Hogs Face Jinx Against Froggies

Time was when a trip to Waco or Houston used to mean almost certain defeat for a Razorback football team. The Porkers had been visiting those two cities for games with Baylor and Rice without success since their series started. The decade of the '50's ended that drought. But a new jinx has set in—and Arkansas faces it again next week in journeying to Fort Worth to meet the TCU Horned Frogs.

The Razorbacks have defeated TCU at Simon Carter Stadium only once since John Barnhill's single wing team of 1948. That came with Bowden Wyatt's championship single wing squad of '54. The Arkansas record at Fort Worth is the poorest for the Razorbacks against any other SWC team in the 1950's. The 1-4 mark stands against a 2-3 with every other league rival in Texas for the 10-year period.

The 1954 win over TCU was desperate. Arkansas had gone five full years without a victory on Texas soil when the Porkers turned the tide, 20-13. The game ignited a Cinderella drive for the title. It must be said that the five-year losing streak (1949-1953) accounts for the weak Razorback record against SWC teams on the road. Since that TCU win of 1948 the Razorbacks have won 11 and lost seven on Texas soil. And—breaking the Waco-Houston jinx has come in this improved showing.

Past, Power May Win for New York

NEW YORK—Dale Long, present Yankee and former Pirate, is convinced New York will win the World Series because of its power and its past.

For power: Mickey Mantle, Roger Maris, Bill Skowron, Yogi Berra, etc.

For the past: Experience in a match where the chips are down and the players can't recoup in another round.

Championship Fights Slated During Weekend for SWC

By HAROLD V. RATLIFF Associated Press Sports Writer

The Southwest Conference moves into the thick of the championship right this week with two of the top contenders—Texas Christian and Arkansas—in a showdown at Fort Worth.

The Horned Frogs and Razorbacks, who tied with Texas for the title last season, play a game of deep significance Saturday night.

Texas, the pre-season favorite, makes its start in the conference race against upstart Texas Tech, the team that's playing for the title for the first time.

The Longhorns and Red Raiders get together at Austin Saturday night and Tech faces an early season dilemma—it must win to stay in contention. Tech opened the conference race last week with

a 14-14 tie against Texas A&M and a defeat added to the deadlock would just about eliminate the Raiders.

The schedule is a trifle short this week with only five games but it is quite important, both domestically as well as inter-sectionally.

Rice, which surprised itself with a great though losing game against mighty Georgia Tech, hosts Tulane. Baylor, a well-rated contender, takes on Louisiana State at Baton Rouge.

These are highly important inter-sectional games and the conference needs victories in both to go ahead for the season. The league teams have won five and lost six in warfare with outsiders so far.

A&M gets what looks like a breather when it plays Trinity University at San Antonio. The

Aggies are such strong favorites no odds were posted.

Southern Methodist, licking its wounds from two straight shut-outs—20-0 to Missouri and 24-0 to Ohio State—takes the week off.

Texas Christian surprisingly is a 1-point favorite over Arkansas although the Razorbacks have won two games against no losses and looked fearsome indeed last week in a 48-7 conquest of Tulsa. Texas Christian rallied from an opening defeat by Kansas to whale Southern California and make the conference look much better along the inter-sectional front.

But it will be a bitter battle when the old gridiron enemies tangle and the Arkansas speed might be too much for the massive, lumbering Horned Frogs.

Texas is a 13-point choice over Texas Tech and on the basis of material would appear to justify the rating. While the Longhorns have fewer veterans than Tech the quality may be superior.

Tech boasts the best offense in the league but Texas has what may be just the type offense—all the way boys—to outscore the air-minded Red Raiders.

Rice and Baylor are favored to win their inter-sectional jousts—Rice by three points, Baylor by one.

Rice meets a good team in Tulane. The Greenies are unbeaten although tied 6-6 by Alabama after defeating California 7-3.

Inter-Class Struggles Take High School Grid Limelight

By The Associated Press

Highland Park plays Fort Worth Arlington Heights, Kilgore meets Huntsville and there are numerous inter-class struggles this week to highlight the Texas schoolboy football campaign.

