

### Local Scouts Set Camporee Over Weekend

Final arrangements which will put 70 per cent of the Boy Scouts in the Arrowmoor District in camping activities this week have been completed.

In addition to the 37 Scouts and three adults who were scheduled to arrive in Colorado Springs, Colo., Wednesday for the National Jamboree, another 125 Scouts from the District will participate in a three-day Camporee beginning Friday afternoon.

Location of the District Camporee will be at the corner of Texas Avenue and Villa Maria Road. It will begin at 3:30 p. m. Friday and end Sunday at 3:45 p. m.

Purpose of the local camporee is to give each Scout the opportunity to camp and also to participate in the 50th anniversary celebration of the Boy Scout movement in the United States.

Ralph McCormick, in charge of the camporee, has issued an invitation to everyone to attend the camporee. He said that ample parking will be available with diagonal parking on both sides of Texas Avenue.

McCormick said elaborate preparations have been made for a main gateway, and that five administrative tents and an amphitheater have been set up, in addition to the activities and camping areas.

Similar camporees throughout the United States will put over a million Scouts in camping activities during the week end.

Highlights of the camporee program will be the Saturday night campfire presentation in recognition of the 50th anniversary of Scouting. The public is invited to attend, said McCormick.

### JOURNALISM

(Continued from Page 1)

That those members of the faculty and staff to be interviewed will be patient and cooperative with these young people. Many of the stories written by these high school students will appear next fall in high school newspapers throughout the state and in "The Workshopper", which will be a newspaper written and edited by them and printed at the A&M Press," said Burchard.
