for the league-lead, the Red Sox held off a last inning rally by the White Sox, stranding the tying run on third to take an 8-7 victory. Jan Dozier won his third straight to become the winning pitcher in the loop. Three hits and an error gave the White Sox three of the four needed runs in the sixth but Dozier bore down to get the last two men out with Billy Putz on third base.

Why Be Handcuffed to a one telephone home?

when an extension provides so much convenience at so small a cost

If you live in a "one phone home" you know that when the telephone rings, you have to leave whatever you're doing. The painting in the basement, the children in the playpen and the dinner on the stove all must go untended while you run up and down to answer the phone. With convenient extensions, this problem is gone forever and you get more done too!

The Southwestern States Telephone Company

Leadership Development Meet Has 20 Attendants; Ends Friday

A group of 20 carefully selected persons engaged in trade and industrial education in Texas are attending the Leadership Development Conference being held here through Friday.

The conference opened Monday. Selection was made by a committee made up of members of the Texas Assn. for Local Directors and Supervisors of Trade and Industrial Education, sponsors of the conference.

Purpose of the conference is to facilitate identification and development of competent leadership and skills and the conference is organized to provide maximum participation in group discussions, problem-solving sessions, confer-

ence leading and other leadership techniques.

Those attending are having conference expenses defrayed through grants-in-aid provided by the Sears Roebuck Foundation, cooperating agency for the conference along with the Texas Engineering Extension Service of the A&M College System; the Vocational Industrial Education Division of the Texas Education Agency; and the Industrial Education Department of the Division of Extension, the University of Texas.

Conference coordinator is Byrl R. Shoemaker, state supervisor, Trade and Industrial Education Service, State Department of Education, Columbus, Ohio.