No Game Crucial

Almost a fourth of the state's 96 district will have games counting in the standings but none are of crucial nature.

Highland Park and Arlington Heights are undefeated, untied teams of Class AAAA and their meeting is the only one matching teams with that status in the division.

Big Spring and Temple will be stepping down to take on dangerous foes of Class AAA in more battles of the unbeaten, untied. Big Spring meets Sweetwater, one of the top-rated teams of AAA, while Temple plays a good Brownwood team.

In still another AAAA-AAA clash, Bryan engages Conroe, with the loser to fall out of the perfect record class.

No. 1 Probable Winner Baytown, the No. 1 team of AAAA, plays Texas City with little prospect of being upset.

Kilgore and Huntsville are unbeaten, untied powers of Class AAA; in fact, Kilgore is rated No. 1. This game will have great significance.

Other games matching teams with unsoiled records send Electra against Jacksboro in Class AA, Sudan vs. Plains in A, Phillips of AAA against Perryton of AA and Shamrock of AA against White Deer of A.

Olney, the top-rated team of AA, plays Iowa Park. Stinnett, ranked No. 1 in Class A, is idle.

Swimmers Start Work Oct. 19

The Aggie varsity swimming team under the direction of Coach Art Adamson will start working out Oct. 19 in preparation for their first meet with the University of Corpus Christi in College Station early in December.

The team will be led by John Harrington, three-time All-American in high school and once All-American at A&M, and sophomore Bill Baker, HS All-American. Harrington, who specializes in the backstroke, is from College Station while Baker's favorite is the freestyle, and he is from Houston.

Coach Adamson said, "These two boys will carry the load for us this season."

The returning lettermen on the varsity squad include Oscar Cordón, breaststroker from Guatemala; John McKinney, freestyler from Houston; James CoVan, butterfly artist from College Station; Ronnie Reitz, freestyler from Pittsburg; and Charlie Teas, diver from Houston.

Returning squadmen who are expected to help the team this season include diver Bill Pechack, breaststroker Robert Timme, backstroker Bill Crenshaw and butterflyer Mark Powe.

Five men will be lost to the team due to graduation this season. Of these five, three were lettermen.

Fish Have Promise Numeral winners on the Fish team last year that have shown promise are freestylers Bill Baker of Houston, Robert Hipps of Houston and Tom Kennerly of Houston. These boys will "strengthen the freestyle a good bit," Adamson added.

In the breaststroke division, Charlie Seagraves of Houston and Regelio Nunez of Cuba will be helpful. Other freestylers coming up include Mike Thurman of Baytown, Keg Watts of San Antonio and Mike Leach of Houston.

Diving Picture Bright The diving picture will be

brightened by Erickson Berg of Alexandria, Va., and Clay Eissler of Beeville. Also George Mulanovich, a transfer from Peru, may help in the freestyle.

As far as the team goes, Adamson said, "We will be stronger

than last year especially in the distance, but we are weak in the sprint and butterfly races."

Adamson urged all Corps members to try out for the Fish team. In the past, many Corps men have lettered in swimming.

We see only wires! But at this very moment a woman in San Francisco may be speaking to her husband in Tokyo. . . . a boy at Princeton may be inviting a girl in Albuquerque to a football game . . . and Mrs. Green of R. D. No. 1 may be placing her order with Mr. Brown of the Crossroads Store. Here — where sixty wires cling to the cross-arms of a weathered pole — the ends of the earth meet! It's like that in our local churches on Communion Sunday. Whether fifty or five hundred receive the Holy Sacrament . . . the ends of the earth meet. For the Lord's Supper is not a rite of one church or one denomination. It is the common sacramental feast of millions of Christians all over the world. Are you availing yourself of this blessed privilege, and are you attending your church regularly? As you receive this Sacrament in your church, your life is linked to the lives of Christians everywhere. And you and they are united in a common communion with God!
