

Stadium Named For Grid Legend

By HAROLD V. RATLIFF
Associated Press Sports Writer
In 1961 a public school football stadium will be opened in Waco, named for Paul Tyson, a legend in Texas football and a member of the Texas Sports Hall of Fame.

Tyson has been dead for a decade but his influence on the game lives on. The city where he won his fame and vice versa, but which turned against him when his teams didn't win championships anymore, is going to perpetuate his memory with this great stadium.

Perhaps Waco shouldn't be criticized for letting Tyson go since it was just in the tempo of the times and tradition—a coach must win. But anyway it broke the heart of the tall, spare man who gave Waco its finest moments of sports.

Most Successful Coach
In the twenties Tyson was the most successful football coach in the world. Far ahead of his time he brought to the game the spin play and other football innovations that had the opposition talking to

itself. His teams were poetry to watch, with precision and method in every move, with unquenchable desire and spirit. He was a confidant of Pop Warner and Knute Rockne.

Tyson was the only coach ever to win four State schoolboy championships. From 1921 to 1928 his teams lost only three games and one of those was thrown out because the opposition was ineligible. There also were two ties, with Waco winning those in playoffs. From 1922 to 1927, when Waco won four state championships, his teams won 73 games, lost 3 and tied 2.

The reign of the Tigers over Texas schoolboy football ended in 1928 when they lost one and tied one inside the district. But in 1929 the team went to the state semifinals, losing to Breckenridge. As late as 1939 Tyson had a team in the finals. It played Lubbock for the championship and lost to the team that "won for its coach." Lubbock that year swept to the State championship when its coach died in mid-season. Not even a Tyson team could halt the surge of that inspired eleven.

In 1941 Tyson had an 8-2 record, which is good anywhere. But it didn't suit Waco and he was let out. He continued to coach in Texas, at South Park of Beaumont, at Daniel Baker College. But his heart, already fractured by having to leave Waco, played out on him Sept. 9, 1950, while he was attending a faculty meeting at Daniel Baker.

Tech Tackle

Larry Mullins, 6-3, 195-pounds, will be starting at weak tackle for the Texas Tech Red Raiders tomorrow night. The Snyder junior is regarded as one of Tech's finest linemen.

Three Great Winning Streaks On Line in High School Ball

By The Associated Press
Three great winning streaks go on the line this week-end in Texas schoolboy football, the longest one apparently in the most danger of being stopped.

Stamford, which has taken 19 in a row, meets Sweetwater, one of the power of Class AAA, which, however, doesn't have an unbeaten record this season. Sweetwater ran into Abilene of Class AAAA and took a 20-0 drubbing last week.

Stamford is of Class AA, right now on probation and unable to contend for the championship, but the Bulldogs look as tough as ever. They usually beat the AAA teams.

The clash of Stamford and Sweetwater at Sweetwater Friday night will be a state feature.

The other long winning streaks are possessed by Katy of Class AA and Corpus Christi Ray, the defending state champion of Class AAAA.

Katy, which moved up from Class A where it was 1959 cham-

ption, now has run its streak to 18 straight. It meets Cypress-Fairbanks, an undefeated, untied team of Class AAA, at Katy Friday night.

Ray, which has taken 17 in a row, plays Spring Branch at Corpus Christi Saturday night. Spring Branch, loser to South Oak Cliff and Pasadena in its two games thus far, isn't due to give Ray much trouble.

It's the biggest week of the season with important games in each division from the Piney Woods to the far western reaches. Most of the 138 undefeated, untied teams left in the four divisions put their records up for grabs and a score of them should fall.

Baytown, the No. 1 team of Class AAAA, plays Houston Bellaire, one of the unbeaten, untied teams, in a feature game. Port Arthur is at Odessa in another. Class AA has a big one—Taylor vs. La Grange—a clash of unbeaten, untied powers.

Ag Golf Team Stages Preliminary Matches

As a preliminary of "what's to come" for next spring the Aggie golf team is playing a 72-hole round of golf every weekend for the next four weeks.

After the 288 holes are completed, it will give Coach Henry

Ransom a pretty good view of who will be the top men for next season.

The Varsity has 18 men out this year and from this group, six will be chosen for the team. The six low scorers in the 288-hole series being played now will nail down the No. 1 spots.

One 36-hole round has already been played with Billy Martindale of Jacksonville and Dickie Doble of Galveston, walking off with the top scores of 134 each.

Eugene Byrd of Stephenville, Johnny Johnson of Harlingen and Ed Triplett of Conroe were runners-up with 141.

Harry Hoskins of Fort Worth had 142; Jim Fetters of Port Arthur and Mike Higgins of Tomball had 43 each; and Ralph John-

ston of New York, N. Y., and John Lively of Athens rounded out the top 10 with 144 each.

Besides the 72 holes to be played each weekend the Cadet golfers will get in 18 holes of play during the week.

Last year the Aggies putted their way to the first conference championship since 1948 under Coach Ransom who is a veteran tour professional from Bryan.

In post season play the Cadets took fourth place in the NCAA tournament at the Broadmoor Golf Club in Colorado Springs.

Prospects for the 1961 season look just as bright for the Aggies since they lost only one letterman, Al Jones. Jones was captain during his senior year and set the course record with a 63.

FROM NOW ON...

What a strange feeling it gave me, the first time Laura went to school! As I watched her, I realized that these were her first independent steps. From this day forward, she would be increasingly on her own.

I don't think I ever felt my responsibility as a mother as much as I did at that moment. Had I given her the proper foundation to meet the trials, the temptations and frustrations that are an inevitable part of even a school child's life? Had I done enough for her?

Being human, I probably hadn't. But there was one thing I had done. From the beginning, I had made the Church a part of Laura's life.

You can't shelter your children from harsh reality. But you can, through the teachings of the Church, help them face life with strength and faith, giving them the assurance that God is ever-present.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
