

# Cross Country Team Begins Preparation for Houston

The Aggie cross country team have started their preparation for their first meet against the University of Houston in Houston Oct. 8.

All the meets this season will be both for freshmen and varsity except a meet with SMU which will be strictly varsity.

There will be only one returning letterman on the Aggie team in the person of Malcolm Hardee. The Southwest Conference rules state that in order to letter in cross country, the man must place in the top 10 in the SWC meet.

To round out the varsity team will be E. L. Ener, Thad Crooks, Thomas Johnson, Mike Kerley, Edwin Koronek and George Pickle. Coach Charley Thomas expects

Hardee and Ener to be his top boys.

Coach Thomas said, "We will be stronger this season, all the boys will be improved."

In the freshmen division, Tim Bagby of Indiana is expected to be the top runner. Other freshmen who have shown promise are Randy Smith of San Marcos, Wayne Phillips of Lubbock, Johnny Fulkerson of Baytown, Charles Elliott of Temple, Bill Doreen of Midland, Larry Clancy of Aldine and James Turk of San Antonio.

**Schedule**  
Oct. 8, University of Houston at Houston.

Oct. 14, University of Texas at College Station (also high school meet).

# Aggies' Alley

By AL RAINOSEK  
Aggies, it's bowling time at A&M. The A&M Bowling Committee held its first meeting Monday night for the purpose of organizing leagues. Because of the enthusiasm shown last year in Aggie bowling, the committee expects to organize four leagues, each consisting of eight, four-man teams.

All Aggies interested in the committee should come by the MSC bowling alley from 3 to 5 p.m. weekdays, Sept. 27 through

# Denver Keeps Pro Grid Lead After Losing Last Week

By The Associated Press  
DALLAS — Denver lost its first game of the American Football League race last week but kept a tight hold on the defensive lead.

The Broncos had a balance of 101 yards per game against rushing and 156.3 against passing for a total defense of 257.3 and that was 18 yards per game better than runner-up New York.

Houston has an amazing defense against the ground game. The Oilers limited the opposition to a 41.7 yards average. But they didn't do much of a job against passing and that's why they rank last in total defense.

Los Angeles had the best defense against passing. The Chargers allowed only 136 yards per game there. But they yielded 140.4 yards on the ground and rank third in total offense with 276.3.

Oct. 7, and establish an average. This average will be based on nine games, a maximum of six and minimum of three bowled in any one day, and used to form the four leagues. The high 32 averages set will comprise the Hot-Shot League while those not qualifying for this league may bowl in one of the other three leagues. Here it must be emphasized that any member, regardless of the league he bowls in, is eligible for the Aggie match team. Members who have averages from last year need not take part in this. However, it is open if they care to establish a new average. Since these averages will determine league officials, team captain, teams, etc., new bowlers on the campus are urged to qualify.

The returning lettermen are Parks Mahaney, Eddie Autry, Al Rainosek, Frank Pearce and Captain, Larry Dantzier. There is some doubt if these "experts" will retain their elite position considering the new bowlers seen at the MSC lanes lately.

The bowling committee is sponsored through the MSC under the guidance of Chairman Parks Mahaney, Vice Chairman Francis Nivers, Secretary Axle Green, Treasurer Frank Pearce and Faculty Advisor "Pro" Butler. October 3, a business meeting will be held in the MSC at 7:30 p.m. All interested in Aggie bowling should attend.

This year Aggies Alley will be a weekly bowling column to keep the Aggies posted on committee activities. You are invited to be with us and report any unusual bowling news to co-authors Larry Dantzier and Al Rainosek.

Oct. 21, University of Houston at College Station.

Oct. 29, Texas Invitational at Austin.

Nov. 5, SMU at Dallas.

Nov. 14, Southwest Conference meet at Fort Worth.

# UCLA Tailback Tops Poll For 'Back of the Week'

By The Associated Press  
Bill Kilmer, a triple threat tailback who fires up UCLA's explosive single wing attack, today was named Back of the Week in the Associated Press' weekly football poll for his dazzling deeds against Purdue Saturday.

The 21-year-old senior threw three touchdown passes — for 76, 70 and 17 yard scoring strikes — ran 11 yards for the fourth TD and had a real ball all afternoon in the 27-27 tie with the Boiler-makers at Lafayette, Ind.

The 6-foot, 187-pounder who has been hampered by injuries the past two seasons, completed 9 of 16 passes for 226 yards, carried the ball 13 times for 42 yards net, and punted four times for a 42-yard average.

Outstanding as he was, Kilmer was pressed for the honor by a flock of other Saturday heroes including Dave Hoppman of Iowa State; Dick Thornton of Northwestern; Ernie Davis of Syracuse; Bill McQuirt of Clemson; Ronnie Bull of Baylor; Tommy Mason of

# Keeling Finds Quarterback A 'Real Homely' Position

A&M's Daryle Keeling has found a home.

The junior engineering major from Tyler has played almost every position on the football field but after his performance against Texas Tech here Saturday night it appears as if the 200-pounder is the Aggie quarterback.

At least he's the No. 1 signal caller following A&M's 14-14 tie with the Red Raiders and is slated for starting duty against Trinity in San Antonio Saturday night.

Keeling quarterbacked the Cadets to two come-back touchdowns last week—the first to give A&M a 7-0 lead and the second to tie it up.

Now that Charley Milstead is gone, Keeling figures it's up to somebody to take charge of the Aggies and that somebody might as well be himself.

Keeling has had more than his share of Milstead's shadow. As a sophomore in high school, Daryle (pronounced DAR-el) was a center while Charley led Tyler to the state 4-A schoolboy finals against Abilene.

With Milstead out of the picture in spring practice, Keeling made his move with three other signal callers. The competition was fierce and Coach Jim Myers called in Billy Wade, former Vanderbilt

# Coach Myers Shuffles Backs; Anticipates No More Changes

Coach Jim Myers made all the lineup changes "he anticipates", yesterday as the Aggie backfield was shuffled.

Larry Broadus brought about the most radical change as he moved out of center position to third team fullback. Jerry Jenkins moved up to the No. 2 center; Babe Craig will continue to work at quarterback, but will also work at left halfback; and Powell Berry will be primarily a defensive player.

**QB's Throwing Well**  
Both Daryle Keeling and Ronnie Brice were throwing well yesterday, but Keeling will still hold down the starting slot at quarterback.

Myers added that his backfield shifts were mainly for defensive purposes, but he is trying to train each man for several offensive positions at the same time.

Also Myers said that he was trying to improve his passing game, but before now hadn't concentrated on it too much, due to the changing in the backfield.

**Flat Practice**  
Yesterday's practice was described by Myers as "about as flat a practice as we've had".

Myers was asked whether the team was a little over-confident and his reply was, "I don't see how we can take anybody lightly." He said he was more worried about the Cadet's mental attitude than he was about the kind of team that Trinity had because, "any team can beat another on any given day."

The Aggie Mentor praised his team for the defensive work in both games so far and said that just a few individual mistakes meant the difference between winning or losing. He was especially pleased with Joe Eilers for the second straight week and has him

running plays from both tackle slots.

Lee Roy Caffey was the only man on the injured list this week. Caffey suffered a torn rib cartilage and according to the doctor,

won't see any action until next week.

Today the Aggies will have their last heavy workout before the Trinity clash in San Antonio Saturday night.

# Relief Pitchers May Shine In 1960 World Series

By BEN OLAN  
Associated Press Sports Writer

NEW YORK — World Series hisse with stories of brilliant feats by relief pitchers. Larry Sherry added the most recent chapter, leading Los Angeles to victory in 1959.

Elroy Face is most likely to put his name on the list as a result of the 1960 series opening a week from today in Forbes Field. Because the New York Yankees have little to match the consistently brilliant performances of the little Pittsburgh bull pen specialist, the

Pirates' pitching staff is given the edge over the New York's.

Southpaws Bobby Shantz and Luis Arroyo have been the Yankees' top relief men. But neither is in the same class with Face, whose 10 victories is as many as Shantz and Arroyo have combined. Face is backed up by Clem Labine, a series veteran with the Dodgers, who turned in an outstanding job after being picked up as a free agent in mid-August.

On the surface, Pittsburgh also appears to have an edge as far as starting pitchers are concerned.
